The Spiritual Practice Of Remembering:

The Spiritual Practice of Remembering Margaret Bendroth, 2013-11-11 We often dismiss history as dull or irrelevant but our modern disengagement from the past puts us fundamentally out of step with the long witness of the Christian tradition Yet says Margaret Bendroth the past tense is essential to our language of faith and without it our conversation is limited and thin This accessible beautifully written book presents a new argument for honoring the past The Christian tradition gives us the powerful image of a vast communion of saints all of God's people both living and dead in vital conversation with each other This kind of connection with our ancestors in the faith Bendroth maintains will not happen by wishing or by accident She argues that remembering must become a regular spiritual practice part of the rhythm of our daily lives as we recognize our world to be in many ways a gift from others who have gone before

The Practice of Remembering Casey Tygrett, 2023-12-05 How we hold and carry our memories good and bad is a part of what forms us spiritually In this way we have a common bond with the people of Scripture who also had a sensory life Exploring the power of memory Casey Tygrett offers biblical texts and practices to guide us in bringing our memories to God for spiritual transformation

Posie, 2025-08-28 Sometimes we think we will remember the critical moments God uses to shape our lives but we often forget Like an anchor to keep us steady in rough terrain or light to show us the next faithful step spiritual encounters are crucial to our spiritual formation especially for those in transition at a crossroads or uncertain How can we establish something to help us We can become remember ers That doesn t mean paying attention to every little detail in our lives but listening and discerning what God is doing asking ourselves if he is trying to get our attention If he is these are the stories to hold onto Called to Remember shows Denise Posie s incredible journey of remembering through sometimes painful situations She offers her spiritual memoir as a guide to encourage us to stay focused and hopeful in the Lord s strength and wisdom rather than relying on ourselves At the end of each chapter one of the twelve stones of remembrance represents how God got her attention simply and profoundly Using Posie s spiritual memoir as a guide readers can grow spiritually by reflecting on critical moments in their lives as God s way of shaping and guiding *Remembering* Tim Tengblad, 2024-10-09 There is more more than what the Church has told you I had been a Lutheran pastor for twenty nine years when I sensed an inner inaudible voice telling me this Listening to that inner voice led me to a wonderful friendship with Echo Bodine who is a psychic and to explorations of Buddhism Sufism the Tao Te Ching meditation centers reincarnation Aramaic and much more Do you sense there is more A deeper truth about yourself God and reality that wants to be known and lived This book reveals my true journey told within the framework of a fictional story The main character Sam is intrigued when he hears that the message of Jesus is to know and live from the Divine that is naturally within him in everyone and in everything This leads us to deep conversations in a tavern on a boat at a playground in the woods under the stars in a sanctuary on a golf course at home watching comedy and the news and at a hospice home The discussions that Sam and I have about our own struggles questions and discoveries eventually lead us to affirm that we are here to grow into the love from which our souls emerged Welcome to the conversation You are love Tim *Collected Works of Shri Vallabhachārya* Vallabhācārya, 2003
