

The background of the cover is a painting of a narrow, cobblestone street in a city. The street is wet, reflecting the light, suggesting it has recently rained. A person, seen from behind, is walking away from the viewer down the center of the street. They are holding a large, vibrant red umbrella that stands out against the muted, greyish tones of the buildings and pavement. The buildings on either side are tall and old, with many windows. The overall mood is quiet and atmospheric.

basin of soup The Portier was not pleasant to the eye His nightshirt was open over his hairy chest and his feet were bare to the stone floor But to Harmony that lonely night he was beautiful She tried to speak and could not but she held out her hand in impulsive gratitude and the Portier in his best manner bent over and kissed it As she reached the curve of the stone staircase carrying her tiny candle the Portier was following her with his eyes She was very like the girl of the opera The clang of the door below and the rattle of the chain were comforting to Harmony s ears From the safety of the darkened salon she peered out into the garden again but no skulking figure detached itself from the shadows and the gate remained for a marvel closed Taken from The Street of Seven Stars written by Mary Roberts Rinehart The Amazing Interlude/The Street of Seven Stars Mary Roberts Rinehart,2000-12 The Essential Rinehart Collection continues with Volume 5 of Mary Roberts Rinehart s novels Set during World War I The Amazing Interlude is both a haunting romance and a mystery A young woman Sara Lee joins the Red Cross travels to Europe and changes her life forever The Street of Seven Stars is an atmospheric mystery set in long ago Austria Take a trip back in time and experience the danger first hand **The Street of Seven Stars (Classic Reprint)** Mary Roberts Rinehart,2015-07-11 Excerpt from The Street of Seven Stars The old stucco house sat back in a garden or what must once have been a garden when that part of the Austrian city had been a royal game preserve Tradition had it that the Empress Maria Theresa had used the building as a hunting lodge and undoubtedly there was something royal in the proportions of the salon With all the candles lighted in the great glass chandelier and no sidelights so that the broken paneling was mercifully obscured by gloom it was easy to believe that the great empress herself had sat in one of the tall old chairs and listened to anecdotes of questionable character even if tradition may be believed related not a few herself The chandelier was not lighted on this rainy November night About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
