The Strangest Tribe How A Group Of Seattle Rock Bands Invented Grunge

Ronen Givony

The Strangest Tribe How A Group Of Seattle Rock Bands Invented Grunge:

The Strangest Tribe Stephen Tow, 2011-09-20 Grunge isn't dead but was it every truly alive Twenty years after the height of the movement The Strangest Tribe redefines grunge as we know it Stephen Tow takes a second look at the music and community that vaulted the likes of Nirvana Pearl Jam Mudhoney and Soundgarden to international fame Chock full of interviews with the starring characters Tow extensively chronicles the rise of rock n roll's last great statement and contextualizes what the music really meant to the key players Delving deep into the archives Tow paints a vivid picture of the underground rock circuit of tattered warehouses and community centers Seattle's heady punk scene of the late 80s gave birth to a rowdy and raucous movement influenced by metal but wholly its own Seattle made its own sound a sound that came to be known internationally as grunge Tow walks the reader through this sonic evolution interviewing members of every band along the way In 1991 Seattle's sound took the world by storm but this same storm had been brewing in the Pacific Northwest for a decade before it hit MTV The Strangest Tribe is a reframing of this last transformative era in music Not just plaid shirts bleached hair and angst grunge is a word used to describe a rich community of artists and jokers

Andy Wood. To live, die and shine in pre-grunge Seattle Valeria Sgarella, 2022-03-31 The book introduces the life and career of the late Andrew Wood a key figure in the Seattle pre grunge music scene from his early band Malfunkshun to Mother Love Bone up to the process that ultimately gave birth to Pearl Jam via Temple Of The Dog First released in 2016 as the very first publication on Andy Wood worldwide the book includes conversations with people in Wood's closest circle among others his mother Toni Wood his brother Kevin Wood his longtime friend and bandmate Regan Hagar former Mother Love Bone members Stone Gossard Greg Gilmore and Bruce Fairweather Seattle producer Jack Endino and Mudhoney's Mark Arm and Steve Turner Plus the book includes previously unseen pictures and documents which testify an unrepeatable time in music and help understand Wood's multifaceted and unique personality Often referred to as the pioneer of grunge Wood was a true groundbreaking and gender fluid icon whose legacy is still relevant Now more than ever *Lamestains* Nicholas Attfield, 2023-11-12 A surprising history of Seattle's Sub Pop Records pioneer of grunge and champion of losers This book is a critical history of Sub Pop Records the Seattle independent rock label that launched the careers of countless influential grunge bands in the late 1980s and early 1990s It focuses in particular on the languages and personas of the loser a term that encompassed the label's founders and personnel its flagship bands including Mudhoney TAD and Nirvana and the avid vinyl collecting fans it rapidly amassed The loser became and remains the key Sub Pop identity but it also grounded the label in the overt masculinity sexism and transgression of rock history Rather than the usual reading of grunge as an alternative to the mainstream Lamestains reveals a more equivocal and complicated relationship that Sub Pop exploited with great success

The DIY Movement in Art, Music and Publishing Sarah Lowndes, 2016-04-20 This book considers the history of Do It Yourself art music and publishing demonstrating how DIY strategies have transitioned from being marginal to

emergent to embedded Through secondary research observation and 30 original interviews each chapter analyses one of 15 creative cities San Francisco Los Angeles Dusseldorf New York London Manchester Cologne Washington DC Detroit Berlin Glasgow Olympia Washington Portland Oregon Moscow and Istanbul and assesses the contemporary situation in each in the post subcultural era of digital and internet technologies The book challenges existing subcultural histories by examining less well known scenes as well as exploring DIY best practices to trace a template of best approaches for sustainable independent locally owned creative enterprises

Youth Cultures in America Simon J. Bronner, Cindy Dell Clark, 2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems

