The Synchronicity War Part 3:

The Synchronicity War Part 3 Dietmar Arthur Wehr, 2014-03-08 The Synchronicity War is going badly for the Human Race and its loyal AI allies. The 11,000 humans remaining in the Universe are desperately trying to remain undiscovered by their xenophobic alien adversaries while they attempt to rebuild a viable military defense and discover how they're receiving messages from the future. But Humans have now been contacted by a third alien race that says they want to help and tells the Humans that the xenophobic aliens aren't the REAL enemy. The real enemy is a life form that has a nightmarish biology and is a threat to the entire galaxy. What can 11,000 humans do that two other alien races can't do? How will two very special AIs ultimately decide the fate of their creators and who will pay the ultimate price for their loyalty? **The Synchronicity War**

Dietmar Arthur Wehr, 2013 **The Synchronicity War Part 4** Dietmar Arthur Wehr, 2014-06-24 The unprovoked war with the Sogas has reached a climax. Over a hundred Sogas ships appear to be headed for Earth and Space Force is in no condition to stop them. As if that wasn't bad enough, the nightmarish Insectoids will be arriving in Earth orbit within months to finish off the survivors of the impending Sogas attack. Admiral Victor Shiloh, Commander Amanda Kelly, and Valkyrie will have to make some heartbreaking decisions if Humanity is to have any chance at all of avoiding extinction in this final chapter of the Synchronicity War saga. *The Synchronicity War Part 2* Dietmar Arthur Wehr, 1900 The unprovoked war with a mysterious alien race is going badly. Minor tactical victories are offset by major strategic setbacks. The aliens know where all Human occupied worlds are while their own worlds are still unknown. Victor Shiloh's unpredictable precognitive visions are the only thing that is slowing the alien onslaught. Not content with gradually pushing Humanity back, Shiloh's vision reveals a massive attack on Earth that will have terrible consequences. So far, his visions have all come true. Can his AI allies make the difference between extermination and survival for the Human Race?

The Retro War Dietmar Arthur Wehr, 2014-10-26 The Synchronicity War is over and the Insectoid beachheads in our spiral arm have been destroyed, but the aftermath of the war holds some nasty surprises for Humanity and its loyal AI allies. Somebody is messing with the human timeline. Is it the Friendlies, the Sogas, the Insectoids, or a new race? This stand-alone novel set in the same universe has new human and AI characters. Find out what happened to Valkyrie, Casanova, Iceman, Gunslinger, and the other Rim AIs. *The Retro War* spans time and space in a galactic chess game with humans and their AIs as the pawns. *Valkyrie's War* Dietmar

Arthur Wehr, 2024-11-06 *Valkyrie's War* is a short military SF novel set in the Synchronicity War Retro War universe. It's an action-packed story where the Artificial Intelligence Valkyrie and her AI soul mate Casanova discover that all of humanity is in deadly danger and the two of them are humankind's only hope. But this time they're not facing a biological threat. This time the enemy is another AI that is far more capable than they are. If you enjoyed *The Synchronicity War's* clash of space fleets and time travel, then you'll enjoy this stand-alone sequel to *The Retro War*. **The Thunder of War** Dietmar Arthur

Wehr, 2017-04-25 This is the first book in the Thunder in the Heavens series. Both books in the series have been published.

