The Syndicalist Tradition And Italian Fascism:

The Syndicalist Tradition and Italian Fascism David D. Roberts, 1979 The Civic Foundations of Fascism in Europe Dylan Riley, 2019-01-15 Drawing on a Gramscian theoretical perspective and developing a systematic comparative approach *The Civic Foundations of Fascism in Europe* challenges the received Tocquevillian consensus on authoritarianism by arguing that fascist regimes just like mass democracies depended on well organised rather than weak and atomised civil societies In making this argument the book focuses on three crucial cases of interwar authoritarianism Italy Spain and Romania selected because they are all counterintuitive from the perspective of established explanations while usefully demonstrating the range of fascist outcomes in interwar Europe *Civic Foundations* argues that in all three cases fascism emerged because of the rapid development of voluntary associations combined with weakly developed political parties among the dominant class thus creating a crisis of hegemony Riley then traces the specific form that this crisis took depending on the form of civil society developed autonomous as in Italy elite dominated as in Spain or state dominated as in Romania in the nineteenth century

Mussolini and the Eclipse of Italian Fascism R. J. B. Bosworth, 2021-03-02 An incisive account of how Mussolini pioneered populism in reaction to Hitler's rise and thereby reinforced his role as a model for later authoritarian leaders On the tenth anniversary of his rise to power in 1932 Benito Mussolini 1883 1945 seemed to many the good dictator He was the first totalitarian and the first fascist in modern Europe But a year later Hitler's entrance onto the political stage signaled a German takeover of the fascist ideology In this definitive account eminent historian R J B Bosworth charts Mussolini's leadership in reaction to Hitler Bosworth shows how Italy's decline in ideological pre-eminence as well as in military and diplomatic power led Mussolini to pursue a more populist approach angry and bellicose words at home violent aggression abroad and a more extreme emphasis on charisma In his embittered efforts to bolster an increasingly hollow and ruthless regime it was Mussolini rather than Hitler who offered the model for all subsequent authoritarians The Routledge

Companion to Fascism and the Far Right Peter Davies, Derek Lynch, 2005-08-16 *The Routledge Companion to Fascism and the Far Right* is an engaging and accessible guide to the origins of fascism the main facets of the ideology and the reality of fascist government around the world In a clear and simple manner this book illustrates the main features of the subject using chronologies maps glossaries and biographies of key individuals As well as the key examples of Hitler's Germany and Mussolini's Italy this book also draws on extreme right wing movements in Latin America Eastern Europe and the Far East In a series of original essays the authors explain the complex topics including the roots of fascism fascist ideology fascism in government and opposition nation and race in fascism fascism and society fascism and economics fascism and diplomacy

Italian Fascism, 1915-1945 Philip Morgan, 2017-03-14 It is now 80 years since Mussolini's Fascism came to power in Italy but the political heirs of the original Fascism are part of government in today's Italy The resurgence of neo fascist and neo Nazi extremism all over Europe are a reminder of the continuing place of fascism in contemporary European society despite

its political and military defeat in 1945 This thoroughly revised updated and expanded edition provides a critical and comprehensive overview of the origins of Fascism and the movement s taking and consolidation of power Philip Morgan Explains how the experience of the First World War created Fascism Describes how the unsettled post war conditions in Italy enabled an initially small group of political adventurers around Mussolini to build a large movement and take power in 1922 Focuses on the workings of the first ever totalitarian system and its impacts on the lives and outlooks of ordinary Italians Considers the meshing of internal fascistisation and expansionism which emerged most clearly after 1936 as Italy became more closely aligned with Nazi Germany Examines the demise of Italian Fascism between 1943 and 1945 as Mussolini and his party became the puppets of Nazism Provides an explanation and interpretation of Fascism locating it in contemporary history and taking account of recent debates on the nature of the phenomenon Clear and approachable this essential text is ideal for anyone interested in Italy s turbulent political history in the first half of the 20th century **Critical Theory to**

Structuralism David Ingram,2014-09-11 Philosophy in the middle of the 20th Century between 1920 and 1968 responded to the cataclysmic events of the time Thinkers on the Right turned to authoritarian forms of nationalism in search of stable forms of collective identity will and purpose Thinkers on the Left promoted egalitarian forms of humanism under the banner of international communism Others saw these opposed tendencies as converging in the extinction of the individual and sought to retrieve the ideals of the Enlightenment in ways that critically acknowledged the contradictions of a liberal democracy racked by class cultural and racial conflict Key figures and movements discussed in this volume include Schmitt Adorno and the Frankfurt School Arendt Benjamin Bataille French Marxism Black Existentialism Saussure and Structuralism Levi Strauss Lacan and Late Pragmatism These individuals and schools of thought responded to this modernity crisis in different ways but largely focused on what they perceived to be liberal democracy s betrayal of its own rationalist ideals of freedom equality and fraternity **The Primacy of Politics** Sheri Berman,2006-08-07 Political history in the industrial

