The Sound Of Broken Absolutes:

The Sound of Broken Absolutes Peter Orullian, 2015-05-16 Two men One old On young Both possess a gift A gift of music with the power to change things Even destroy The younger is called back to his homeland To war The other embarks on an inward journey into his past as he sets to repair a broken viola An instrument with meaning to him A resonant kind The music each man will make will have an absolute quality And it will change them both **The Astonishing** Peter Orullian, John Petrucci, 2019-03-14 BASED ON THE HIT ALBUM BY PROGRESSIVE METAL GIANTS DREAM THEATER In a not so distant future our world has returned to the ugliness of feudalism Only this time those in power control the servant class with the very thing that once inspired men to rise up and take back their lives music But it is not the music of old That music is forgotten No this new music is engineered entirely by machines This music suppresses that part of humanity which might be inspired This music suppresses hope But what is old will be made new again In the village of Ravenskill lives a young man Gabriel who comes with a gift of power A gift of music As a human expression Gabriel s brother Arhys leads a rebel militia that is trying to liberate the people And he believes Gabriel s gift is the key a key he hopes will help him keep a promise he made to his wife on her deathbed But the emperor and his son have different plans to maintain control Those plans may find an unlikely challenger in their own family And the resulting conflict may yield lasting consequences For them all With music as a moving force the choices each player must make will bring them to a shared moment of pain And perhaps redemption

Metropolis Pt. 2: Scenes from a Memory Peter Orullian, 2024-10-26 Nicholas Santori a sound engineer who specializes in audio recovery has had troubling dreams all his life With the anniversary of his daughter s death those dreams have gotten worse threatening the stability of his family and perhaps his own safety After receiving cryptic messages about his dreams from his clairvoyant son Nicholas seeks help from an eccentric hypnotherapist with questionable intentions During regression Nicholas learns that in a former life he was a young girl named Victoria Page that she was murdered and that her case was never truly solved Believing he can end his nightmares if he can solve Victoria s murder he finds retired detective Colin Murphy who s been obsessed with Victoria s case since he saw her lying dead seventy years ago in the house where Murphy now lives Together they hope to solve the cold case while someone is desperately trying to stop them Orullian deftly weaves the two sides of this interconnected story across the twentieth century From nightmares to zeppelins to anechoic chambers to train heists to mafia hits to speakeasies to heartfelt conversations about loss Orullian s propulsive imagining of Dream Theater s critically acclaimed album *Metropolis Pt 2 Scenes from a Memory* is by turns thrilling suspenseful and poignant Graham Greene's Fictions Cates Baldridge, 2000 Broken Brain Syndrome Charles L. Dickens, MD, 2009-02-23 the beginning of written history people have wondered why they do things they do not want to do especially when those things are not beneficial and in some instances detrimental Broken Brain Syndrome explains the why of and the how to in correcting this human inconsistency that leads to dysfunctional behavior This phenomenon has existed

since Adam and Eve and has continued to plague mankind Many books have been published to mitigate life s difficulties Even before pop psychology and the New Age spiritual movement such as John Bradshaw and Marianne Williamson respectively the Torah New Testament Eastern philosophies the Koran and other teachings all aim at improving one s life Yet the vast majority of people in societies of the world have not been able to find long term peace serenity love and success This is so because of their inability to understand the dysfunctional dynamic taking place within their own heads causing dysfunctional lives Broken Brain Syndrome addresses finally the underlying cause of the dysfunction Broken Brain Syndrome provides people with the basic understanding of the real problem of what is fundamentally wrong with them so that the teachings of the New Age and those of the past can now make sense and bring about a successful life Broken Faith H.D.

The Recognitions William Gaddis,2020-11-24 A postmodern masterpiece about fraud and forgery by one of the most distinctive accomplished novelists of the last century The Recognitions is a sweeping depiction of a world in which everything that anyone recognizes as beautiful or true or good emerges as anything but our world The book is a masquerade moving from New England to New York to Madrid from the art world to the underworld but it centers on the story of Wyatt Gwyon the son of a New England minister who forsakes religion to devote himself to painting only to despair of his inspiration In expiation he will paint nothing but flawless copies of his revered old masters copies however that find their way into the hands of a sinister financial wizard by the name of Recktall Brown who of course sells them as the real thing Dismissed uncomprehendingly by reviewers on publication in 1955 and ignored by the literary world for decades after The Recognitions is now established as one of the great American novels immensely ambitious and entirely unique a book of wild Boschian inspiration and outrageous comedy that is also profoundly serious and sad **Birds With Broken Wings** Samuel D. G.

Heath,2005-09 A lovely bookstore owner asked me why she should read this book I explained that in writing this book I undertook a purposeful investigation leading where angels and all good Baptists fear to tread It was during this attempt at explanation the picture formed in my mind of addressing an auditorium full of women My opening remark to them is Women hunger and thirst for romance What is it that men want The entire audience responds with a resounding chorus in unison with one word SEX I then ask No really ladies what do men really want Again with a single voice the chorus returns loudly SEX Seeing that I am getting nowhere fast I decide to try a new tack I ask Please ladies as a Romantic a Poet what do I as a man want Back it comes SEX There is a definite mind set at work here Okay honestly as a Romantic a Poet what do I want from a woman SEX Satisfied But my admission of common guilt is only true to a point Believe it or not ladies some men like myself want romance as much as you do It is in searching for this elusive thing that I have discovered so much that betrays you ladies in the very areas you are supposed to excel in the romance department I treat the causes and results of such betrayal in this book