Write in Tune: Contemporary Music in Fiction Erich Hertz, Jeffrey Roessner, 2014-05-22 Contemporary popular music provides the soundtrack for a host of recent novels but little critical attention has been paid to the intersection of these important art forms Write in Tune addresses this gap by offering the first full length study of the relationship between recent music and fiction With essays from an array of international scholars the collection focuses on how writers weave rock punk and jazz into their narratives both to develop characters and themes and to investigate various fan and celebrity cultures surrounding contemporary music Write in Tune covers major writers from America and England including Don DeLillo Jonathan Franzen Zadie Smith and Jim Crace But it also explores how popular music culture is reflected in postcolonial Latino and Australian fiction Ultimately the book brings critical awareness to the power of music in shaping contemporary culture and offers new perspectives on central issues of gender race and national identity

Gimme Indie Rock Andrew Earles, 2014-09-15 The ultimate guide to one of the most revered periods and movements in American rock history The 1980s are one of the most ridiculed and parodied epochs in popular music what with all the skinny lapels synthesizers spandex and Aqua Net However music fans in the know recognize that beneath the glossy veneer broiled a revolutionary movement of self directed anti corporate punk influenced bands that created a nationwide network from the ground up thanks to independently recorded releases photocopied fanzines and self financed

tours In Gimme Indie Rock music journalist Andrew Earles describes 500 essential indie rock albums released by 308 bands and artists from coast to coast in markets large and small From giants of the movement Black Flag the Minutemen Mission of Burma Fugazi Superchunk Melvins Dead Kennedys Minor Threat Hsker D the Replacements Sonic Youth Mudhoney Dinosaur Jr Big Black the Pixies to more obscure bands which nonetheless made their own impacts Jesus Lizard Cows Low Mercury Rev Polvo Squirrel Bait Karp Bongwater Naked Raygun Sun City Girls and many others and scores of artists who still await their proper due Fly Ashtray Dumptruck Truly Man Sized Action Steel Pole Bathtub godheadSilo Sorry Team Dresch Further Grifters World of Pooh Trumans Water Malignus Youth Eggs and many more Earles provides an exhaustive album guide to the era Earles also features those bands that cut their teeth on the indie circuit but graduated to a greater degree of mainstream recognition in the late 1980s and early 1990s acts like R E M Soul Asylum Urge Overkill Hole Smashing Pumpkins and Nirvana making Gimme Indie Rock is the definitive manual for the best of American indie music made between 1981 and 1996

Not for You Ronen Givony, 2021-10-21 There has never been a band like Pearl Jam The Seattle quintet has recorded eleven studio albums sold some 85 million records played over a thousand shows in fifty countries and had five different albums reach number one But Pearl Jam s story is about much more than music Through resilience integrity and sheer force of will they transcended several eras and shaped the way a whole generation thought about art entertainment and commerce Not for You Pearl Jam and the Present Tense is the first full length biography of America s preeminent band from Ten to Gigaton A study of their role in history from Operation Desert Storm to the Dixie Chicks Jeremy to Columbine Kurt Cobain to Chris Cornell Ticketmaster to Trump Not for You explores the band s origins and evolution over thirty years of American culture It starts with their founding and the eruption of grunge in 1991 continues through their golden age Vs Vitalogy No Code and Yield their middle period Binaural Riot Act and the more divisive recent catalog Along the way it considers the band s activism idealism and impact from W M A to the Battle of Seattle and Body of War More than the first critical study Not for You is a tribute to a famously obsessive fan base in the spirit of Nick Hornby s Fever Pitch It s an old fashioned if at times ambivalent appreciation a reflection on pleasure fandom and guilt and an essay on the nature of adolescence nostalgia and adulthood Partly social history partly autobiography and entirely outspoken discursive and droll Not for You is the first full length treatment of Pearl Jam s odyssey and importance in the culture from the 90s to the present

We're Not Here to Entertain Kevin Mattson, 2020 Kevin Mattson offers a history of punk rock in the 1980s He documents how kids growing up in the sedate world of suburbia created their own culture through DIY tactics Punk spread across the continent in the 1980s as it found expression in different media including literature art and poetry Punks dissented against Reagan s presidency accusing the entertainer in chief of being mean and duplicitous especially when it came to nuclear war and his policies in Central America Mattson has dived deep into archives to make his case that this youthful dissent meant something more than just a style of mohawks or purple hair

