The Stylistics Of Poetry Context Cognition Discourse History Advances In Stylistics:

The Stylistics of Poetry Peter Verdonk, 2013-08-15 Written over the last thirty years this collection of Professor Peter Verdonk's most important work on the stylistics of poetry clearly shows that the stylistics of poetic discourse is a diverse and valuable interdiscipline. Discussing the poetry of Auden, Heaney and Larkin amongst many others, Verdonk covers everything from intrinsic textual meaning and external context in its widest sense to the reader's cognitive and emotive response to poems. The book will appeal to all students on stylistics and literary linguistics courses especially those focussing on poetry and poetic language.

The Stylistics of Poetry Peter Verdonk, 2013-10-10 A career long overview of the work of Verdonk covering the development of the stylistics of poetry. **A/AS Level English Language and Literature for AQA Student Book**

Marcello Giovanelli, Andrea Macrae, Felicity Titjen, Ian Cushing, 2015-07-09 A new series of bespoke full coverage resources developed for the 2015 A Level English qualifications. Endorsed for the AQA A/AS Level English Language and Literature specification for first teaching from 2015, this print Student Book offers stretch opportunities for the more able and additional scaffolding for those who need it. Providing full coverage of the specification, the unique three-part structure bridges the gap between GCSE and A Level and develops students' understanding of descriptive linguistics and literary and non-literary stylistics together with support for the revised coursework component and new textual intervention task. An enhanced digital edition and free Teacher's Resource are also available. *Stylistics* Jane Lugea, Brian Walker, 2023-10-03 This textbook introduces the reader to contemporary approaches to language analysis such as cognitive stylistics and corpus stylistics, reflecting recent shifts in research trends and offering students a practical way to access and understand these developments. The authors lead readers through detailed explanations, guided analyses, examples of research and suggestions for further reading. This textbook makes an ideal introduction to the field of stylistics for students who are new to the area but who have some background in basic language analysis. It will be of use to students on courses in stylistics, literary linguistics, corpus methods, cognitive linguistics and language and style. **Cognitive Approaches to Old English Poetry**

Antonina Harbus, 2012 Offers an entirely new way of interpreting and examining Anglo-Saxon texts via theories derived from cognitive studies. A major thoughtful study applying new and serious interpretative and critical perspectives to a central range of Old English poetry. Professor John Hines, Cardiff University. Cognitive approaches to literature offer new and exciting ways of interpreting literature and mentalities by bringing ideas and methodologies from Cognitive Science into the analysis of literature and culture. While these approaches are of particular value in relation to understanding the texts of remote societies, they have to date made very little impact on Anglo-Saxon Studies. This book therefore acts as a pioneer, mapping out the new field, explaining its relevance to Old English Literary Studies and demonstrating in practice its application to a range of key vernacular poetic texts including *Beowulf*, *The Wanderer* and poems from the Exeter Book. Adapting key ideas from three related fields: Cognitive Literary Cultural Studies, Cognitive Poetics and Conceptual Metaphor Theory in conjunction

with more familiar models derived from Literary Analysis Stylistics and Historical Linguistics allows several new ways of thinking about Old English literature to emerge It permits a systematic means of examining and accounting for the conceptual structures that underpin Anglo Saxon poetics as well as fuller explorations at the level of mental processing of the workings of literary language in context The result is a set of approaches to interpreting Anglo Saxon textuality through detailed studies of the concepts mental schemas and associative logic implied in and triggered by the evocative language and meaning structures of surviving works ANTONINA HARBUS is Professor in the Department of English at Macquarie University Sydney Australia

Literature in Language Education Geoff Hall, 2015-07-06 A state of the art critical review of research into literature in language education of interest to teachers of English and modern foreign languages Includes prompts and principles for those who wish to improve their own practice or to engage in projects or research in this area

Contemporary Stylistics Marina Lambrou, Peter Stockwell, 2007-12-14 Contemporary Stylistics presents a comprehensive survey of the current state of the integrated study of language and literature Written by internationally renowned researchers in stylistics this volume of twenty chapters provides a showcase for the range of approaches and practices which form modern stylistics from cognitive poetics to corpus linguistics from explorations of mind style and spoken discourse in narrative to the workings of viewpoint in lyric poetry from word meanings to the meanings and emotions of literary worlds and more Each chapter is introduced and set in context by a key figure in stylistics The book represents the

