The Spiritual Dimension Of Ageing:

The Spiritual Dimension of Ageing Elizabeth MacKinlay, 2001 Drawing on in depth interviews with older people Elizabeth MacKinlay develops an understanding of spirituality that enables the reader to explore the spiritual dimension of ageing and to learn how it contributes to well being and health in later life This book will be a useful text for students trainers and academics policy makers and practitioners in health and social care as well as religious professionals in hospital residential and other caring settings BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Aging and Spirituality* David O. Moberg, 2012-10-12 Explore the spiritual dimensions of aging through science theory and practice During the later years of life many people devote energy to a process of spiritual awakening and self discovery Yet their family friends clergy and the helping professionals who work with them are not always prepared to understand or deal with the spiritual concerns of their clients *Aging and Spirituality* provides a unique far reaching overview of this long neglected field Divided into four independent but interwoven sections this landmark book covers the spiritual realm with scientific rigor and deep human understanding *Aging and Spirituality* comprehensively surveys the issues of spirituality from the groundwork of basic definitions to detailed assessments of the role spirituality plays in the lives of the elderly and suggested directions for further research This book s unique approach combines scholarly research and practical nuts and bolts suggestions for service delivery By drawing from many disciplines and professions it offers fresh perspectives to even those practitioners already familiar with the most effective spiritual techniques their own field can offer *Aging and Spirituality* answers such common questions as What are the spiritual needs of people later in life Is there any solid evidence that prayer changes things How is spirituality related to physical and mental health Does spirituality matter when people know they are dying How can we measure spiritual wellness and assess the outcomes of activities intended to enhance it Will attention to spirituality aggravate or alleviate the losses of friends family health youth that so often occur during old age *Aging and Spirituality* provides a much needed resource for health care professionals clergy social workers and counselors working with geriatric clients By integrating spiritual issues into the theoretical framework of social gerontology *Aging and Spirituality* will help you understand the scientific foundations practical applications and public policy implications of spirituality for older adults **The Spiritual Dimension of Ageing, Second Edition** Elizabeth MacKinlay, 2017-02-21 People are asking more and more questions about life and meaning as they are growing older and living for longer There are increasing opportunities to engage with spiritual well being later in life This book provides a comprehensive study of spirituality and ageing with newly updated material on recent developments in this field **Spiritual Dimensions of Ageing** Malcolm Johnson, Joanna Walker, 2016-11-24 Well known authors in the field of ageing and spirituality present their considered contributions to current understandings in this fast changing field *The Spiritual Dimension of Ageing* Elizabeth B. MacKinlay, 1998 *Growing Old* Rudolf Steiner, 2019-05-03 When are we actually old What really happens as

we age How can we cope with old age in the best way Growing old is an art and aging in the best way requires spiritual understanding In this enlightening anthology compiled by a director of elder care homes comprehensive cosmological perspectives alternate with detailed observations of aging Rudolf Steiner views aging in the context of the earthly and spiritual evolution which encompasses all forms of existence This book therefore begins with the essential developmental significance of aging and ends by considering human beings as joint creators in cosmic processes and having the capacity to become increasingly conscious of all that this implies These key texts by Rudolf Steiner show how spiritual knowledge can expand current studies of old age the aging process and problems that older people encounter Issues concerning today s aging population can be seen in a broader context that recognizes the fruits of old age One example of this is the productive relationship between childhood and old age a theme throughout this volume By growing old consciously we can view aging not just as a period of physical decline but more important as a time for actively participating in shaping life We can begin to find greater meaning in the process of growing old Chapters include The Core Messages of Aging Fundamental Principles of Gerontology Aging as a Developmental Process Aging The Risks and Opportunities The Art of Growing Old Old Age and Death Growing Old A Challenge for Education Cosmological Dimensions of Aging Spiritual Growth and Care in the Fourth Age of Life Elizabeth MacKinlay,2006 This book explores the spiritual dimension of ageing and investigates the role of pastoral and spiritual care in helping the frail elderly cope with end of life issues Focusing on the experience of nursing home residents and anecdotes gathered in interviews MacKinlay sensitively presents the struggles facing older people in need of care **New Dimensions in Spirituality, Religion, and Aging** Vern Bengtson,Merril Silverstein,2018-09-03 New Dimensions in Spirituality Religion and Aging expands the traditional focus of religiosity to include and evaluate recent research and discoveries on the role of secular spirituality in the aging process Contributors examine the ways conventional religion and other forms of spirituality affect human development health and longevity and they demonstrate how myth creation enables humans to make meaning in their lives Taken together the book points to further research to enhance current knowledge approaches to care and social policies *Ageing, Disability and Spirituality* Elizabeth MacKinlay,2008-02-15 This collection examines theological and ethical issues of ageing disability and spirituality with an emphasis on how ageing affects people who have mental health and developmental disabilities The book presents ways of moving towards more effective relationships between carers and older people with disabilities *Ageing, Spirituality, and Well-being* Albert Jewell,2004 Using selected conference material this text explores how well being among the elderly does not depend solely on physical health but also on having purpose in life and ongoing spiritual growth and offers guidance on meeting the spiritual needs of this age group and providing meaningful care and support **Aging, Spirituality, and Pastoral Care** James W Ellor,2013-05-13 How can you foster spiritual growth in older people This multidisciplinary work re examines issues of aging with dignity and spiritual meaning Aging Spirituality and Pastoral Care A Multi National

