Die Tea Party als Obamas Widersacher und Trumps Wegbereiter

Michael Oswald,2017-08-21 Michael Oswald untersucht anhand vorliegender Studie die Tea Party als eine strategische Bewegung mit der ein konservatives Netzwerk einen massiven Einfluss auf die Politik in den USA erzeugen konnte Hinter der Kommunikationsstruktur der Tea Party sieht der Autor die Absicht politischen Einfluss für spezifische Interessen zu generieren Sie propagiert dabei insbesondere freie Märkte und ein Limited Government Insgesamt lässt ihre Kampagne sogar auf einen Umdeutungsversuch schließen mit der sie Heuristiken und Beliefs die in den USA vorherrschen neu definieren reframen will Sie lieferte nicht zuletzt mit ihrer Radikalisierung und ihrem Anti Establishment Kurs den Grundstein für Donald J Trumps Aufstieg

Our Divided Political Heart E.J. Dionne, Jr.,2013-01-29 One of America's most respected and well known political analysts weighs in on what is tearing us apart the ascendancy of individualism and the diminishment of community just in time for the election Our Divided Political Heart will be the must read book of the 2012 election campaign Offering an incisive analysis of how hyper individualism is poisoning the nation's political atmosphere E J Dionne Jr argues that Americans can't agree on who we are because we can't agree on who we've been or what it is philosophically and spiritually that makes us Americans Dionne takes on the Tea Party's distortions of American history and shows that the true American tradition points not to radical individualism but to a balance between our love of individualism and our devotion to community Dionne offers both a fascinating tour of American history from the Founding Fathers to Clay and Lincoln and on to the Populists the Progressives and the New Dealers and also an analysis of our current politics that shatters conventional wisdom The true American idea far from endorsing government inaction or indifference has always viewed the federal government as an active and constructive partner with the rest of society in promoting prosperity opportunity and American greatness The ability of the American system to self correct is its greatest asset and Dionne challenges progressives to embrace the American story Our fractious but productive past offers us the resources both to rediscover the idea of progress and to put an end to our fears of decline Our Divided Political Heart will be required reading for all who seek a path out of our current impasse Publisher's website
