## **The Temple Of Set II:**

The Temple of Set II Michael Aquino, 2014-04-08 In 1975 after ten years of exploring its identity the original Church of Satan confronted the limitations of its Jud o Christian imagery and a dismissal of humanity as a self indulgent animal species An ethical crisis in that year resulted in the organizational and metaphysical transformation of the Church into the Temple of Set which in subsequent decades went on to become the preeminent initiatory institution premised upon the affirmation and evolution of the individual consciousness to divine essence and immortality This book recounts the Temple s creation and early development by its founding High Priest Michael Aquino It is more a memoir than a history because the scope of the Temple and the works of its many Initiates are far too diverse for any single book Included is also an extensive theoretical discussion of Setian cosmology philosophy and magic the famous Black Magic from the \_Crystal Tablet of Set\_ The text is augmented by 97 detailed appendices on a variety of topics by many different Setians over the years This is a 2 volume work compressed to reduce the 431 000 word set to below 1 000 pages Volume I is in color Volume II black white *Confessions of an Illuminati, VOLUME II* Leo Lyon Zagami, 2017-11-11 After his master thesis of the secret societies network as outlined in Volume I the Confessions of an Illuminati narrative of Leo Lyon Zagami is projected to the reality of today including the occult maneuvers behind the New World Order We need to wake up beyond our current belief systems because the controllers of the New World Order are moving fast using the Prophecies to their advantage to implement their evil plan by 2020 when World War III will finally break loose The author demonstrates that the hierarchy of power emanating from Rome and Jerusalem with the Jesuits and the Zionist s united by a secret pact since the Second Vatican Council are in cahoots working towards the creation of a world government There is also China playing a new role in the NWO with the far reaching tentacles of Chinese Freemasonry manipulating economic Hit Men and disinformation artists while Russia is building their Christian orthodox alliance to apparently oppose the Western antichrist In this unprecedented scenario we also have the involvement of the big media moguls like Ted Turner and Silvio Berlusconi and their role in manipulating perceptions The author discusses further aspects of the Satanic infiltration of Freemasonry pointing out on the generational aspect the many ways of defending yourself psychically against black magicians but also against the many sects operating in the Illuminati Network **The Temple of Set I** Michael Aquino, 2014-04-08 In 1975 after ten years of exploring its identity the original Church of Satan confronted the limitations of its Jud o Christian imagery and a dismissal of humanity as a self indulgent animal species An ethical crisis in that year resulted in the organizational and metaphysical transformation of the Church into the Temple of Set which in subsequent decades went on to become the preeminent initiatory institution premised upon the affirmation and evolution of the individual consciousness to divine essence and immortality This book recounts the Temple s creation and early development by its founding High Priest Michael Aquino It is more a memoir than a history because the scope of the Temple and the works of its many Initiates are far too diverse for any single book Included is also an
