The Taliban Revival Violence And Extremism On The Pakistan Afghanistan Frontier

taliban Revival Hassan Abbas, 2014-06-24 In autumn 2001 U S and NATO troops were deployed to Afghanistan to unseat the Taliban rulers repressive Islamic fundamentalists who had lent active support to Osama bin Laden s Al Qaeda jihadists The NATO forces defeated and dismantled the Taliban government scattering its remnants across the country But despite a more than decade long attempt to eradicate them the Taliban endured regrouping and reestablishing themselves as a significant insurgent movement Gradually they have regained control of large portions of Afghanistan even as U S troops are preparing to depart from the region In his authoritative and highly readable account author Hassan Abbas examines how the Taliban not only survived but adapted to their situation in order to regain power and political advantage Abbas traces the roots of religious extremism in the area and analyzes the Taliban s support base within Pakistan s Federally Administered Tribal Areas In addition he explores the roles that Western policies and military decision making not to mention corruption and incompetence in Kabul have played in enabling the Taliban s return to power

The Return of the Taliban Hassan Abbas, 2023-05-23 The first account of the new Taliban showing who they are what they want and how they differ from their predecessors A Newsweek Staffers Favorite Book of 2023 Since the fall of Kabul in 2021 the Taliban have effective control of Afghanistan a scenario few Western commentators anticipated But after a twenty year long bitter war against the Republic of Afghanistan reestablishing control is a complex procedure What is the Taliban s strategy now that they ve returned to power In this groundbreaking new account Hassan Abbas examines the resurgent Taliban as ruptures between moderates and the hardliners in power continue to widen The group is now facing debilitating threats from humanitarian crises to the Islamic State in Khorasan but also engaging on the world stage particularly with China and central Asian states Making considered use of sources and contacts in the region and offering profiles of major Taliban leaders Return of the Taliban is the essential account of the movement as it develops and consolidates its grasp on Afghanistan

Return of the Taliban and the Revival of Jihadist Extremism Jang Ji-Hyang, 2022

Talibanistan Peter Bergen, Katherine Tiedemann, 2012-04-01 The longest war the United States has ever fought is the ongoing war in Afghanistan But when we speak of Afghanistan we really mean a conflict that straddles the border with Pakistan and the reality of Islamic militancy on that border is enormously complicated In Talibanistan an unparalleled group of experts offer a nuanced understanding of this critical region Edited by Peter Bergen author of the bestselling books The Longest War and The Osama Bin Laden I Know and Katherine Tiedemann these essays examine in detail the embattled territory from Kandahar in Afghanistan to Pakistan s Northwest Frontier Province and Federally Administered Tribal Areas They pull apart the distinctions between the Taliban and al Qaeda and the fractures within each movement assess the effectiveness of American and Pakistani counterinsurgency campaigns and explore the pipeline of militants into and out of the war zone Throughout these scrupulously researched studies challenge convenient orthodoxies Counterterrorism expert Brian Fishman criticizes the customary distinction between an Afghan and

Pakistani Taliban as being too neat to describe their fragmented reality Hassan Abbas paints a subtle portrait of the political and religious forces shaping the insurgency in the Northwest Frontier Province uncovering poor governance economic distress and resentment of foreign troops in nearby Afghanistan And Peter Bergen and Katherine Tiedemann try to identify the real numbers of drone strikes and victims both militants and civilians while disputing claims for their strategic effectiveness These and other essays provide profound new insight into this troubled region They are required reading for anyone seeking a fresh understanding of a central strategic challenge facing the United States today *Pakistan* William J. Topich, 2018-06-15 This single volume work documents Pakistan's troubled history which has led to current global insecurities and created a breeding ground for radical insurgency and terrorism Why is the volatile political status of Pakistan so critical to world security How did the tribal region of northwest Pakistan become home to numerous insurgent factions including the Pakistani Taliban and Al Qaeda Is the government of Pakistan actively combating or facilitating terrorism and the growth of extremism Pakistan The Taliban Al Qaeda and the Rise of Terrorism addresses and answers these questions and more providing a current and comprehensive examination of the terrorist and insurgent groups that use Pakistan as their global base of operation Readers of this book will better understand how the activities of terrorist groups such as the Pakistan Taliban Lashkar e Taiba and Al Qaeda in Pakistan threaten the future of the state and why the situation in Pakistan is considered by many to be more vital to American interests than Afghanistan Author William J Topich evaluates the changing nature of U S policy in the region including analysis of policy regarding drone strikes that target various radical groups of state stabilization options and of ongoing United States Pakistan relations His assessment of Pakistan's key role in global security accounts for the country's longstanding conflict with India the Afghanistan wars and the impact of the attacks of September 11 2001 and identifies possible future scenarios for Pakistan and the accompanying implications for security

