seem like an odd setting for a collection of dark short stories it s so sunny and bright here The quality of light is unlike anywhere else and with an average of three hundred sunny days a year what could go wrong The stories in this collection come on like the wicked dust storms common to the area More than half are by writers who live here full time all have homes in Southern California They know this place in ways visitors and outsiders never will These are not stories you ll read in the glossy coffee table books that feature Palm Springs s good life There is indeed a lush life to be found here but for the characters in these stories it s often just out of reach
