Un-American Activities,1967 **Christian Register and Boston Observer** ,1908 Good Housekeeping ,1925 **Touch and Go** Jean Middlemass,1877 The New Masters of Capital Timothy J. Sinclair,2014-04-08 In The New Masters of Capital Timothy J Sinclair examines a key aspect of the global economy the rating agencies In the global economy trust is formalized in the daily operations of such firms as Moody s and Standard Poor s which continuously monitor the financial health of bond issuers ranging from private corporations to local and national governments Their judgments affect unimaginably large sums approximately 30 trillion in outstanding debt issues according to a recent Moody s estimate The difference between an AA and a BB rating may cost millions of dollars in interest payments or determine if a corporation or government can even issue bonds Without bond rating agencies there would be no standard means to compare risks in the global economy and international investment would be problematic Most observers assume that the agencies are neutral and scientific and that they interpret their role in narrowly economic terms But these agencies by their nature wield extraordinary power and exert massive influence over public policy Sinclair offers a highly accessible account of these institutions their origins and the rating processes they use to judge creditworthiness Illustrated with a wide range of cases this book offers a fresh assessment of the role of an often overlooked institution in the dynamics of modern global capitalism The Boss's Daughters Carl Douglass,2016-07-09 The Boss s Daughters is the fifth novella of Carl Douglass s McGee series Cinnamon and Paprika Paxton daughters of a Harlem crime lord and their security guards are kidnapped The parents are forbidden by the kidnappers to involve the police so McGee and the real story begins and spirals toward an end that no one could have expected **Soufflé** Asli Perker,2013-04-01 Three troubled lives one cookbook a recipe for self discovery Lilia wakes up one morning to discover that her marriage is not what it seemed Marc cannot face his empty apartment after the loss of his beloved Ferda struggles with the demands of family life but all she wants is to follow her passion to cook with freedom for the people she truly loves In this sweeping story taking in the streets and markets of New York Paris and Istanbul courage and desire begin to stir through three very different people A modern Turkish writer with the subtle steady gaze of Balzac With quiet brilliance Asli Perker shows how couples and families from Paris to the Philippines cope with sudden catastrophic loss And at the heart of the book balancing loss there is always food warming adding flavour expressing love and celebration Maggie Gee OBE
