The Templars Selected Sources:

The Templars Malcolm Barber, Keith Bate, 2002-10-11 The Templars were members of a medieval monastic order later accused of denying Christ and other heresies The Order was subject to a torturous inquisition period during the 14th century and ultimately dissolved This is a unique collection of translated sources which in addition to documenting the origins of the Order and the circumstances of its suppression and dissolution examines the many and varied facets of its activities during the 12th and 13th centuries It will be of interest to anyone interested in the medieval period and is an invaluable source for those wanting to find out more about this most fascinating and enigmatic of institutions The Templars ,2002 **The**

Templars Dan Jones, 2018-09-18 An instant New York Times bestseller from the author of Crusaders that finally tells the real story of the Knights Templar Seldom does one find serious scholarship so easy to read The Times Book of the Year A faltering war in the middle east A band of elite warriors determined to fight to the death to protect Christianity's holiest sites A global financial network unaccountable to any government A sinister plot founded on a web of lies In 1119 a small band of knights seeking a purpose in the violent aftermath of the First Crusade set up a new religious order in Jerusalem which was now in Christian hands These were the first Knights Templar elite warriors who swore vows of poverty and chastity and promised to protect Christian pilgrims to the Holy Land Over the next 200 years the Templars would become the most powerful network of the medieval world spearheading the crusades pioneering new forms of finance and warfare and deciding the fate of kings Then on October 13 1307 hundreds of brothers were arrested imprisoned and tortured and the order was disbanded among lurid accusations of sexual misconduct and heresy But were they heretics or victims of a ruthlessly repressive state Dan Jones goes back to the sources to bring their dramatic tale so relevant to our own times to life in a book that is at once authoritative and compulsively readable **The Templars and their Sources** Karl Borchardt, Karoline Döring, Philippe

Josserand, Helen Nicholson, 2017-01-20 Even 700 years after the suppression of the Order of the Temple and the execution of the last grandmaster Jacques de Molay there is no shortage of publications on this influential military order Yet unlike other medieval institutions the Templars are subject to speculative fiction and popular myth which threaten to swamp the fruits of scholarly endeavour Fortunately recent years have produced a thriving academic scholarship which is challenging these myths More and more sources are currently being edited particularly those for the trial of the Templars 1307 1312 Others are still awaiting in-depth study among them surprisingly the greater part of the charters that cover more than 150 years of the Order's history The papers in this volume step into this gap and critically evaluate new directions in Templar studies on the basis of as yet unedited source material Open issues and desiderata regarding the sources are discussed and from a range of inspiring results a new status quaestionis is proposed that will not only provide a better understanding of the Order's archaeological economical religious administrative and military history but also set new points of departure for the editing of charters and administrative documents The papers here are grouped into six sections focusing on the headquarters of the

Order its charters manpower and finance religious life and finally the suppression and the Order's afterlife **The Templars** Jochen Burgdorf, Shlomo Lotan, Enric Mallorquí-Ruscalleda, 2021-04-14 As the oldest of the military religious orders and the one with an unexpected and dramatic downfall the knighthood of the Templars continues to fascinate academics and students as well as the public at large A collection of fifteen chapters accompanied by a historical introduction The Templars The Rise Fall and Legacy of a Military Religious Order recounts and analyzes this community's rise and establishment in both the crusader states of the eastern Mediterranean and the countries of western Europe during the twelfth and thirteenth centuries reflects on the proceedings launched against it and its subsequent fall 1307 1314 and explores its medieval and post medieval legacy including an assessment of current research pertaining to the Templars and suggestions for future explorations Showcasing a wide range of methodological approaches and primary source materials this volume unites historical art historical theological archaeological and historiographical perspectives and it features the work and voices of scholars from various academic generations who reside in eight different countries Israel France Italy Spain the United Kingdom Germany Poland and the United States of America **The Pocket A-Z of the Knights Templar** Gordon Napier, 2014-04-07 The Knights Templar were among the most famous of Christian military orders Created after the First Crusade of 1096 and endorsed by the Catholic Church in 1129 the Order grew rapidly in membership and power Templar knights were some of the best equipped trained and disciplined fighting units of the Crusades But when the Holy Land was lost and the Templars suffered crushing defeats support for the Order faded and rumours about their secret initiation ceremony created mistrust When the Order suddenly disappeared disbanded by the Pope it gave rise to speculation and legends which have kept the name Templar alive From Aaron to Zion The Pocket A Z of the Knights Templar is an invaluable reference of the places people and themes of the Crusades the Knights Templar and their legacy **A to Z of the Knights Templar** Gordon Napier, 2011-10-24 The Knights Templar was the foremost Military Order of the Crusades In about 1118 these warrior monks were appointed custodians of Temple Mount and defenders of Christian pilgrims in the Holy Land Endorsed by the Catholic Church in 1129 the Order became a favoured cause across Europe Templar knights distinguished by their white mantles with red crosses constituted some of the most disciplined and efficient fighting units in successive crusades The expanding Order acquired extensive estates in the West and served as financiers and advisors to the great and good In the East the Templars garrisoned cities and castles helping to sustain the Frankish presence in the Orient for almost two centuries Support for the Order faded after the final loss of the Holy Land King Philip IV of France seizing on the Templar's habitual secrecy plotted their destruction and confiscation of their assets Bending the Papacy to his will he secured the arrest and trial of Templars throughout Christendom on grounds of heresy and diabolical corruption In France the Inquisition extracted damning confessions from the arrested brethren In 1312 under continuing pressure from the Philip Pope Clement V formally disbanded the Order Two years later the last Grand Master was burned alive in Paris after