The Pashtun Question Abubakar Siddique, 2014-06-15 Author argues that the failure of Pakistan and Afghanistan to absorb Pashtuns into their state structures and societies has been a critical failure of nation and state building *The Taliban* Peter Marsden, 2001-11-01 In the wake of the September 11 terrorist attacks on the World Trade Center US allegations that Osama bin Laden's network was responsible and the subsequent military attacks on Afghanistan the Taliban have become the focal point of the West's difficult relations with the Islamic world This book helps us understand what has been happening inside the country the nature of radical Islamic movements and the very difficult questions ahead which war cannot answer The Taliban are a manifestation of the growth of radical Islam worldwide This book explores what they stand for and the factors leading to their rapid rise to military and political dominance over Afghanistan It considers the influences on their ideology and describes the continuing war **Pakistan on the Brink** Ahmed Rashid, 2012-03-15 The leading journalist on Pakistan lays out America's options with Pakistan and Afghanistan in the post Bin Laden years What are the possibilities and hazards facing America as it withdraws from Afghanistan and as it reviews its long engagement in Pakistan

Where is the Taliban now in both these countries What does the immediate future hold and what are America s choices as President Obama considers our complicated history and faces reelection These are some of the crucial questions that Ahmed Rashid Pakistan s preeminent journalist takes on in this follow up to his acclaimed *Descent into Chaos* Rashid correctly predicted that the Iraq war would have to be refocused into Afghanistan and that Pakistan would emerge as the leading player through which American interests and actions would have to be directed Now as Washington and the rest of the West wrestle with negotiating with unreliable and unstable allies in Pakistan there is no better guide to the dark future than Ahmed Rashid He focuses on the long term problems the changing casts of characters the future of international terrorism and the actual policies and strategies both within Pakistan and Afghanistan and among the Western allies as the world tries to bring some stability to a fractured region saddled with a legacy of violence and corruption The decisions made by America and the West will affect the security and safety of the world And as he has done so well in the past Rashid offers sensible solutions and provides a way forward for all three countries *Pakistan on the Brink* Ahmed Rashid,2012-03-15 With Bin Laden dead Pakistan threatened by internal power struggles relationships between the United States and Pakistan at an all time low and as the US and Britain begin their withdrawal from Afghanistan what are the possibilities and hazards facing the world s most unstable region Where is the Taliban now and how do they figure in the future of Pakistan as well as Afghanistan What does the immediate future hold and what are the choices that Pakistan Afghanistan and the West can make These are some of the crucial questions that Ahmed Rashid takes on in this follow up to his acclaimed *Descent into Chaos* Rashid correctly predicted that the Iraq war would need to be refocused into Afghanistan and that Pakistan would emerge as the leading player through which American interests and actions would have to be directed Now as Washington and the rest of the West wrestle with negotiating with unreliable and unstable allies in Pakistan there is no better guide to the dark future than Ahmed Rashid He focuses on the long term problems the changing casts of characters the future of international terrorism and the actual policies and strategies both within Pakistan and Afghanistan and among the Western allies As he has done so well in the past *Pakistan on the Brink* offers sensible solutions and provides a way forward for all countries involved while the world tries to bring some stability to a fractured region saddled with a legacy of violence and corruption

Descent Into Chaos Ahmed Rashid,2008 Since 9 11 the war in Afghanistan and the invasion of Iraq the West has been fighting a War on Terror through force and through the building of new societies in the region In this clear and devastating account with unparalleled access and intimate knowledge of the political players *Descent into Chaos* chronicles our failure Having reported from central Asia for a quarter of a century Ahmed Rashid shows clearly why the war in Iraq is just a sideshow to the main event Rather it is Pakistan Afghanistan and the five Central Asian states that make up the crisis zone for it is here that terrorism and Islamic extremism are growing stronger Documenting with precision how intimately linked Pakistan is with the Taliban and other extremist movements while remaining the US s main ally in the region Rashid brings

into focus the role of many regional issues in supporting extremism from nuclear programmes to local rivalries ineffectual peace keeping to tyrannical rulers For Rashid at the heart of the failure in Iraq is the US s refusal to accept the need to build nations Ambitious and urgent analysing events policies and personalities across the largest landmass in the world Descent into Chaos chronicles with chilling accuracy why Islamic extremism is now stronger than ever **Afghanistan and Pakistan** Riaz Mohammad Khan, 2011 Terrorism in Pakistan N. Elahi, 2019 Since the Soviet invasion of Afghanistan in 1979 Pakistan has faced the threat of terrorism in different forms and shapes Yet in recent years the threat has taken on a new dimension After 9 11 the US campaign against Osama bin Laden al Qaeda and the Taliban in Afghanistan led to a surge in unrest and violence in Pakistan Al Qaeda gained a foothold in tribal regions of Pakistan via their local supporters the Tehreek e Taliban Pakistan TTP currently led by Mullah Fazlullah who unleashed a new wave of terror across Pakistan Since then more than 60 000 Pakistanis have been killed as the result of TTP orchestrated insurgency and terrorist attacks and Pakistan s society economy and its international image have suffered at the hands of TTP and its affiliated groups As a result of several military operations many TTP leaders have taken refuge in Afghanistan where they have joined hands with the terrorist group ISIS the so called Islamic State or Daesh by its local name Pakistan s nascent democratic set up in the form of the government of Nawaz Sharif is struggling to curb this menace This is the first book to cover all aspects of terrorism in Pakistan and to reveal the composition ideology approaches and strengths of TTP and its affiliates It is essential reading for policy makers strategists security experts and students to understand the intricate contours and dimensions of insurgency and terrorism within Pakistan