Perspective brings together chaplains pastors counselors and health care practitioners in all walks of gerontology from around the world to present a fully rounded picture of the spiritual needs and potentialities of this fast growing population It also includes a study of the spiritual awareness of nurses working in six different nursing homes as well as a model for a parish nursing practice that focuses on the aged Aging Spirituality and Pastoral Care addresses urgent issues for older people including social and spiritual isolation the wisdom of the aging the need for intimacy sexuality among older people living with dementia the spiritual dimensions of caregiving **Age and Dignity** Neil Thompson, Gerry R. Cox, 2024-06-05 In this insightful book Neil Thompson and Gerry R Cox highlight the detrimental effects and pervasiveness of ageist stereotypes structures and practices Stressing the importance of dignity in later life care they provide a well informed basis for understanding the complexities of ageing and challenging ageist assumptions Oxford Textbook of Spirituality in Healthcare Mark Cobb, Christina Puchalski, Bruce Rumbold, 2012-08-09 The relationship between spirituality and healthcare is historical intellectual and practical and it has now emerged as a significant field in health research healthcare policy and clinical practice and training Understanding health and wellbeing requires addressing spiritual and existential issues and healthcare is therefore challenged to respond to the ways spirituality is experienced and expressed in illness suffering healing and loss If healthcare has compassionate regard for the humanity of those it serves it is faced with questions about how it understands and interprets spirituality what resources it should make available and how these are organised and the ways in which spirituality shapes and informs the purpose and practice of healthcare These questions are the basis for this resource which presents a coherent field of enquiry discussion and debate that is interdisciplinary international and vibrant There is a growing corpus of articles in medical and healthcare journals on spirituality in addition to a wide range of literature but there has been no attempt so far to publish a standard text on this subject Spirituality in Healthcare is an authoritative reference on the subject providing unequalled coverage critical depth and an integrated source of key topics Divided into six sections including practice research policy and training the project brings together international contributions from scholars in the field to provide a unique and stimulating resource **Aging, Spirituality, and Pastoral Care** James W Ellor, 2013-05-13 How can you foster spiritual growth in older people This multidisciplinary work re examines issues of aging with dignity and spiritual meaning Aging Spirituality and Pastoral Care A Multi National Perspective brings together chaplains pastors counselors and health care practitioners in all walks of gerontology from around the world to present a fully rounded picture of the spiritual needs and potentialities of this fast growing population It also includes a study of the spiritual awareness of nurses working in six different nursing homes as well as a model for a parish nursing practice that focuses on the aged Aging Spirituality and Pastoral Care addresses urgent issues for older people including social and spiritual isolation the wisdom of the aging the need for intimacy sexuality among older people living with dementia the spiritual dimensions of caregiving *Changing Cultures of Ageing and Spirituality* Elizabeth MacKinlay, Ann