renouncing his confession The Order's suppression amid such sinister circumstances gave rise to myth and speculation which keeps the Templar name alive to this day This highly readable and informative A Z guide is an invaluable reference to the places people and themes of the Crusades the Knights Templars and their legacy **The Templars** Geordie Torr,2020-04-03 Shrouded in myth and conspiracy the history of the Knights Templar is little understood Geordie Torr pulls fact from fiction revealing the astonishing tale of this military religious order that dominated the politics of the medieval Middle East Initially created to protect Christian pilgrims to the Holy Land in the wake of the First Crusade the Templars soon became an institution of incredible power possessing wealth and influence throughout the courts of Europe Yet just two centuries later they dramatically fell as its members were accused of heresy and burned at the stake Set against the dramatic backdrop of the wars between Christians and Muslims this illustrated book brings to life the legacy of this secretive order and the characters who defined the era *The Persecution of the Knights Templar* Alain Demurger,2019-01-01 The trial of the Knights Templar is one of the most infamous in history Accused of heresy by the king of France the Templars were arrested and imprisoned had their goods seized and their monasteries ransacked Under brutal interrogation and torture many made shocking confessions denial of Christ desecration of the Cross sex acts and more This narrative follows the everyday reality of the trial from the early days of scandal and scheming in 1305 via torture imprisonment and the dissolution of the order to 1314 when leaders Jacques de Molay and Geoffroy de Charnay were burned at the stake Through first hand testimony and written records of the interrogations of 231 French Templars this book illuminates the stories of hundreds of ordinary members some of whom testified at the trial as well as the many others who denied the charges or retracted their confessions This is a deeply researched and immersive account that gives a striking vision of the relentless persecution and the oft underestimated resistance of the once mighty Knights Templar *The Knights Templar* Tony McMahon,2025-03-31 Explores the history legacy and mysteries of the Knights Templar from their valor in battle to their brutal downfall The Knights Templar have fascinated us for centuries They were holy warriors who fought with incredible bravery in the Crusades but were then destroyed by their own side In battle they were the bravest knights first on the battlefield and the last to quit Charging towards the enemy with their white cloaks emblazoned with the red cross of martyrdom Every young man in medieval Europe yearned to be a Knight Templar The reality though could be tough Battles fought against fearsome foes sometimes resulted in terrible defeat with a huge loss of life The Templars were always the target of jealousy and hatred because of their military prowess financial acumen and strict organisation Eventually their enemies got the better of them Not the Saracens they had fought in the Holy Land but kings and bishops back home The Templars were accused of bizarre initiation rituals and heretical beliefs Many were executed for the sole crime of being a Templar But their memory was not extinguished It has endured Today millions of people still want to understand the history and mystery of the Knights Templar Is it true they possessed the Holy Grail Why were they destroyed so brutally This book sets out to find the answers

