The Still Small Voice:

The Still Small Voice of God Constance S. Johnson, 2010-10 That day changed everything That day began a purposeful life filled with abundant blessings That day was the day that changed her life Through her brokenness Constance Johnson accepted the Holy Spirit into her life It was a long time coming but she finally realized the call on her life from the Holy Spirit From that day on even though life still wasn't easy she had a friend confidant and protector She was faced with many trials and tribulations because of the devil and his aim to discourage her believing soul However the devil is no match for the Lord With his gentle guidance she began to trust more readily and the gifts that opened up to her were bountiful She began to directly hear from God and she shared her gift with those that would accept it You too can lead a blessed and encouraged life With meaningful life applications and helpful Scripture this book will encourage the youngest believer to the seasoned Christians Find out what life looks like with the guidance of A Still Small Voice **The Still, Small Voice of Trumpets**

Lloyd Biggle Jr., 2012-07-23 The IPR Bureau whose motto is Democracy imposed from without is the severest form of tyranny works to bring newly discovered planets up to the point where they have a planetary democratic government and then induct them into the galactic federation Unfortunately the planet Furnil offers problems The continent of Kurr has a well entrenched monarchy and the citizens seem little inclined to change In fact they immerse themselves in art rather than politics and have been doing so for more than 400 years So what's a poor IPR agent to do Classic science fiction **The Still Small Voice**
