THE SPIRITUAL ROOTS OF THE HOLY LAND

The Spiritual Roots Of The Holy Land

Michael Avi-Yonah

The Spiritual Roots Of The Holy Land:

The Spiritual Roots of the Holy Land Michael Laitman, 2012-01-01 The Spiritual Roots of the Holy Land takes you on a wondrous journey through the land of Israel As you take in the breathtaking pictures another layer of the age old country is revealed the ebb and flow of spiritual forces that have shaped the curvy landscape that is sacred to billions of people around the world Also included are Israel roadmaps to help you locate each place you visit in mind or in body The Psychology of the Integral Society Michael Laitman, Anatoly Ulianov, 2011-10-16 This book presents a revolutionary approach to education All around us we see proof that a dramatic paradigm shift is occurring within our society An interconnected and interdependent world has started to gradually emerge displacing society s current system which was built upon egoism and hubris While the world is evolving our education system has been stagnate and is based upon the needs and ideals of the 19th Century A new education must be developed to meet the needs of an integral society where all the parts work together to contribute to the well being and success of humanity The society will in turn will be responsible to provide for the well being and success of its citizens consequently forming a relationship of mutual need In a globalised integral world this is the only sensible and sustainable solution In the book a series of dialogs between professors Michael Laitman and Anatoly Ulianov we see starting to unfold a new education system Absence of competition nurturing through a social environment peer equality rewarding the givers and dynamic makeup of classrooms and instructors are only some of the new precepts introduced in this must have book The Kabbalist Semion Vinokur, 2012-01-01 At the dawn of the deadliest era in human history the 20th century a mysterious man appeared on the socio political scene carrying a stern warning for humanity and an unlikely solution to its suffering In his writings Kabbalist Yehuda Ashlag described in clarity and great detail the wars and upheavals he foresaw and even more strikingly the current economic political and social crises we are facing today His deep yearning for a united humanity has driven him to unlock The Book of Zohar and make it and the unique force contained therein accessible to all The Kabbalist is a cinematic novel that will turn on its head everything you thought you knew about Kabbalah spirituality freedom of will and our perception of reality It is the first book of its kind to try to convey the inner workings and sensations of a Kabbalist who reached the highest level of attainment a person who is in direct contact with the singular force governing all of reality The Kabbalist carries a surprising message of unity with scientific clarity and poetic depth It transcends religion nationality mysticism and the sheer fabric of space and time to show us that the only miracle is the one taking place within when we begin to act in harmony with Nature and with the entire humanity It shows us that we can all be Kabbalists **Let There Be Light** Yaniv C, 2012-06-06 The book of Zohar Radiance also known as The Zohar is regarded by many as the most enchanting and mysterious composition ever to be written No other literary work has provoked quite so much awe and admiration among writers thinkers and spiritual seekers The Zohar contains all the secrets of creation but until recently the wisdom of Kabbalah was locked under a thousand locks Thanks to the work of Rav Yehuda

Ashlag 1884 1954 the last of the great Kabbalists The Zohar is revealed today in order to propel humanity to its next degree Ashlag s Sulam Ladder commentary has made The Zohar accessible to all Let There Be Light contains selected excerpts from the series Zohar for All a refined edition of The Book of Zohar with the Sulam commentary Each piece was carefully chosen for its beauty and depth as well as its capacity to draw the reader into The Zohar and get the most out of the reading experience The number at the beginning of each item marks the item in the portion from which it was taken More importantly as The Zohar speaks of nothing but the intricate web that connects all souls diving into its words attracts the special force that exists in that state of oneness where we are all connected The Zohar is the bridge that connects us to that source of energy and vitality that permeates all of reality

The Land, the Bible, and History Alain Marchadour, David Neuhaus, Cardinal Carlo Maria Martini, 2009-08-25 This unique book offers a Catholic view of the Holy Land in the debate that rages among Jews Christians and Muslims Alain Marchadour and David Neuhaus two biblical scholars and priests living in Jerusalem clearly analyze the Promised Land as concept history and contested terrain in Catholic teaching and doctrine They offer an analytical reading of the entire Christian Bible Old and New Testaments with reference to the idea of the Land promised by God They explore early and medieval attitudes especially with regard to the Holy Places and the Jewish people Moving carefully to the present day they focus on anti-Semitism the tragedy of the Shoah Western colonialism in the Middle East the creation of the State of Israel and the birth of the Palestinian refugee problem as they examine Catholic reactions to the tumultuous events of the nineteenth and twentieth centuries particularly the renewal of Catholic thought in the aftermath of the Second Vatican Council Studying the most recent Church documents Marchadour and Neuhaus confront the ongoing struggle for peace justice and reconciliation in the Middle East This illuminating book is an essential tool for all those struggling to understand the links between the Bible the Church and contemporary Middle Eastern realities especially in Israel and Palestine

The Egotist Jesse Bogner, 2014-03-03 The Egotist tracks its author Jesse Bogner s development from a hedonistic New Yorker to a Kabbalist on a path to find the meaning of life This book offers a glimpse into the misunderstood world of Kabbalah and how the collective plea of Kabbalists has the power to correct the egos of individuals and the world at large Never before has a Kabbalah student in such excruciating detail illuminated the nature of his own spiritual development