The Templar Papers Oddvar Olsen,2006-03-15 Delve into the myth and mystery of the Knights Templar with essays by Lynn Picknett Robert Lomas Stephen Dafoe Sandy Hamblett and other experts Much has been written about the group of fourteenth century warrior monks known as the Knights Templar Some authors such as Dan Brown in The Da Vinci Code portray them as folk heroes wrongly accused Others disagree saying the Templar story is ultimately one of greed deception and idolatry Just who were the Knights Templar And what is their legacy In The Templar Papers author and historian Oddvar Olsen has assembled a veritable Who's Who of experts to unravel the mystery Instead of rehashing previous scholarship this book delves into new aspects of Templar lore such as the origins of the order and its supposed survival after 1314 It attempts to answer the following Were the Templars devil worshippers who venerated a mysterious head Was the head that of John the Baptist What exactly did they find in Solomon's Temple Did they keep and later hide the Holy Grail and the Ark of the Covenant You'll also discover the Templar link to Mary Magdalene and the Freemasons including answers to questions such as Were Jesus and Mary lovers or in fact husband and wife Did Mary give birth to a child after Jesus death Did Freemasonry originate from the Templars The Templar Papers offers the inquisitive reader several lifetimes of research and insight This is a distinctive and truly unique compilation that will stimulate your mind and settle the controversy

The Knights Templar Prof. Kenneth Onapolis, Ph.D.,2019-03-23 The Knights Templar The Priceless Treasure Discovered Who were the Knights Templar Did they really exist Did they discover treasure so valuable that King Philip IV of France was willing to kill them to obtain If so what happened to the treasure Or did they discover priceless treasure concerning Christianity which caused Pope Clement V to enlist the help of King Philip to suppress the Templars before they revealed what they had discovered and destroyed the foundation of the Papacy and its claims of universal supremacy What was this Priceless Treasure that was discovered by the Knights Templar which was such a severe threat to the Roman Catholic Church and the Pope that they would be willing to kill the Templars over Moreover that men like Jacques de Molay would rather be burned at the stake than renounce Through the research of Professor Kenneth Onapolis the answers to all of these questions and more are finally

revealed **The Oxford Handbook of Christian Monasticism** Bernice M. Kaczynski, 2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today s world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely [The Knights Templar at War, 1120-1312](#) Paul Hill, 2018-01-30 A look at the famed medieval Catholic order with an emphasis on military history includes numerous illustrations There are many books about the Knights Templar the medieval military order which played a key role in the crusades against the Muslims in the Holy Land the Iberian peninsula and elsewhere in Europe What is seldom explored is the military context in which they operated This book focuses on how this military order prosecuted its wars The order was founded as a response to attacks on pilgrims in the Holy Land and it was involved in countless battles and sieges always at the forefront of crusading warfare This absorbing study examines why they were such an important aspect of medieval warfare on the frontiers of Christendom for nearly two hundred years The author shows how they were funded and supplied how they organized their forces on campaign and on the battlefield and the strategies and tactics they employed in the various theaters of warfare in which they fought Templar leadership and command and control are examined and sections cover their battles and campaigns fortifications and castles [Myth and Reality: Studies on the Templars and Hospitallers, Medieval Narratives, and the Trial of the Templars](#) Helen J. Nicholson, 2025-10-28 Spanning thirty five years of scholarly research the articles in this collection represent key research findings from Helen J Nicholson s studies of the military religious orders and the crusades Ranging across subjects as diverse as the Templars religious practices Arthurian romance inspired by the events of the Third Crusade medieval European Christians views of Muslims and a heresy investigation in Ireland these articles reflect Nicholson s research into the Templars and Hospitallers as religious institutions medieval European fictional literature as an historical source and the trial of the Templars Aimed at university students scholars and

enthusiasts on the military orders this volume makes this research available again to a new generation of readers **The Templar Order in North-west Italy** Elena Bellomo,2008 Based on extensive archival searches this book provides the first reconstruction of the Templar presence in North west Italy giving general insights into the development and organization of the Order in this area and providing an outline of the history of each Templar house **The Military Orders** Jochen Schenk; Mike Carr,2016 *The Hidden Jew* Marcus Edward Bond ,2024-07-08 In a quiet hospital room a son sits by his father s bedside where whispered words reveal a hidden truth David Cohen s life is forever altered as his father shares a long guarded secret his family s Jewish heritage What follows is a journey of self discovery identity and the courage to embrace a heritage long kept in shadows As David grapples with this revelation he navigates through challenges confronts societal prejudices and finds strength in community This is the story of David s quest to understand who he truly is and the profound impact it has on his family his faith and his place in the world **The Military Orders Volume VI (Part 1)** Jochen Schenk,Mike Carr,2016-10-26 Forty papers link the study of the military orders cultural life and output with their involvement in political and social conflicts during the medieval and early modern period Divided into two volumes focusing on the Eastern Mediterranean and Europe respectively the collection brings together the most up to date research by experts from fifteen countries on a kaleidoscope of relevant themes and issues thus offering a broad ranging and at the same time very detailed study of the subject
