doctors medical researchers and other health professionals in the Holocaust and other National Socialist Nazi crimes scholars in recent years have produced a growing body of research that reveals the pervasive extent of that complicity This interdisciplinary collection of studies presents documentation of the critical role medicine played in realizing the policies of Hitler s regime It traces the history of Nazi medicine from its roots in the racial theories of the 1920s through its manifestations during the Nazi period on to legacies and continuities from the postwar years to the present

Drunk on Genocide Edward B. Westermann,2021-03-15 In *Drunk on Genocide* Edward B Westermann reveals how over the course of the Third Reich scenes involving alcohol consumption and revelry among the SS and police became a routine part of rituals of humiliation in the camps ghettos and killing fields of Eastern Europe Westermann draws on a vast range of newly unearthed material to explore how alcohol consumption served as a literal and metaphorical lubricant for mass murder It facilitated performative masculinity expressly linked to physical or sexual violence Such inebriated exhibitions extended from meetings of top Nazi officials to the rank and file celebrating at the grave sites of their victims Westermann argues that contrary to the common misconception of the SS and police as stone cold killers they were in fact intoxicated with the act of murder itself *Drunk on Genocide* highlights the intersections of masculinity drinking ritual sexual violence and mass murder to expose the role of alcohol and celebratory ritual in the Nazi genocide of European Jews Its surprising and disturbing findings offer a new perspective on the mindset motivation and mentality of killers as they prepared for and participated in mass extermination Published in Association with the US Holocaust Memorial Museum

History Flows through Us Roger Frie,2017-10-03 *History Flows through Us* introduces a new dialogue between leading historians and psychoanalysts and provides essential insights into the nature of historical trauma The contributors German historians historians of the Holocaust and psychoanalysts of different disciplinary backgrounds address the synergy between history and psychoanalysis in an engaging and accessible manner Together they develop a response to German history and the Holocaust that is future oriented and timely in the presence of today s ethnic hatreds In the process they help us to appreciate the emotional and political legacy of history s collective crimes This book illustrates how history and the psyche shape one another and the degree to which history flows through all of us as human beings Its innovative cross disciplinary approach draws on the work of the historian and psychoanalyst Thomas Kohut The volume includes an extended dialogue with Kohut in which he reflects on the study of German history and the Holocaust at the intersection of history and psychoanalysis This book demonstrates that the fields of history and psychoanalysis are each concerned with the role of empathy and with the study of memory and narrative *History Flows through Us* will appeal to general readers students and professionals in cultural history Holocaust and trauma studies sociology psychoanalysis psychotherapy and psychology

Performance Anxiety Michael Hau,2017-03-17 *Performance Anxiety* analyses the efforts of German elites from 1890 to 1945 to raise the productivity and psychological performance of workers through the promotion of mass sports Michael Hau reveals how politicians sports

officials medical professionals and business leaders articulated a vision of a human economy that was coopted in 1933 by Nazi officials in order to promote competition in the workplace Hau s original and startling study is the first to establish how Nazi leaders discourse about sports and performance was used to support their claims that Germany was on its way to becoming a true meritocracy Performance Anxiety is essential reading for political social and sports historians alike

Handicapped Citizens of Germany 1933-1945 Alan R. Rushton,2019-01-17 When Hitler came to power in 1933 he labeled physically and mentally handicapped citizens as dangerous to the genetic health of the German people He initiated a compulsory sterilization program that eventually blocked 400 000 citizens from enjoying any normal family life With the onset of war in 1939 he decided that resources should be reserved for healthy worthwhile citizens who could work for victory

He then ordered a secret program to kill the handicapped Approximately 250 000 citizens had died when the war finally ended Readers in medicine law sociology and history will be intrigued by this compelling story of the brave citizens who spoke out against the immoral killing of the disabled Many were arrested and imprisoned some were executed All the protesters claimed that the disabled were not ballast people They were people who deserved opportunities to contribute what they could for the good of the community
