The Ten Divine Articles Of Sri Durga Insights And Meditations:

The Ten Divine Articles of Sri Durga Bob Kindler,1996-06 *The Ten Divine Articles of Sri Durga* Babaji Bob Kindler,2001-11 The warrior Goddess of Wisdom holds ten divine weapons that defeat negativity and benefit aspiring beings This title offers explanations of their symbolism which are balanced with practical guided meditations *Nectar #8* Babaji Bob Kindler,Rabbi Rami Shapiro,Swami Brahmeshananda,Devendra Oza,Medhakendra Shannon Perneti,Sharad Chandra,Bhavatarini Ma Jocelyne Nielsen,Gabrielle Chavez,Annapurna Sarada,2002-06-10 In the summer of 2002 the SRV staff supporters writers and contributors all come together once again for another exquisite expression of Advaitic Truth that unique and quintessential quality which is at once a salubrious tonic for the body a lustral lenitive for the mind and a soothing balm for the soul Applying a generous dole of this nepenthe of Nondual Nectar to life and mind will transport the spiritual aspirant into heretofore unforeseen and unimaginable heights of insight and perception giving rise as well to an upsurge of abundant divine attributes lying fallow in the subtle soil of the human subconscious It is no wonder that countless luminaries have taken unremitting recourse to this superlative divine domicile this nonpareil sanctuary of refuges finding an abiding solace and succor in Its boundless expanse The theme of this issue is peace individual terrestrial mental and spiritual Health for the body preservation of the earth healing for the emotions purification of the mind inspiration for the intellect inner guidance for spiritual life all levels of the human life experience must be consciously catered to with sensitivity and devotion based upon knowledge For it is obvious that the many proffered healing systems current today which profess integration of body mind and spirit fall ridiculously short of doing anything beyond mere physical therapy ignoring almost completely the mind and soul of mankind Though claims of holistic healing run rampant over the pages of contemporary magazines the real orientation directed grossly at gathering storing and protecting wealth is most ponderously placed upon physical health and exercise combined with cosmetic solutions and techniques These are duly predicated on man s external existence alone and designed mainly to satisfy the voracious and vulpine vanity of the body oriented person inhabiting a materialistic society Regarding the mind if it is ill bored or imbalanced a pill is supposed to suffice to put it right or an extended period of study among the dry dusty and philosophically anemic volumes of higher learning comprising our much vaunted and over rated fields of Western secular knowledge For the spirit the soul there is the growing popularity of overpriced undernourished seminars retreats or intensives designed to bring a being face to face with oneself Unfortunately that self is again the body for if one can relax it stretch it fill it with good food massage it steep it for hours in healing waters run it around the grounds engage it in sports and indulge it in some dancing in the evening the spiritual criterion of holistic healing is deemed satisfied and the spirit is considered rejuvenated Nectar #22 Babaji Bob Kindler,DS Lokanath,Swami Aseshananda,Swami Brahmeshananda,Nan Huai Chin,S Jagadishan,Annapurna Sarada,2007-02-12 With open arms and open minds we welcome the contemporary reader and lover of Truth to another feast for the soul some Amrita Nectar for the

aspiring mind of the devout and avid practitioner This open invitation is extended not only to those who have already grounded themselves in the search for Freedom via authentic spiritual traditions but also to those who show a keen interest and feel drawn to those subtle visions and revelations of spiritual life which otherwise get obscured by the everyday goings on of the secularized world and its conventionalized religion Even a basic curiosity about mystical paths and ways and the esoteric wisdom they contain is apt excuse to embark upon this compelling journey which will turn the confused and restless soul now enjoying and suffering in turns at the hands of fragmented mind and insentient matter towards all the answers it requires and has been searching for over many lifetimes So come say the sages and seers and find the highest refection of the soul possible at this sublime wisdom retreat in the isolated mountain ranges of varied spiritual experiences Any of the tried and true pathways called authentic religions rightly comprehended will lead one there The life giving waters of Vedanta Jainism Vajrayana Buddhism Chinese Buddhism and Bhakti and Karma Yogas all flow predominantly through the pages of this enlightening issue of Advaita satya amritam Book reviews inclusive of world religions such as Christianity and Tibetan Buddhism also form little liquid pools of its conscious content while eddies of Sufism Yoga Tantra and Western Philosophy also play with in it all carried on the powerful but unseen Truth tide of Nonduality Read on dear soul read on Get immersed in the Waters of Eternal Life which like a well spring appearing near the thirst filled road of embodiment brings both peace and Self realization to the transmigrating soul

Nectar #21 Babaji Bob Kindler, Swami Aseshananda, Michelle Levey, Joel Levey, Lex Hixon, Rabbi Rami Shapiro, 2006-08-06 The profound and revered religious and spiritual pathways of Judaism Buddhism Tantra and Vedanta all grace the pages of this issue of Nectar of Nondual Truth with their simultaneously sententious yet congenial teachings revealing anew and for our highest benefit the time honored principle of Universalism As my own guru has stated via powerful discourse also contained within these pages The harmony of religions cannot be preached by any teacher who is exclusive who is dualistic in frame of mind and in philosophy of life Therefore with the advent of Advaita Vedanta in the West mainly due to the work and presence of beings like Swami Vivekananda it is time for the message of Universalism to be proposed accepted practiced and realized on a wider scale so that true Peace will descend and enter the hearts and minds of living beings Solace and Samadhi will be the welcome outcomes Nectar of Nondual Truth leans decidedly towards a religious pluralism free of both the hypocritical sense of superiority and the problem of a complacent religious discernment That is equality based upon nonduality combined with a tenacious scrutiny and inspection of all wisdom teachings will ensure the vision and purity of the allimportant spiritual realm Thus the peoples of the world will forthwith be able to steer clear of the mistakes of the past springing from a lack of distortion of or misunderstanding of essential and eternal spiritual principles

Goddesses in World Culture Patricia Monaghan, 2010-12-01 This collection of accessible essays relates the stories of individual goddesses from around the world exploring their roles in the cultures from which they came their histories and status today and the controversies surrounding them Goddesses in World Culture brings

readers the fascinating stories of close to 100 of the world's goddesses ranging from the immediately recognizable to the obscure. These figures, many of whom derive from ancient cultures and civilizations, serve as points of departure for examining questions that go well beyond the role of women in religion and spirituality to include social organization, environmental awareness, historical developments, and psychological archetypes. Each volume of this groundbreaking set is composed of 20-25 previously unpublished articles written by expert contributors from diverse disciplines. Volume one covers Asia and Africa; volume two covers the Eastern Mediterranean and Europe; and volume three covers Australia and the Americas. Goddesses from cultures often overlooked in texts on religion, such as those of the Australian Aborigines, Korea, Nepal, and the Caribbean, are included here. In addition, the work offers new translations of ancient texts, introduces little-known folklore, and suggests new approaches to contemporary religious practices.

It brings out the cosmological, anthropological, and existential meaning of the text via the three tales. The Introduction unravels the stories syntactically together with the lauds in a relaxed semiotic rhythm, supplementing with a commentary cultural and trans-cultural in five brief chapters enabling insights on the Eternal Feminine to the contemporary reader. The transcreation in a class by itself, done by a poet steeped in Durga symbology, as a sahrdaya reader rounds off the Durga Rahasya. The book should interest any intelligent reader in addition to indologists and psychologists and the initiates. It is a handmade book free from needless jargon.
