The Subjective Truths In The Holy Scriptures:

The Subjective Truths in the Holy Scriptures Witness Lee, 2000-08-01 The Bible unveils many divine truths concerning our outward objective relationship with God such as God as our creator and Christ as our advocate before God. Even more however it speaks of an inward subjective relationship with God. It unveils Christ as our food, our drink, and our living breath, and it reveals that Christ is not only in the heavens but also within us, his many believers. In *The Subjective Truths In The Holy Scriptures* Witness Lee presents an overview of many subjective truths concerning God who gave himself as food to be enjoyed by man, concerning Christ who is our life, concerning the spirit of reality who comes to the believers that they may enjoy God experientially, concerning the church which is his organic Body and the manifestation of God in the flesh, and concerning the Christian experience of God's divine life from regeneration to glorification. *The Ministry, Vol. 11, No. 02* Various Authors, 2007-02-01 This issue of *The Ministry* contains a complete record of the nine messages given during the International Training for Elders and Responsible Ones held in Whistler, British Columbia, Canada, October 5-7, 2006. The general subject of the training was *Shepherding the Flock of God*. These messages are a continuation of the training given in the spring of 2006, see *The Ministry* Vol 10 No 5. The burden of these messages is not about the technique of shepherding but about what we are in our person and how we behave in the church. This is according to Paul's word to the elders in Ephesus in Acts 20. He said, "Take heed to yourselves and to all the flock." v 28. We first need to take care of ourselves to be shepherded in our own person before we take care of all the flock. Messages 1 and 2 show us that our shepherding must be according to the plan of God and the word of God according to the teaching of the apostles and according to God. These form the basis of our shepherding. Messages 3, 5, and 7 show us that our shepherding is in our living by the grace of God in an organic way according to His initiation and with our cooperation and in dealing with peculiarity. These are the conditions of our shepherding. Messages 4, 6, and 8 show us that our goal must be to shepherd the saints into the faith of the truth into a life of living through dying and into a life of prayer for the organic practice of the God-ordained way in the vital groups. Finally in Message 9, if the elders are constituted with the basis, the conditions, and the goal of shepherding the flock of God, will be shepherded to know the Body of Christ. May the Lord speak to us His light-shedding and life-imparting word. Last of all we include letters and reports concerning the recent gospel move in the Russian-speaking world. *The Collected Works of Witness Lee, 1977, volume 3* Witness Lee, 2021-05-28 *The Collected Works of Witness Lee 1977 volume 3* contains messages given by Brother Witness Lee from September 15 through December 21.
