The Sports Industrys War On Athletes:

The Sports Industry's War on Athletes Peter Finley, Laura L. Finley, 2006-07-30 In America sports are a popular passion and an astoundingly lucrative business as well Americans pay out millions of dollars annually for channels and stadiums to bring them closer to their favorite players and every year young athletes go to greater lengths to reach those exalted fields of play themselves Unfortunately in the quest to offer an ever more compelling product the sports industry is blind to the manner in which that product is created Doping playing through injury and eating disorders are widespread problems in both professional and college athletics and speak volumes about the lengths to which people will go in order to make themselves successful Dirty play hazing and cheating are common even at the lowest levels Most troubling of all however are the societal problems created by the sports industry which include racism sexism classism and homophobia Peter and Laura Finley s comprehensive work confronts the many problems facing athletics today Using numerous examples both historical and current they begin with the issue as they exist at the highest levels and as they are represented in the media They then go on to look at how the values and models expressed by professionals are adopted and utilized by coaches parents and eventually by amateur athletes of all ages Finally the Finleys provide recommendations for improving the sports environment in America suggesting ways we can work to counteract some of these many harmful influences to ensure that sports realize their potential as a positive and rewarding activity

The Youth Sports Crisis Steven J. Overman, 2014-10-14 This provocative critique of the youth sports movement examines the various issues surrounding children in sports and provides a plan for reform based on a change in philosophy and practice Many American children spend more than 20 hours a week in organized sports forgoing free time and unstructured recreational activities for the rigors of training and competition This book offers a comprehensive critique of the youth sports movement pitting the reality of adult run sports programs against the needs and

interests of children It examines whether the tradeoff of normal play time for structured sports activities teaches discipline and leads to stronger character development or if the pressures of the game the physical strain of practicing and the general overscheduling of children s lives have eroded the benefits associated with playing sports Educator and former coach Steven J Overman contends that youth based sports programs require a radical change for the well being of the young participants The book explores the various problems in organized sports including stress on the family physical health hazards violence emotional duress elitism and hyper competitiveness Incorporating the perspectives of coaches athletes parents physicians and social scientists the narrative scrutinizes the role of adults as promoters and coaches and concludes with a discussion of current and needed reforms International Sport Business Management James J.
