was highly influential soon after it was published. Prominent religious figures such as St Francis de Sales recommended that everyone under his direction read it every day as he did. Father Scupoli believed that in one's daily life one must fight or die in a spiritual sense. The battles against vice, passions, impurity, and sloth must be fought constantly if there is to be victory of the spirit and soul. Father Scupoli intended that his work be a practical guide to daily living and shows how to replace the egotistical longings of the mind with charity, sacrifice, and discipline. A true believer must trust fully in God's power and His infinite goodness in order to find eternal life in Heaven. Father's Scupoli's work continues to resonate with the faithful and spiritual today as he found lessons in common, timeless human events and he shows how the faithful may cope with these challenges and remain virtuous and pure of mind. The Spiritual Combat and a Treatise on Peace of the Soul Lawrence Scupoli, 2016-04-18. 2016 Reprint of 1950 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. This classic work is considered a course in spiritual strategy and one of the great works in ascetical theology. The identity of its author still remains a mystery, but many attribute it to the Italian Theatine, Lawrence Scupoli. It was first published in Venice in 1589 and was a favorite book of St Francis de Sales, the great master of the spiritual life. The purpose of this book is to help lead the soul to spiritual perfection. To clarify the meaning of perfection, it tells us that it does not consist in external works and practices, but it is all interior; it means knowing and loving God, despising and mastering in us all our evil inclinations so that we may be able to submit and abandon entirely to God out of love for Him. **The Spiritual Combat** Lorenzo Scupoli, 2013-11.
