The Swimming Triangle A Holistic Approach To Competitive Swimming:

The Swimming Triangle Nick Baker, 2012-10-08 The Swimming Triangle A Holistic Approach to Competitive Swimming is a unique innovative and essential guide to achieving superior mental technical and physical fitness in one of the world's greatest sports Whether you're a coach or a swimmer former Olympic coach Nick Baker's wholly integrated approach can help you maximize your true potential In this book Coach Baker offers proven results oriented methods for gaining and keeping a competitive edge including 75 winning mental concepts to use in training and competition 75 elite level technical concepts A complete breakdown of all starts strokes turns and finishes More than 100 stroke errors to avoid 100 progressive stroke drills 30 sample practices for novice junior and senior level swimmers Intensive dry land training circuits More than 100 strength and flexibility exercises

In the Know Nick Baker, 2015-05-27 If a parent had one wish they would wish that their child enjoyed a happy healthy prosperous and long life A child is most precious to a parent and the parent must do all they can to ensure that the child benefits to the fullest extent in all chosen endeavors In the case of swimming the parent must play an active role in decision making and advising the child along the way While the coach plays the lead role the parent must be solidly engaged in the process not in the specifics of coaching but in areas involving the child's health best interest and long term development Parents who respect the coach parent boundaries but play an active and supportive role advantage their child to a far greater extent than parents who are merely spectators to the process In The Know A Swim Parent's Guide provides parents with essential inside swimming knowledge geared to maximizing the child's swimming experience Learn more from Coach Baker at Peak Performance Swim Camp www.swimcamp.com offering weekend clinics and full week camps year round and located at multiple locations across the United States and abroad PEAK camps and clinics are unique in their holistic training approach personalized attention and targeting teaching The camp philosophy and holistic training approach originates from a book entitled The Swimming Triangle written by camp founder and 1992 Olympic Coach Nick Baker Coach Baker believes maximizing swimming potential requires a three sided approach focused on mental technical and physical conditioning But the holistic training approach is not the only thing that sets Peak Performance Swim Camp apart In Coach Baker's words I have a sacred obligation to bring out the best in every swimmer I see them as diamonds and my role is to make them shine And this viewpoint is shared by the entire PEAK coaching staff

Are You Worth It? Nick Baker, 2017-12-12 You can't achieve million dollar goals if your self worth is bankrupt The world of competitive swimming is very intense to say the least with swimmers in search of the magic that will take them to the top Could the secret lie in the latest swimsuit design an innovative training technique or a cutting edge diet Perhaps but I believe an essential mental quality known as self worth tops them all Simply put if you want to achieve important things in your swimming life you must first feel important and nothing else matters more than this Building that feeling is the singular purpose of this book Please take it's message to heart as the magic ultimately lies within you Nick Baker