The Secrets of the Eternal Book Semion Vinokur, 2013-06-14 The secrets of the eternal book decodes some of the Bible s most enigmatic yet oft cited epochs such as the story of Creation and the Children of Israel s exodus from Egypt The author s lively and easygoing style makes for a smooth entrance into the deepest level of reality where one changes one s world simply by contemplation and desire you will also discover the eternal love of the Creator who endowed us with the wondrous treasure of this hidden reality Page 4 of cover

The Oxford History of the Holy Land Robert G. Hoyland, H. G. M. Williamson, 2023-03-28 Histories you can trust The Oxford History of the Holy Land covers the 3 000 years which saw the rise of Judaism Christianity and Islam and relates the familiar stories of the sacred texts with the fruits

of modern scholarship Beginning with the origins of the people who became the Israel of the Bible it follows the course of the ensuing millennia down to the time when the Ottoman Empire succumbed to British and French rule at the end of the First World War Parts of the story especially as known from the Bible will be widely familiar Less familiar are the ways in which modern research both from archaeology and from other ancient sources sometimes modify this story historically Better understanding however enables us to appreciate crucial chapters in the story of the Holy Land such as how and why Judaism developed in the way that it did from the earlier sovereign states of Israel and Judah and the historical circumstances in which Christianity emerged from its Jewish cradle Later parts of the story are vital not only for the history of Islam and its relationships with the two older religions but also for the development of pilgrimage and religious tourism as well as the notions of sacred space and of holy books with which we are still familiar today From the time of Napoleon on European powers came increasingly to develop both cultural and political interest in the region culminating in the British and French conquests which carved out the modern states of the Middle East Sensitive to the concerns of those for whom the sacred books of Judaism Christianity and Islam are of paramount religious authority the authors all try sympathetically to show how historical information from other sources as well as scholarly study of the texts themselves enriches our understanding of the history of the region and its prominent position in the world s cultural and intellectual history

A History of Israel and the Holy Land Michael Avi-Yonah, 2001-01-01 In its entirety the story told here spans all of recorded history It is a story of momentous events and mighty nations of the birth of great religions and of foreign conquests of longing and renewal The scholars who have produced this work have woven an engrossing continuous narrative out of the historical materials presenting a rich array of peoples and cultures from the ancient Hebrews and their neighbors down to the time of Jesus and the Roman wars and then on through the Arab and Crusader conquests the Mameluk domination the long period of Turkish rule British Mandate and the rebirth of Israel An integral part of the story is the magnificent selection of photographs illustrating the land its sites its ruins and its treasures This expanded millennium edition of A History of Israel and the Holy Land takes the story into the twenty first century with a new and comprehensive survey of the State of Israel from its establishment to the present day The new material includes a review of political economic and social developments in Israel and summaries of the country s wars and the peace process

Ang mga Lihim ng Walang-Hanggang Aklat Semion Vinokur, 2022-12-03 Ang mga Lihim ng Walang Hanggang Aklat ay nagde decode ng ilan sa mga pinaka mahiwaga ngunit madalas na binabanggit na mga panahon ng Bibliya Ang masigla at maluwag na istilo ng may akda ay nagbibigay ng isang maayos na pagpasok sa kailaliman ng pang unawa kung saan binabago ng isang tao ang kanyang mundo sa pamamagitan lamang ng pagmumuni muni at pagnanais Habang nagbabasa malumanay kang aangat sa antas ng pisikal na mga pangyayari gaya ng inilarawan sa Bibliya at makikita mo sina Paraon Moises Adan at Eba na nasa loob mo

The Holy Land in Geography and in History Townsend MacCoun, 1897 *The Oxford Illustrated History of the Holy Land* Robert G.

Hoyland, H. G. M. Williamson, 2018-09-06 The Oxford Illustrated History of the Holy Land covers the 3 000 years which saw the rise of Judaism Christianity and Islam and relates the familiar stories of the sacred texts with the fruits of modern scholarship Beginning with the origins of the people who became the Israel of the Bible it follows the course of the ensuing millennia down to the time when the Ottoman Empire succumbed to British and French rule at the end of the First World War Parts of the story especially as known from the Bible will be widely familiar Less familiar are the ways in which modern research both from archaeology and from other ancient sources sometimes modify this story historically Better understanding however enables us to appreciate crucial chapters in the story of the Holy Land such as how and why Judaism developed in the way that it did from the earlier sovereign states of Israel and Judah and the historical circumstances in which Christianity emerged from its Jewish cradle Later parts of the story are vital not only for the history of Islam and its relationships with the two older religions but also for the development of pilgrimage and religious tourism as well as the notions of sacred space and of holy books with which we are still familiar today From the time of Napoleon on European powers came increasingly to develop both cultural and political interest in the region culminating in the British and French conquests which carved out the modern states of the Middle East Sensitive to the concerns of those for whom the sacred books of Judaism Christianity and Islam are of paramount religious authority the authors all try sympathetically to show how historical information from other sources as well as scholarly study of the texts themselves enriches our understanding of the history of the region and its prominent position in the world's cultural and intellectual history

