The Great Fire of London which destroyed much of England s capital city in the autumn of 1666 was one of those seminal events that stand out in history enthralling fascinating and yet repulsive in the damage and destruction it caused The story of the fire which began in the early hours of Sunday 4th September has been told many times Phil Carradice s new re telling of the disaster is different in focusing mainly on the people involved From Thomas Bloodworth the inept Lord Mayor to diarists Samuel Pepys and John Evelyn from the supposed arsonist Robert Hubert to Puritan foretellers of disaster like Humphrey Smith these people witnessed the Great Fire first hand Their views and descriptions make compelling reading The book does not necessarily give reasons and causes for the fire Rather it explores how people responded to what was in reality the greatest challenge they had faced in their lives Heroes cowards and villains are presented in illuminating fashion King Charles and his brother James the Duke of York emerge with nothing but credit leaving you to wonder how and why James switched from hero of the hour to a position of villain once he became king on the death of his brother The upsurge of anti Dutch and French emotion the panic which seized the population as they

tried to flee the stricken city the breadth and width of the disaster along with the gradual re building of London are all dealt with in Phil Carradice s easy and elegant style Historical facts and individual characterisation make this book a compelling and accurate read **A History of London Boroughs Through Beer Goggles (South East Edition)** Cyril O'Brien,2022-03-31 Discover facts fiction trivia and history of some of London s boroughs that you may not have known before All of this done whilst visiting some very interesting pubs and getting some exercise to boot Why not read and discover about a reputed spy for Russia who lived in a quiet suburb unbeknownst to her neighbours for decades after WWII Or learn about Her Majesty the Queen s beasts and what they mean Find out about the Fighting Temeraire and the part it played in the Battle of Trafalgar And finally uncover the Great Fires of London but not the one everyone talks about A wealth of factoids which will astound your friends and family and could very well prepare you for some quiz nights [Report on William Penn Memorial in London](#) Pennsylvania society, New York,Barr Ferree,1911 **Haunted Spaces, Sacred Places** Brian Haughton,2008-06-17 The author of Hidden History explores the archaeology legends and strange sightings at 32 ancient sites around the world from Stonehenge to Angkor Wat In Haunted Spaces Sacred Places historian Brian Haughton takes readers on a revealing tour of ancient landmarks that are rich in mystery and unexplained phenomena Organized by region this book takes readers from the mysterious megaliths of Britain and Ireland to the haunted tombs of the Etruscans the Pagan origins of Germany s Aachen Cathedral the ancient Native American city of Cahokia the enigmatic Cambodian Temple of Angkor Wat and the sacred Aboriginal rock formation of Uluru In Haunted Spaces Sacred Places you will discover The history of ancient sites such as Stonehenge Chartres Cathedral Delphi Cuzco and the Ohio Serpent Mound The relationship between ancient Native American sites and unexpected phenomena in Colorado s San Luis Valley The truth behind the legends of the mausoleum of the First Qin Emperor in China home of the Terracotta Warriors The prevalence of modern encounters with ghosts UFOs spook lights Bigfoot and phantom dogs at ancient sacred places With more than 25 photographs and illustrations this is the ideal reference work for those interested in the connections between ancient places folklore and unexplained phenomena **The History and Antiquities of London, Westminster, Southwark, and Other Parts Adjacent** Thomas Allen,1839 **The Athenaeum** ,1910 **Boys' Life** ,1971-01 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting
