The Storytellers Collection 2 Tales From Home:

The Storytellers' Collection ,2001-06-06 At last Short works by some of CBA s best loved fiction authors including Jerry Jenkins Randy Alcorn Terri Blackstock Deborah Raney and Angela Elwell Hunt are compiled in one gripping volume now available in this paperback version These masterfully told short stories promise to transport readers around the globe with amazing tales of international romance mystery and humor A short bio accompanying each story allows readers to meet their favorite author And the book even has a philanthropic element all contributors are donating their royalties to The JESUS Film Project a ministry of Campus Crusade for Christ International *The Storytellers' Collection Book 2* ,2001-06-06 A great idea is always worth repeating In one volume Christian readers favorite fiction authors including Randy Alcorn Terri Blackstock Angela Elwell Hunt Melody Carlson Nancy Moser and Karen Kingsbury offer delightful new short stories about hometown faith and foibles This hard to put down book which features story settings all around North America in a variety of time periods reminds readers about what values really spell home And the contributors celebrate a home based ministry by donating their royalties to Prison Fellowship **Contemporary Authors** Scot Peacock,2002-04 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details **The Storytellers' Collection** ,2001 **Bowker's Complete Video Directory, 1999** ,1999 **Index to Fairy Tales, Myths, and Legends** Mary Huse Eastman,1926 Eleven Nature Tales Pleasant DeSpain,1996 Provides a collection of nature tales and folktales from all over the world in an anthology designed to inspire young readers to appreciate nature and work toward saving the planet Reprint **The Healing Heart for Communities** Allison Cox,David Albert,2009-03-01 The only book of its kind that demonstrates the power of storytelling to heal **Treasured Time with Five-to-Ten-Year Olds** Jan Brennan,2006-01-10 Brennan has created a handbook of activities and pastimes for parents to enjoy with their children This book devotes one chapter to each month of the year offering activities recipes rhymes readings and games that are different yet uncomplicated Any parent can share them with materials they have on hand African-American Folktales for Young Readers Richard Young,Judy Dockrey Young,1993 A collection of folktales from the African American oral tradition presented as they have been told by professional black storytellers from Rhode Island to Oklahoma **The Transmission of Kapsiki-Higi Folktales over Two Generations** Walter E.A. van Beek,2016-11-03 This study on Kapsiki Higi tales compares two corpuses of stories collected over two generations In this oral setting folktales appear much more dynamic than usually assumed depending on genre performance and the memory characteristics of the tales themselves In northeastern Nigeria the author

collected these tales twice with a time gap of two generations in order to assess the dynamics of this oral transmission The comparison between the two corpuses shows that folktales are a much more dynamic cultural system than is usually thought These dynamics affect some types of tales more than others reflect social change and intergroup contact but also depend on characteristics of the tales themselves Cognitive approaches of memory shed light on these varieties of transmission as do performance aspects in tale telling in particular ideophones *The Heptameron* Marguerite De Navarre,2004-07-01 In the early 1500s five men and five women find themselves trapped by floods and compelled to take refuge in an abbey high in the Pyrenees When told they must wait days for a bridge to be repaired they are inspired by recalling Boccaccio s Decameron to pass the time in a cultured manner by each telling a story every day The stories however soon degenerate into a verbal battle between the sexes as the characters weave tales of corrupt friars adulterous noblemen and deceitful wives From the cynical Saffredent to the young idealist Dagoucine or the moderate Parlamente believed to express De Navarre s own views The Heptameron provides a fascinating insight into the minds and passions of the nobility of sixteenth century France The History of Chinese Folktales Liu Shouhua,2025-04-14 The History of Chinese Folktales is the first comprehensive study of Chinese folktale history spanning from the pre Qin period to the 20th century It references over 300 ancient texts and reviews more than 300 representative stories The book highlights three main research areas First motifs and types This involves identifying and categorizing various story motifs and types as well as analyzing subtypes to create a genealogy of folktales a process that reflects cultural exchanges among peoples Second cultural significance Employing historical materialism and cultural anthropology the book explores the cultural implications of folktales linking them to historical and cultural contexts to reveal their essence Third historical geographical comparison This involves a detailed examination of the life history of stories considering historical and geographical contexts to understand their essence and cultural flow

Folktales of Newfoundland (RLE Folklore) Herbert Halpert,J.D.A. Widdowson,2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator s language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case

The Elementary School Library Collection, Phases 1-2-3 ,1998 **The Storytellers' Journey** Joseph Daniel Sobol,1999 This is the seed of The Storytellers Journey Joseph Daniel Sobol s history of the past thirty years of American storytelling In this compelling examination of the contemporary search for myth Sobol explores the social and psychological roots of the

storytelling revival and the ever resurgent power of the storyteller Drawing on interviews with dozens of storytellers around the country Sobol paints the revival as part of a larger process of cultural revitalization He traces the growth of the preeminent revival organization the National Association for the Preservation and Perpetuation of Storytelling NAPPS and details the individual passions the organizational politics and the economic social and mythic forces that have combined to transform a ragtag assemblage of enthusiasts into a national and international network of arts professionals A seemingly chance encounter between a restlessly ambitious high school teacher and a coonhunting tale on the car radio sets off a chain of inspirations that changes the face of a small southern town touches lives across America and revitalizes a homely but treasured art form Varia Folklorica Alan Dundes,2011-07-22 No detailed description available for Varia Folklorica

The Cambridge History of Italian Literature Peter Brand,1996 There is no doubt that the present splendid volume is likely to remain unrivalled for many years to come for width of coverage richness of detail and elegance of presentation Modern Language Reviews **The Bear and His Sons** James M. Taggart,2010-07-05 All the world over people tell stories to express their deepest feelings about such things as what makes a real man or woman what true love courage or any other virtue is what the proper relationships are between people Often groups of people widely separated by space or time will tell the same basic story but with differences in the details that reveal much about a particular group s worldview This book looks at differences in the telling of several common Hispanic folktales James Taggart contrasts how two men a Spaniard and an Aztec speaking Mexican tell such tales as The Bear s Son He explores how their stories present different ways of being a man in their respective cultures Taggart s analysis contributes to a revision of Freud s theory of gender which was heavily grounded in biological determinism Taggart focuses instead on how fathers reproduce different forms of masculinity in their sons In particular he shows how fathers who care for their infant sons teach them a relational masculinity based on a connected view of human relationships Thus The Bear and His Sons will be important reading not only in anthropology and folklore but also in the growing field of men s studies *Thirty-three Multicultural Tales to Tell* Pleasant DeSpain,1993 A collection of folktales from around the world selected for their tellability
