Rasmusen,2023-06-29 Back cover Jesus appeared to John his disciple who had been exiled to the small island of Patmos saying Do not be afraid I am the first and the last and the living One I was dead and behold I am alive forevermore And I have the keys of Death and Hades Revelation 1 17 18 The first century Judean prophet and miracle worker Jesus of Nazareth was crucified by the Romans on Thursday April 6 30 CE During the weeks and months prior to his execution he had accurately predicted this event in startling detail And he had promised his followers that after three days and nights he would rise again from the dead through a miracle known as resurrection One question is often asked Why did Jesus have to be crucified This book is a dramatic retelling of the gospel story but it is also much more than that It explains why Jesus was born and why he had to die it tells why Adam was made and what caused his fall from grace it describes what caused the great flood in the days of Noah And it tells us where Jesus was during the three days between his crucifixion and his resurrection Recent discoveries have been made which shed light on these ancient mysteries Not only does this book

continue the Autobiography of Flavius Boadicea but it takes the reader behind the scenes so to speak and offers new insights This book at times is moving and poignant but also adventurous and exciting going from the lofty heights of Heaven to the boundless depths of Hades as the author continues to explore the enigmatic book of Revelation as described by the disciple John to Gaelbyrth Macus Aldynn The Squire of Avelon **His Testimonies, My Heritage** Kristie Anyabwile,2019-09-01 Hear the voices of women of colour on the most important subject in any age the word of God Hear the voices of women of colour on the most important subject in any age the word of God This inspiring collection of devotions is by a diverse group of women of colour African American Hispanic Caribbean and Asian women Contributors include Kristie Anyabwile Jackie Hill Perry Trillia Newbell Elicia Horton Christina Edmondson Blair Linne Bev Chao Berrus and more It is a faithful exposition of Psalm 119 and incorporates each contributor's cultural expression both within the teaching and as they bring the word of God to bear on their lives You will be thrilled and encouraged by hearing God speak through his word as it is expounded by these faithful women teachers and you will long for more **The Squire's Tale** Geoffrey Chaucer,1983 Part Twelve In the list of scholarly problems it presents The Squire's Tale ranks among the highest in The Canterbury Tales Being incomplete and coming to a halt on a baffling note was it in fact evolving into a tale of incest the tale has undergone the most remarkable shift in critic acceptance of any of Chaucer's works This tale of oriental wonder with its strong base in magic excited the admiration of Chaucer's contemporaries and inspired Spenser's imitative speculation and Milton's famous desire that the old poet be summoned up to finish his task It retained for the eighteenth and most of the nineteenth centuries its Gothic fascination being ranked with the very best of Chaucer's work In the second half of the twentieth century it has been seen from a number of provocative perspectives Is it a parody of the long Eastern romance Is it a satire on the values of an aristocracy whose time is past Is it a rhetorical joke on Chaucer's part extending the character of the young Squire into an earnest and somewhat naive competition with his father the Knight The concerns of contemporary scholarship reveal as much about the critical temper of the time as about the work itself On its own merits The Squire's Tale compels our attention as an example of Chaucer's wide ranging and sometimes inscrutable genius It provides us with an exotic literary type not otherwise represented in the Tales It reverberates in its discussion of gentillesse with other such discussions in Chaucer's poetry it demonstrates in its use of the love vision and the complaint the experimental ways in which Chaucer handles the conventions of French poetry Perhaps most fascinating is the range of Chaucer's mind revealed by the casual uses of the science of his time its knowledge of meteorology optics glass and metal work astrology and astronomy The tale offers yet one more example of Chaucer's genius at work speaking to us in a voice that is at once suggestive provocative and mystifying as always **The Star Scroll** Melanie Rawn,2005-07-05 Second in the bestselling Dragon Prince series returns to a lush epic fantasy world replete with winged beasts power games of magical treachery and a realm of pryncedoms hovering on the brink of war Marvelous Anne McCaffrey When Rohan was crowned High Prince and his Sunrunner wife Sioned became High

Princess they swore to keep the peace of the lands and preserve the secret of the dragons an inheritance they would one day pass on to their only child Pol heir to both princely and Sunrunner powers But the evil influence of the former High Prince Roelstra had not ended with his death at Rohan s hands And even as Pol grew to manhood other young men were being trained in the ways of war youths descended from Roelstra and claimed by Rohan s enemies as willing pawns in what could become a bloody battle for succession Yet not all players in these games of power fought merely with words or swords For now a foe vanquished by the Sunrunners ages ago was once again growing in strength an enemy determined to desroy Sunrunners and High Prince alike And the only hope of defeating these masters of dark sorcery lay in reclaiming the knowledge so carefully concealed in the long lost Star Scroll

[Making Chastity Sexy](#) Christine J. Gardner,2011-07-28 Even though they are immersed in sex saturated society millions of teens are pledging to remain virgins until their wedding night How are evangelical Christians persuading young people to wait until marriage Christine J Gardner looks closely at the language of the chastity movement and discovers a savvy campaign that uses sex to sell abstinence Drawing from interviews with evangelical leaders and teenagers she examines the strategy to shift from a negative just say no approach to a positive one just say yes to great sex within marriage Making Chastity Sexy sheds new light on an abstinence campaign that has successfully recast a traditionally feminist idea my body my choice into a powerful message but one that Gardner suggests may ultimately reduce evangelicalism s transformative power Focusing on the United States her study also includes a comparative dimension by examining the export of this evangelical agenda to sub Saharan Africa