Harrington,2023-09-12 This book addresses important issues of ageing and spirituality and reflects on the impact of culture on both constructs The papers are contemporary in that they include excerpts of cultural impact on spirituality from New Zealand Singapore India United Kingdom Australia and the United States This book marks almost 20 years of international conferences on ageing and spirituality that commenced in January 2000 It opens the conversation to all who were part of this journey of ageing including older people practitioners in ageing and aged care researchers and those who reflect on the process of growing older Chapters feature diverse perspectives highlighting the need for inclusivity in conversations that surround ageing and recognize how development of cultures is influenced by the society where they emerge and by minority groups within larger society Chapters also note the occurrence of subcultures of ageing and aged care The conference was held shortly before the onset of the COVID 19 pandemic with the chapters being written often during times of lockdown Their content reflects the importance of spirituality in times of isolation and can show ways of reaching out to vulnerable older people of various faiths and cultures whatever their situations Changing Cultures of Ageing and Spirituality will be a key resource for academics researchers and advanced students of Theology Divinity and Religious Studies Gerontology Sociology Psychology Mental Health and Nursing The chapters included in this book were originally published as a special issue of Journal of Religion Spirituality Aging **International Perspectives on Reminiscence, Life Review and Life Story**

Work Faith Gibson,2018-11-21 This book collates the latest research developments and evidence base for reminiscence life review and life story work in a single volume Charting the wide applications for narrative therapeutic methods the book emphasises the effectiveness of these approaches with varied people from different cultural backgrounds **Aging, Spirituality and Palliative Care**

Rev Elizabeth Mackinley,2006-10-24 Gain greater depth of understanding of end of life spiritual issues for older adults The period of time when a person approaches death is always difficult both for the patient and the caregiver Aging Spirituality and Palliative Care discusses best practices in aged and palliative care while addressing patients diverse spiritual **Social Work Diagnosis in Contemporary Practice** Francis J. Turner,2005-02-10 The unifying theme of this broad reaching volume is that responsible ethical and effective social work practice rests on the diagnostic skills of the practitioner Social work diagnosis refers to the conscious formulation of an ongoing set of decisions about the client and his or her situation which serve as the basis for intervention decisions for which the practitioner must be prepared to take responsibility Diagnostic skill development is an ongoing process principally enhanced by a continuous commitment to remain at the cutting edge of the profession s body of knowledge but one of the challenges for today s practitioner is keeping abreast of the rapidly expanding body of knowledge contained in some 200 important social work periodicals in circulation Francis J Turner a preeminent clinical scholar brings together in one volume some of the best work published since 2000 each reflecting new insights into understanding psychosocial situations and innovative methods of applying knowledge and skills in an increasingly effective manner Each of the 78 articles in this volume highlights some of the critical

dimensions of contemporary social work practice guiding clinicians to address four key aspects in order to craft an accurate diagnosis The first section presents articles covering the developmental spectrum each of which fully explains various ages and stages of development The second section focuses on a range of specific situations helping practitioners and students enrich their understanding of different types of problems they meet in contemporary practice whether they are based in mental illness psychosocial issues or physical ailments The third section addresses the crucial component of diversity demonstrating the complexity and critical importance of truly understanding clients and their lives The last section of the book discusses innovative approaches to practice selected to offer practitioners easy access to the latest interventions for a host of contemporary challenges facing clients and their therapists Broad in scope and tightly focused on the goal of providing the most up to date information necessary for accuracy in the diagnostic process this volume represents some of the best research available to today s social workers

Spiritual Care in Palliative Care Megan C. Best, 2024-08-31 An international panel of experts have contributed to create the first comprehensive guide to spiritual care focussing on the palliative care setting from neonatal to aged care combining the theoretical underpinnings of spirituality research with practical applications for its introduction into patient care This book is structured to give a detailed understanding of the importance of spirituality for patients approaching the end of life as well as the impact of spiritual care on patients families and carers As the first step towards reaching this goal the need for spiritual care training of clinicians is outlined including the crucial step of nurturing one s own spiritual life Ways to identify and assess patients spiritual needs are explained The experience of existential suffering is explored along with discussion of the ways it can manifest and how it can be addressed The implementation of spiritual care in the clinical setting is detailed with illustrations of the role of each member of the palliative care team and the benefits of an institutional approach This valuable resource provides not only empirical evidence for the importance of spiritual care but also practical guidance for those wishing to practice it It is ideal for all those caring for patients of all ages at the end of life including palliative care clinicians spiritual care professionals students and researchers and anyone interested in creating meaning in the face of imminent death