world has indeed ended argues this pioneering study but the winner has been social democracy an ideology and political movement that has been as influential as it has been misunderstood Berman looks at the history of social democracy from its origins in the late nineteenth century to today and shows how it beat out competitors such as classical liberalism orthodox Marxism and its cousins Fascism and National Socialism by solving the central challenge of modern politics reconciling the competing needs of capitalism and democracy Bursting on to the scene in the interwar years the social democratic model spread across Europe after the Second World War and formed the basis of the postwar settlement This is a study of European social democracy that rewrites the intellectual and political history of the modern era while putting contemporary debates about globalization in their proper intellectual and historical context *Twentieth Century Italy* Jonathan

Dunnage,2014-09-25 Following a historically chronological approach and with a clear focus on the marked regional diversity characterising Italy this volume analyses the impact of social economic cultural and political transformation on the lives of

Italians It assesses their living standards their health and education their working conditions and their leisure activities The final part of the book examines contemporary Italian society in the light of the political and moral crisis of the early 1990s

A Fascist Century R. Griffin,2008-08-20 Ten essays on the nature of fascism by a leading scholar in the field focusing on how to understand and apply fascist ideology to various movements since the twentieth century Mussolini s prophesied fascist century Includes studies of fascism s attempted temporal revolution Nazism as extended case study and fascism s postwar evolution

Modernism and Fascism R. Griffin,2007-05-22 Intellectual debates surrounding modernity modernism and fascism continue to be active and hotly contested In this ambitious book renowned expert on fascism Roger Griffin analyzes Western modernity and the regimes of Mussolini and Hitler and offers a pioneering new interpretation of the links between these apparently contradictory phenomena

Political Ideologies Vincent Geoghegan,2003-09-02 This informative and widely used text is now available in a third edition Building on the success of previous editions it continues to provide a clear and accessible introduction to the complexities of political ideologies The latest edition of Political Ideologies introduces and considers the future of all the most widely studied ideologies liberalism conservatism socialism democracy nationalism fascism ecologism and feminism sets each ideology clearly within its historical and political context includes a new final chapter that examines the impact of recent theoretical developments of ideologies and charts the challenges that they face in the twenty first century has been fully revised and up dated and provides an annotated guide for further reading

Equality Darrin M. McMahon,2023-11-14 The definitive history of the idea of equality and why we re so ambivalent about it Equality is in crisis Our world is filled with soaring inequalities spanning wealth race identity and nationality Yet how can we strive for equality if we don t understand it As much as we have struggled for equality we have always been profoundly skeptical about it How much do we want and for whom Darrin M McMahon s Equality is the definitive intellectual history tracing equality s global origins and spread from the dawn of humanity through the Enlightenment to today Equality has been reimagined continually in the great world religions and the politics of the ancient world by revolutionaries and socialists Nazis and fascists and postwar reformers and activists A magisterial exploration of why equality matters and why we continue to reimagine it Equality offers all the tools to rethink equality anew for our own age

The Conscription Society Gregory James Kasza,1995-01-01 The ability to organize millions of people for political purposes is a potent and relatively recent weapon in the struggle for power Political scientists have studied two types of mass organization the political party and the interest group In this book Gregory Kasza examines a third type which he calls the administered mass organization AMOs are mass civilian bodies created by authoritarian regimes to implement public policy Officials use them to organize youths workers women or members of other social sectors into bodies resembling the mass conscript army A network of AMOs produces a conscription society a major force in twentieth century politics in over 45 countries Using comparative history and organization theory Kasza analyzes the politics of the conscription society in both military and single