best of current stylistics practice including the traditions roots and rigour of the discipline This one volume reference will be invaluable to students and researchers in stylistics Arts & Humanities Citation Index ,1995 *Subject Guide to Books in Print* ,1996 **Contemporary Stylistics** Alison Gibbons,2018-02-01 Contemporary Stylistics introduces the theoretical principles and practical frameworks of stylistics and cognitive poetics supplying the practical skills to analyse your own responses to literary texts **Cognitive Stylistics** Elena Semino,Jonathan Culpeper,2002-11-05 This book represents the state of the art in cognitive stylistics a rapidly expanding field at the interface between linguistics literary studies and cognitive science The twelve chapters combine linguistic analysis with insights from cognitive psychology and cognitive linguistics in order to arrive at innovative accounts of a range of literary and textual phenomena The chapters cover a variety of literary texts periods and genres including poetry fictional and non fictional narratives and plays Some of the chapters provide new approaches to phenomena that have a long tradition in literary and linguistic studies such as humour characterisation figurative language and metre others focus on phenomena that have not yet received adequate attention such as split selves phenomena mind style and spatial language This book is relevant to students and scholars in a wide range of areas within linguistics literary studies and cognitive science **Stylistics and Social Cognition** ,2007-01-01 This volume of articles comprises papers from the 25th annual conference of the Poetics and Linguistics Association PALA which was held at the University of Huddersfield England in July 2005 The theme of the conference was Stylistics and Social Cognition and as usual at a PALA conference this theme was interpreted very widely by the participants as the reader of this book will no doubt conclude At the heart of this volume there is something of a reaction against the cognitive developments in stylistics which might be seen as being in danger of privileging the individual interpretation of literature over something more social The concern is to consider whether there is a more collective approach that could be taken to the meaning of text and whether recent insights from cognitive stylistics could work with this idea of collectivity to define something we might call commonality of meaning in texts Stylistics and Social Cognition will be of interest to those working in stylistics and other text analytic fields such as critical discourse analysis and those concerned with notions of interpretation collective meaning and human communication **The State of Stylistics** Poetics and Linguistics Association. Conference,2008 The State of Stylistics contains a broad collection of papers that investigate how stylistics has evolved throughout the late 20th and early 21st centuries In so doing it considers how stylisticians currently perceive their own respective fields of enquiry It also defines what stylistics is and how we might use it in research and teaching This book represents an excellent snapshot of the discipline of stylistics in all its range As well as theoretical positioning by some key figures in the field it covers the main dimensions of cognitive computational and discoursal approaches to literary stylistics and it does not neglect the practical pedagogy that is the artisanal bedrock of the discipline There is valuable work here that showcases the international reach of stylistics Professor Peter Stockwell School of English Studies University of Nottingham Language and Style Dan

McIntyre, Beatrix Busse, 2020-09-03 Inspired by Exploring the Language of Poems Plays and Prose Mick Short's classic introduction to stylistics Language and Style represents the state of the art in literary stylistics and encompasses the full breadth of current research in the discipline Written by leading scholars in the field chapters cover a variety of methodological and analytical approaches from traditional qualitative analysis to more recent developments in cognitive and corpus stylistics Addressing the three key literary genres of poetry drama and narrative Language and Style is divided into carefully balanced sections Based on original research each chapter demonstrates a particular analytic technique and explains how this might be applied to a text from one of the literary genres Framed by helpful introductory material covering the foundational principles of stylistics the chapters act as practical exemplars of how to carry out stylistic analysis Comprehensive and engaging this invaluable resource is essential reading for anyone interested in stylistics

Contextualized Stylistics Tony Bex, Michael Burke, Peter Stockwell, 2000 The articles in Contextualized Stylistics written especially to honour the work of Peter Verdonk one of the leading figures in the field of stylistics over the last twenty years represent the state of the art in literary linguistics A wide range of approaches from traditional stylistic analysis to innovative new directions is to be found here in literary contexts as varied as the writings of Chaucer Shakespeare Donne Pope Sterne Browning Yeats Auden Joyce British surrealist poetry urban and political graffiti Charlotte Perkins Gilman Jane Gardam contemporary Anglo Irish fiction modern comic satire and Flann O'Brien Among the contributors are some of the foremost theorists and practitioners working in the field today Walter Nash Peter Stockwell Willie van Peer Keith Green Tony Bex Michael Burke Mick Short Jonathan Culpeper Elena Semino Michael Toolan Jean Jacques Weber Gerard Steen Henry Widdowson and Paul Simpson Olga Fischer and Katie Wales contribute a Foreword and Ronald Carter an Afterword A number of Professor Verdonk's colleagues have also contributed articles from a more literary perspective This book is an essential addition to the personal library of any researcher interested in the interface and connections between language and literature and it would make an excellent course reader for undergraduate students in both literary and linguistic studies

Language, Text and Context Michael Toolan, 2016-11-18 First published in 1992 this wide ranging collection of essays focuses on the principle of contextualisation as it applies to the interpretation description theorising and reading of literary and non literary texts The collection aims to reveal the interdependencies between theory analysis text and context by challenging the myth that stylistics entails a fundamental separation of text from context linguistic description from descriptive interpretation or language from situation The essays cover a historically diverse set of texts from Puttenham to Colemanballs and a number of language sensitive topics such as post modernism irony newspaper representations gender and narrative