Inventing the Holy Land Stephanie Stidham Rogers, 2011-01-06 This book presents a historical study of the phenomenon of Holy Land tourism among American Protestants during the second half of the nineteenth century and the early twentieth century During this period overseas travel was newly available to the Protestant middle class due to the invention and steady popularization of steamship travel Protestants at home in America consumed vast quantities of printed literature via the popular medium of Holy Land pilgrimage narratives A new mental geography resulted in which Americans forged a fresh awareness of the Middle East and began to focus millennial hopes upon the political and social concept of a Jewish remnant of the last days in a Protestant theological and historical framework Protestant support for Zionism was born What surfaces from the study of hundreds of pilgrimage narratives from this period is the emergence of Palestine as an iconic place for American Protestants Through pilgrimage narratives American Protestant's understanding of Palestinians biblical authority the power of the Protestant press the historicity of the Christian faith and millennial expectations were formed as the meaning of the Holy Land was constructed Findings from the pilgrimage narratives also indicate the importance of Palestine among Protestants as a fifth gospel written in stone The pilgrim's eastward gaze drew a distant biblical past into sharper focus and fueled the fires of premillennialism a movement that would leave an enduring stamp upon American religion and politics

Palestine: the Bible History of the Holy Land John Kitto, 1841 **A Survey of the Holy Land; Its Geography, History, and Destiny,**

Designed to Elucidate the Imagery of Scripture, and Demonstrate the Fulfilment of Prophecy J. T. Bannister, 1844

Holy People, Holy Land Michael Dauphinais, Matthew Levering, 2005-10 Offers an integrated theological vision of the Old and New Testaments that highlights the pattern of God's work through scripture

The Holy Land in Geography and in History: Geography Townsend MacCoun, 1897

The Root Causes of Terrorism Mahmoud Masaeli, Rico Sneller, 2017-01-06 Fifteen years after the tragic events of 9/11 bombs are still exploding and innocent people are being killed by terrorist groups in both western and Islamic societies Most of these sinisterly threatening events are motivated by religious claims or are taking place in religiously affected places Is religion the main cause of terrorism or does terrorism still arise because of leaders who brainwash and coach future terrorists so that they kill under the banner of religion The religious imagination seems to hold here an influential power in the creation of delusion to orient the bigot believers toward fulfilling their religious duty against those who are religious in a different way or are not religious at all Religion in this sense is tightly allied with political aspirations In spite of the religious justification of the act of killing enlightened religious leaders and religious minded people believe and argue that religion is a source of love and affection Therefore the sacred texts of religious tradition must be read from a humanist perspective because the ultimate message of religion is about the appreciation of the principle of humanity This is a growing attitude among many religious people today who believe that God is merciful and compassionate and never orders resentment violence and killing of innocent people In addition no true religious tradition appreciates self serving interpretations promoting violence against others If religion disregards love affection and compassion as its essence it drops into the dire vortex of ideological dogma as it is in the case for the Taliban ISIS Boko Haram and Al Shabab Therefore any interpretation that admits violence and killing would be a mere provincial reading of the religious texts agitated by purposeful intentions aimed at political goals This book investigates and addresses the root causes of terrorism from a religious studies perspective The themes analysed and discussed here mainly include a range of religious and philosophical issues such as religious violence in scriptural monotheism radical interpretations of religious texts militancy and sacrifice apocalypticism and terrorism and religious terrorism today The book brings together new approaches adopted by the authors to not only trace the causes of terrorism in various religious interpretations and realms but also reach a common definition of the main religious causes beyond diverse perspectives and advance solutions against religious inspired terrorism

The Holy Land in History and Thought Moshe Sharon, 2023-08-14

Archaeology, Bible, Politics, and the Media Eric M. Meyers, Carol L. Meyers, 2012-10-15 Archaeological discoveries relating to the Bible are prominent in the public square Even archaeological controversies normally confined to the pages of obscure journals are considered newsworthy when they touch on biblical themes people or places However scholars are not always equipped to handle this sort of attention Thus the conference published in this book was organized to bring scholars into conversation with representatives of the media and to help them become better prepared to address the general public

Participants included the print media and the visual media as well as academics The relation between archaeological controversies and Middle East politics emerged as a fraught subject in several essays with the situation of the City of David in Jerusalem as a case in point Other essays consider looting in Iraq and in other regions in the Middle East and highlight the legal and moral issues involved for when legal norms recognized in international law and archaeological standards are violated chaos reigns This volume opens a dialogue between scholars and the media providing both with perspectives that will enable them to become better at communicating what they do to a wide audience And it offers lay communities who learn about archaeology and the Bible through the popular media information that will make them more sensitive to the way discoveries and issues are presented

Thank you for reading **The Spiritual Roots Of The Holy Land**. As you may know, people have search hundreds times for their favorite novels like this The Spiritual Roots Of The Holy Land, but end up in harmful downloads. Rather than enjoying a good book with a cup of coffee in the afternoon, instead they are facing with some infectious virus inside their laptop.