Please Allow Me to Introduce

Myself: Essays on Debut Albums George Plasketes, 2016-04-22 Debut albums are among the cultural artefacts that capture the popular imagination especially well As a first impression the debut album may take on a mythical status whether the artist or group achieves enduring success or in rare cases when an initial record turns out to be an apogee for an artist Whatever the subsequent career trajectory the debut album is a meaningful text that can be scrutinized for its revelatory signs and the expectations that follow Please Allow Me to Introduce Myself Essays on Debut Albums tells the stories of 23 debut albums over a nearly fifty year span ranging from Buddy Holly and the Crickets in 1957 to The Go Team in 2004 In addition to biographical background and a wealth of historical information about the genesis of the album each essay looks back at the album and places it within multiple contexts particularly the artist's career development In this way the book will be of as much interest to sociologists and historians as to culture critics and musicologists

The Pleasures of Death Arthur Flannigan Saint-Aubin, 2020-12-09 The year 2019 marked the twenty fifth anniversary of the death of Kurt Cobain an artist whose music words and images continue to move millions of fans worldwide As the first academic study that provides a literary analysis of Cobain's creative writings Arthur Flannigan Saint Aubin's The Pleasures of Death Kurt Cobain's Masochistic and Melancholic Persona approaches the journals and songs crafted by Nirvana's iconic front man from the perspective of cultural theory and psychoanalytic aesthetics Drawing on critiques and reformulations of psychoanalytic theory by feminist queer and antiracist scholars Saint Aubin considers the literary means by which Cobain creates the persona of a young white heterosexual man who expresses masochistic and melancholic behaviors On the one hand this individual welcomes pain and humiliation as atonement for unpardonable sins on the other he experiences a profound sense of loss and grief seeking death as the ultimate act of pleasure The first person narrators and characters that populate Cobain's texts underscore the political and aesthetic repercussions of his art Cobain's distinctive version of grunge understood as a subculture a literary genre and a cultural practice represents a specific performance of race and gender one that facilitates an understanding of the self as part of a larger social order Saint Aubin approaches Cobain's writings independently of the artist's biography positioning these texts within the tradition of postmodern representations of masculinity in twentieth century American fiction while also suggesting connections to European Romantic traditions from the nineteenth century that postulate a relation between melancholy or depression and creativity In turn through Saint Aubin's elegant analysis Cobain's creative writings illuminate contradictions and inconsistencies within psychoanalytic theory itself concerning the intersection of masculinity masochism melancholy and the death drive By foregrounding Cobain's ability to challenge coextensive links between gender sexuality and race The Pleasures of Death reveals how the cultural politics and aesthetics of this tragic icon's works align with feminist strategies invite queer readings and perform antiracist critiques of American culture

Unspooled Rob Drew, 2023-12-11 Well into the new millennium the analog cassette tape continues to claw its way back from obsolescence New cassette labels emerge from hipster enclaves while the cassette's likeness pops up on T

shirts coffee mugs belt buckles and cell phone cases In *Unspooled* Rob Drew traces how a lowly hissy format that began life in office dictation machines and cheap portable players came to be regarded as a token of intimate expression through music and a source of cultural capital Drawing on sources ranging from obscure music zines to transcripts of Congressional hearings Drew examines a moment in the early 1980s when music industry representatives argued that the cassette encouraged piracy At the same time 1980s indie rock culture used the cassette as a symbol to define itself as an outsider community Indie s love affair with the cassette culminated in the mixtape which advanced indie s image as a gift economy By telling the cassette s long and winding history Drew demonstrates that sharing cassettes became an acceptable and meaningful mode of communication that initiated rituals of independent music recording re recording and gifting

Mudhoney Keith Cameron,2014-03-21 *DIVMudhoney* The Sound and the Fury from Seattle is the first ever history of Mudhoney the four man Seattle band that invented grunge written with the band s full cooperation div *Not For You.
