celebrated in the past **Double Take! a Christmas Pageant As Told by Matthew and Luke** Dennis Hartin,2008-02
Dennis Hartin has created a wonderful and humorous way to help children youth and perhaps even some adults to learn the differences between how the Christmas story is told in the books of Matthew and Luke Act One tells the Christmas story as we learn it from the book of Matthew complete with Joseph Mary Herod and Magi Acts Two and Three tell the story as found in Luke you hear from Gabriel Zachariah Elizabeth Mary Joseph shepherds and the Herald Angel Double Take is designed for a production with no set no budget no live musical accompaniment and where the cast reads from their scripts Only two full cast rehearsals are needed The cast is arranged so that only one speaker appears in more than one act The group can rehearse all three acts not including the music during the first rehearsal Vocal piano scores for the sung music selections of the pageant are included Length 35 45 minutes Cast Up to 20 or more speaking parts plus additional opportunities for non speaking parts **The Maverick's Holiday Surprise** Karen Rose Smith,2016-11-01 Rust Creek Ramblings A WEDDING IN THE WORKS We here at the Gazette are amazed to report that trust fund cowboy Hudson Jones may soon be off the market The boyish billionaire has been spending more time than ever with Bella Stockton who manages his day care center It seems impossible that quiet reserved Bella would have captured the fancy of such an alluring specimen of manhood Bella finds it hard to believe herself and she keeps pushing Hudson away What are the odds the footloose cowboy will stick around once he finds out she can t have kids Don t tell Bella but our sources report Hudson has his heart set on a Christmas proposal When he finds out the truth will it still be a holiday to remember **So Close to Amazing** KariAnne Wood,2017-09-05 This is a book celebrating the incredible awesome special individual within each of us It s also a book for anyone who has ever mismatched her shoes or trimmed her own bangs when a professional might have been a better choice or added too much soap to the washer and watched it overflow Not that KariAnne Wood has ever done any of these things Fans of The Magnolia Story and The Pioneer Woman will love this debut memoir from the beloved Thistlewood Farms blogger So Close to Amazing is a collection of hilarious and heartfelt reflections on getting it almost right and how instead of giving up we can choose to simply embrace our real selves right where we are It s a story of transparency and honesty and recognizing that perfection is completely overemphasized and overrated It s about grace and learning from mistakes and rejoicing in every victory no matter how small Because when you find joy in the you God created you to be you ll discover the amazing that was there all along Contains beautiful DIY project ideas anyone can do whether you re Pinterest perfect or craft challenged homemade signs centerpieces recipe walls and more [The Backward Christmas Pageant](#) Dennis Hartin,2003-08-01 This will change everything people say when something new or dramatic happens in their lives and often it does just that How do we tell the story of how the birth of Christ changed things long ago and how it continues to change things Tell the story backward Part of the point of The Backward Christmas Pageant is that time doesn t matter in this story The birth of a baby two thousand years ago changed everything God s grace is timeless The pageant ends with This will change everything This pageant is

designed for a production with no set no budget no live musical accompaniment and where the cast reads from their scripts If you have a set budget live accompaniment and decide to memorize it all you can still perform this pageant Cast members and production staff should be dressed to approximate shepherds Mary and Joseph wise men and angels with costumes and props Only two full cast rehearsals are needed The cast is arranged so that only one speaker appears in more than one act The group can rehearse all three acts not including the music during the first rehearsal This allows each child to spend time practicing rather than waiting for a turn to say their lines The second rehearsal is just a matter of going straight through the script with actors and musicians This pageant can be staged with as few or as many sets costumes and props as you desire It works equally well with no costumes or sets read with scripts in hand as it does with a full production of costumes scenery and every word memorized Vocal piano scores for the sung music selections of the pageant are included The arrangements of the Christmas carols used during and between the acts afford you the option of having a choir a soloist or instrumentalists or others to participate in the pageant Length 35 45 minutes Cast Up to 25 speaking parts plus additional opportunities for non speaking parts
