Oguejiofor Okafor,2026-01-22 This book highlights the transdisciplinary legacy of Cheikh Anta Diop's epistemology demonstrating its continuing impact on contemporary Africology which is also known as Black Studies Diop's works in the second half of the 20th century were foundational to the discipline of Africology Exposing a stain of cultural and racial bias in Eurocentric Egyptology Diop argued that ancient Egyptian civilization in fact had deep cultural and linguistic connections with African societies south of the Sahara This book argues that transdisciplinarity was at the heart of Diop's arguments as his work drew from history anthropology linguistics sociology economics linguistics osteology and physics This book argues that even now transdisciplinary approaches remain essential to the discipline of Africology sometimes referred to as Black Studies Africana Studies Pan African Studies African Global Studies or African American Studies In this book the contributors consider how Diopian transdisciplinary epistemic approaches continue to combat racial bias and restore the global historical and cultural significance of Africa Highlighting the significance of Africa's usable past as outlined by Diop this book is an important read for researchers across African Studies Africology Black Studies History World Civilizations Intercultural Studies Africa focused Think Tanks and policy makers across the African world Unbleaching the Curriculum

Greg Wiggan,Annette Teasdel,Marcia J. Watson-Vandiver,Sheikia Talley-Matthews,2023-05-15 Unbleaching the Curriculum Enhancing Diversity Equity Inclusion and Beyond in Schools and Society is an innovative work that applies a new perspective to curriculum design in U S public schools Introducing the framework of unbleaching the book explores curricular omissions and falsifications for the purpose of advancing diversity equity and inclusion DEI in school processes and practices Its content is groundbreaking as it introduces readers to often omitted contributions such as The Teachings of PtahHotep the oldest book in the world and The Ahmes Papyrus the oldest mathematical document in the world among others The Nation's Report Card government report indicates that U S schools are experiencing modest performance NAEP 2022 Thus unbleaching framework has the potential to improve student performance through curriculum development that is informed by multicultural practices The eight key tenets and processes of unbleaching provide the context for how the curriculum might address notable omissions and suppressed historical contributions and promote greater DEI in U S public schools

Afrosolian Knowledge and Cheikh Anta Diop François Ngoa Kodena,2023-07-03 Afrosolian Knowledge and Cheikh Anta Diop Geo Ethical and Political Implications wrestles with the cultural epistemological ethical and geopolitical conundrums of our contemporary world The book offers fresh conceptual and dialogical frameworks that allow the reader to explore alternative perspectives on the axiological impasses of philosophia A cultural slide from Greek to Afrikan terrain offers a novel semantic trove namely sofia in the Beti Mvett Therefore sophia calls for sofia the trope for subjective and social solarization Fran ois Ngoa Kodena argues that sofia is a psychological discursive social and civilizational sickle constantly sharpened to weed barbarism in its alienating imperial colonial mental linguistic racist and prejudicial overtones from private and public spheres Kodena's methodology is direct and trans disciplinary his overall ontological outlook is curative and

conciliatory After expounding an Afrosopian Antadiopian paradigm the author undertakes an in depth examination of Cheikh Anta Diop s epistemology to uncover its subtle underlying threads connecting sofia to the Kemetic cosmic law of becoming called kheper Contemporary humanity is thus faced with a crucial dilemma civilization or barbarism The former informs earthly existential struggles and epistemic Afrosopian practices The Healing Power of Education Marcia J.

Watson-Vandiver,Greg Wiggan,2021 Students of color are often left underserved and unrepresented in school curricula This book focuses on African American students and the usefulness and importance of corrective education in reversing curricular fallacies Additionally it uncovers and explains the role that education can play in creating a more holistic learning experience for minority students The Afrocentric school in this proposed book is high performing and outperforms the state The book identifies what teachers and student recognize as supportive features of the school s approach including a a unique learning environment b support systems c spiritual affirmations d evidences of Black education e a reframing of Afrocentricity and f education that promotes positive and transformative Black identity In response to reviewers the authors will expand their frame of reference to draw on evidence from other schools but will look deeply at one school and possible applications of its model in other settings Libation Kimani S. K. Nehusi,2015-12-28 This book concerns the origins structure purpose

meaning and signi cance of libation developments and change within the ritual and its distribution in the Afrikan world Libation is a liquid offering by and on behalf of all humanity those living and those yet to be born to ancestors to the Creator to other divinities and to the environment Through this ritual Afrikans af rm and re establish Ma at cosmic harmony balance interconnection and interdependence within between and among humans the environment the spirit world and the Creator The text connects the practice of libation throughout the prodigious time space correlation occupied by the Afrikan experience of life connects Afrikans to their social history and so to themselves across generations in different spaces and times The methodology is at once both multi disciplinary and inter disciplinary The methods and techniques of history linguistics cultural studies literature and other human sciences are deployed to develop a comprehensive reconstruction description and analysis of a ritual that has been antique for millennia but has never become antiquated **In Search of a**

Black Lives Matter vs. All Lives Matter Abdul Karim Bangura,2021-09-20 In the wake of the murder of George Floyd in Minneapolis the debate between proponents of Black Lives Matter and All Lives Matter has been reignited For proponents of Black Lives Matter the slogan All Lives Matter is not a call for inclusiveness but a criticism of the Black Lives Matter movement On the other hand advocates of All Lives Matter insist their slogan is about diversity and colorblindness The contributors included in *Black Lives Matter vs All Lives Matter A Multidisciplinary Primer* approach the subject from fields as wide ranging as sociology mathematics linguistics business politics and psychology to name a few This collection adds complexity and international perspectives to the debate allowing these seemingly simple quarrels over phrasing to be unpacked from many angles A refreshing variety of looks at one of the defining social movements of the last decade and the reaction to it this collection will be valuable to those seeking to understand these movements in ways beyond how they are typically framed

In Search of Truth and Salvation CA. R C Guria,2022-07-11 This book attempts to highlight the truth of life which many of us do not know Many of us consider our present existence to be the truth of life But according to scholars philosophers and researchers our present momentary persona is only a bubble on the ocean of our eternal existence Almost all ancient philosophies and modern science have established that each of us is immortal because soul we possess exists forever This book explains with reference to philosophical thoughts and scientific research studies that death we know applies to the physical body only but not to the soul The soul is infinite and omnipresent So after every death soul enters into a new body in its long journey towards Salvation This book has also refers to philosophical explanation that the Supreme Soul or the Brahman is only the Real all other else are not real Precisely the Real Man is one one and each of us is only a limitation of the Real Man It s all God s play
