Forde, 2021-10-12 This book about Luther's theology is written out of a twofold conviction first that many of our problems have arisen because we have not really understood our own traditions especially in the case of Luther and second that there is still a lot of help for us in someone like Luther if we take the trouble to probe beneath the surface In this ground breaking book Forde interprets Luther's theology for our own day The fundamental theme of the book is the down to earth character of Luther's theology Through this theme Forde points out that we have failed to understand the basic thrust of Luther's theology and that this failure has caused and still causes us grief Modern scholarship has demonstrated that Luther did not actually share some of the views on the nature of faith and salvation that subsequent generations have foisted upon him and

have used to interpret his thinking This book attempts to bring the results of some of that scholarship to light and make it more accessible to those searching for answers today The central questions of Christianity are examined in this fresh restatement of Luther's thought the relationship between God and humanity the cross the sacraments this world and the next and the role of the church The author presents the down to earth character of Luther's theology in the hope that it will help individual Christians today to be both faithful to God and true to their human and social responsibilities This 50th Anniversary Edition includes a preface by Marianna Forde and a new study guide by Bradley C Jenson created to encourage new readings and conversations about Forde's influential take on Luther theology and the church **Black Feminist**

Robert Mulholland, 2023-10-01 In the foreword to the first edition of Shaped by the Word Bishop Rueben Job wrote One of

the great strengths of this volume is that it grows out of the spiritual pilgrimage of a capable and committed biblical scholar. It was my privilege to hear these lectures when they were presented to the first Academy for Spiritual Formation in 1983. They became for those who heard them a window to God. Nearly forty years later *Shaped by the Word* continues to provide this window to God to readers across the world. In a success oriented world it is easy for Bible study to become another task to perform rather than a transformational experience. Those who hunger for a deep relationship with God often struggle with barriers that keep us from being able to meditate and listen to God with the deepest core of our being. *Shaped by the Word* seeks to overcome these barriers through a formational reading of the Bible. In this timeless book Robert Mulholland shows readers how to listen for God's voice in our study of the Word and allow God to lead our reading and understanding so that we may truly be transformed.