party regimes He discusses the origins of AMOs in Japan the Soviet Union and Fascist Italy and their subsequent spread to China Egypt Nazi Germany Peru Poland and Yugoslavia He focuses on the use of AMOs to curb political opposition to mobilize for war and to shift control over the means of production Kasza shows how in the hands of despotic rulers AMOs have contributed to the extremes of political barbarism characteristic of the twentieth century **Beyond the Fascist Century** Constantin Iordachi,Aristotle Kallis,2020-11-11 This book evaluates the current and future state of fascism studies reflecting on the first hundred years of fascism and looking ahead to a new era in which fascism studies increasingly faces fresh questions concerning its relevance and the potential reappearance of fascism This wide ranging work celebrates Roger Griffin s contributions to fascism studies in conceptual and definitional terms but also in advancing our understanding of fascism which have informed related research in a number of fields and directions since the 1990s Bringing together three generations of fascism scholars the book offers a combination of broad conceptual essays and contributions focusing on particular themes and facets of fascism The book features chapters which although diverse in their approaches explore Griffin s work while also engaging critically with other schools of thought As such it identifies new avenues of research in fascism studies placing Griffin s work within the context of new and emerging voices in the field *Mental Maps in the Era of Two World Wars* S. Casey,J. Wright,2008-07-11 This book explores the mental maps of leading political figures of the era of two world wars Chapters focus on those giants whose ideas cast a compelling shadow Lloyd George Lenin Mussolini Hitler Roosevelt Churchill Briand and Stresemann as well as other important figures Poincar Ataturk Bene Chiang and Mao The Totalitarian Experiment in Twentieth Century Europe David Roberts,2006-04-27 By developing a long term supranational perspective this ambitious multi faceted work provides a new understanding of totalitarianism the troubling common element linking Soviet communism Italian fascism and German Nazism The book s original analysis of antecedent ideas on the subject sheds light on the common origins and practices of the regimes Through this fresh appreciation of their initial frame of mind Roberts demonstrates how the three political experiments yielded unprecedented collective mobilization but also a characteristic combination of radicalization myth making and failure Providing deep historical analysis the book proves that totalitarianism best characterizes the common features in the originating aspirations the mode of action and even the outcomes of Soviet communism Italian fascism and German Nazism By enhancing our knowledge of what totalitarianism was and where it came from Roberts affords important lessons about the ongoing challenges possibilities and dangers of the modern political experiment Political Ideologies Robert Eccleshall,Vincent Geoghegan,Richard Jay,Michael Keeny,Ian MacKenzie,Richard Wilford,2014-03-21 Now in its fourth edition Political Ideologies An Introduction continues to be the best introductory textbook for students of political ideologies Completely revised and updated throughout this edition features A comprehensive introduction to all of the most important ideologies Brand new chapters on multiculturalism anarchism and the growing influence of religion on politics More contemporary examples of twenty first century iterations of liberalism

socialism conservatism fascism green political theory nationalism and feminism Enhanced discussion of the end of ideology debates and emerging theories of ideological formation Six new contributors Accessible and packed with both historical and contemporary examples this is the most useful textbooks for scholars and students of political ideologies The contributors to this volume have all taught or carried out research at the School of Politics International Studies and Philosophy of Queen s University Belfast or have close research connections with the School **Fascists and Conservatives** Martin

Blinkhorn,2012-11-12 First published in 1990 During the last twenty years prodigious scholarly effort has gone into the study of fascism and the right in twentieth century Europe Quite apart from the study of particular fascist and national socialist movements and of individual right wing regimes Fascist Italy the Third Reich Franco s Spain etc scholars have striven to locate the essential nature of fascism to determine what is distinctive about its ideas programmes policies and support to identify what if anything differentiates it from other forms of rightism and to decide whether a satisfactory definition of fascism can be arrived at This volume is intended to assist the further consideration of these and related problems **The**

Review of Italian American Studies Frank M. Sorrentino,Jerome Krase,2000-01-01 This collection of articles examines the complex nature of identity in the Italian American community Sorrentino and Krase have constructed a volume that covers topics of diverse interest such as the development of Italian American literary studies and the integration of a uniquely Italian American sensibility into a larger and dominant idea of European American culture As an erudite examination of contemporary studies being done on one of the largest ethnic groups in the United States this work is an essential addition to the ongoing and contentious debates about the nature of ethnicity identity assimilation and acculturation in the United States

Fascist Italy John Whittam,2024-07-30 Fascist Italy is a concise introduction to the phenomenon of Italian fascism and its impact The author balances an up to date re evaluation of political diplomatic and military developments with a full assessment of the more neglected domestic and cultural dimensions of the subject With the aid of documents and recent research on the subject this book presents an analysis of the origins of the movement the reasons behind its political success and the methods used to construct and consolidate a regime capable of resolving the problems of mass society in the 20th century Within his broad ranging analysis Whittam places particular emphasis on the attempts to exert social control the interaction of party and state the tension between revolutionary and conservative tendencies and on the role of Il Duce Mussolini s triumphs and failures in peace and war and his ultimate responsibility for the disintegration of the regime are discussed objectively

The Syndicalist Tradition And Italian Fascism Introduction

In today's digital age, the availability of The Syndicalist Tradition And Italian Fascism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Syndicalist Tradition And Italian Fascism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Syndicalist Tradition And Italian Fascism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Syndicalist Tradition And Italian Fascism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, The Syndicalist Tradition And Italian Fascism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Syndicalist Tradition And Italian Fascism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Syndicalist Tradition And Italian Fascism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, The Syndicalist Tradition And Italian Fascism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
