The Swap By Megan Shull:

The Swap Megan Shull, 2014-08-26 Now a Disney Channel Original Movie Megan Shull's smart and funny twist on Freaky Friday is perfect for fans of Wendy Mass, Jerry Spinelli, and Jon Scieszka. This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. With one random wish, Jack and Ellie are living life in each other's shoes. He's her, and she's him. ELLIE assumed popular guys didn't worry about body image, being perfect, or talking to girls, but acting like you're cool with everything is tougher than it looks. JACK thought girls had it easy: no fights with bullies, no demanding dads, no power plays, but facing mean girls at sleepovers and getting grilled about your period is way harder than taking a hit to the face at sports practice. Now they're dealing with each other's middle school dramas: locker room teasing, cliques, video game battles, bra shopping, and a slew of hilariously awkward moments until they hopefully switch back. Told in both Jack's and Ellie's voices, The Swap offers a fresh and honest take on tween friendship, all while exploring more serious themes of family loss, empathy, and what it really means to be yourself. And as Jon Scieszka says, it's seriously, truly, fearlessly funny. Bounce Megan Shull, 2016-09-06 YouTube star Jojo Siwa to star in the upcoming movie adaptation. Bounce is a heartwarming story about a teenage girl who wishes she could trade her family for a new one on Christmas Eve. Her wish is granted, and she finds herself bouncing into the lives of other girls and living Christmas Day on repeat, learning the value of family, finding your voice, and the power of love. Variety: A celebration of the power of love and connection. Megan Shull's extraordinary novel captures one girl's journey to find her voice, heal her heart, and discover the joy of bouncing back. Seventh grader Frannie Hudson wonders what it would be like to trade in her family for a new one. Her big brother ignores her. Her mean older sister can't stand her. And her parents have just announced they're going on a last-minute vacation without her. When Frannie makes one desperate, crazy wish, BOOM! she magically bounces into a whole new life with a totally different family. And it is amazing. There's only one catch: waking up as someone else keeps happening. Plunged into lives and adventures she's only imagined from being a pop star, to meeting one super-cute boy, Frannie finds courage in the unforgettable friends and families she meets along the way. But as her new life spins out of control, Frannie begins to worry if she'll ever get back home. With Bounce, the author of The Swap, which is now a Disney Channel Original Movie, delivers another hilarious, heartwarming, and empowering story about a girl who relives the same day over and over again, each time as someone new. Megan Shull's novel is perfect for fans of Wendy Mass, Holly Goldberg Sloan, and Meg Cabot. **Billion Dollar Girl** Megan Shull, 2022-09-13 LUMINOUS and FULL OF HEART this book is a STUNNING GEM.