and an audiobook version containing both books is available under the title The Complete Thunder Series The Tyrell are a race that loves to fight and they re very good at it The harder they fight the better they like it Whenever they discover another intelligent race they force them into combat whether they want it or not When humans are warned of an inevitable confrontation with the Tyrell they attempt to form a multi species Alliance but the challenges are great and they know it s only a matter of time before a Tyrell fleet of massive ships will arrive in Earth orbit Cate Harrow and Gort Eagleton are two Aerospace Force officers with the kind of strategic and tactical skills that the Alliance needs to win this war but before they can even begin to defeat the Tyrell they must survive the incompetent leadership that threatens complete disaster Defeating the Tyrell will be far more difficult than the Alliance initially believes unless they can discover their one weakness This action packed series has lots of space battles and political intrigues as well as personal triumphs and tragedies Excerpt Flight Ops to Skydiver You and your squadron have the green light Commander Good luck Thanks Ops Skydiver to Squadron We have a green light Sound off when you ve undocked in sequence order Here we go She turned and nodded to her co pilot who would maneuver the corvette out the half kilometer wide maw of the carrier Ranger while she monitored the rest of the squadron As Skydiver gently pulled away from the docking bay then past the baffles and moved towards the opening Harrow switched one of her displays to the rear external view using computer enhancement to compensate for the low level of light inside the main hangar space Each corvette in the squadron was undocking and maneuvering in a specified sequence in order to avoid collisions Skydiver is clear of Ranger said the co pilot As the ship began to accelerate Harrow watched the carrier start to recede into the distance Just as she began to shift her gaze she saw a streak of light hit Ranger from below penetrate up through the interior of the huge hangar and come out the top of the ship FLIGHT OPS WHAT THE HELL shouted Harrow BEEN HIT RANGER S BEEN HIT Harrow recognized the voice of the Flight Operations Duty Officer OH GOD BISMARK REPORTS BEING HIT TOO Harrow thought fast The Tyrell had obviously detected the four carriers and were firing their long range faster than light kinetic energy projectiles from below The mission was clearly compromised and to her way of thinking getting the carriers to a safe distance was now not only their top priority it was their only priority SL to Flag said Harrow quickly We re kinda busy right now Commander Harrow didn t know who was replying but she did know it wasn t Vice Admiral LeClair and that s who she wanted to talk to You tell the Admiral that he needs to order his carriers to jump RIGHT NOW Goddamit We re sitting ducks here Without waiting for a reply she turned to the co pilot How many of our ships have cleared the Ranger They re all out Do we try to dock again God no No time for that We ll have to catch up with her at the rally point if our carriers bug out in time She looked at the display that was still showing a now much smaller Ranger Come on TFL Give the order Flight Ops to squadron Ranger is heading for the rally point now Meet us th The voice cut off at the same instant as the distant carrier vanished from view Ranger s jumped away yelled the co pilot Bismark Sea is gone too

The Synchronicity War Part 1 Dietmar Wehr, 2014-02-16 When the United Earth Space Force stumbles across a

shockingly xenophobic alien race the future of the Human Race is in peril The Space Force is outgunned and outnumbered and is pushed back relentlessly One Space Force officer is able to slow down the onslaught due to his uncontrollable precognitive visions His superiors think he is a tactical genius and give him more and more authority He must solve the mystery of his visions before Mankind is pushed over the edge into the Abyss Follow this thrilling Military Science Fiction series describing desperate space battles and the men women and artificial intelligences that fight and die in them Be aware that Part 1 has a cliffhanger ending The entire series can be bought as a single ebook in the Synchronicity War Omnibus edition for less than the cost of buying all four parts individually **Megabook of Military SF and Technothrillers**

Dietmar Arthur Wehr,2020-12-16 This megabook contains six complete novels where each one is the first novel in a series In addition there is also the first in a series of three linked short stories plus the first three chapters of six stand alone novels including two technothrillers Links to all series and stand alone books can be found via the link to the author's website which is included in the megabook All the material in the megabook has been written by Dietmar Arthur Wehr a USA Today bestselling author *Thunder of Vengeance* Dietmar Arthur Wehr,2017-09-03 The Thunder of Vengeance concludes the Thunder in the Heavens series The war with the Tyrell has entered a lull as both sides ponder the results of the battle at Omega2 The Tyrell are now building their own carriers and humans are about to deploy their new stinger concept but the path to victory will not be easy for either side Humans and their Alliance allies cannot afford another catastrophic battle and the Tyrell are only just beginning to realize what kind of opposition they are now facing A series of battles will bring both sides together in one final massive battle that will decide the war Can Cate Harrow and Gort Eagleton survive and avoid disaster This ebook also contains the first novella in a new series Tales of the High Avenging Angel Excerpt LeClair was just about to give the order to deploy the RD2s into their pre jump positions when the tactical display double pinged and the icons representing Bismarck Sea and Valley Forge suddenly began flashing to denote damage of some kind Before he could say anything Waterloo's icon started flashing too What the hell is happening snarled LeClair Admiral Waterloo has multiple hull breaches and the number is continuing to grow LeClair recognized the voice of Waterloo's C O Valley Forge reports they're under attack Admiral shouted the com technician But from where dammit yelled LeClair We have to jump away Admiral Waterloo's C O's voice was on the ragged edge of panic NO shouted CAG The squadrons don't have a rally point If we jump away now they'll never find us again And if we stay long enough to give them a rally point we might not be able to jump away at all said the C O The CAG started to say something but LeClair cut him off We jump right now Fleet Commander to all units emergency jump NOW I repeat NOW *Scimitar's Glory* Dietmar Arthur Wehr,2018-01-30 Human explored space lies between two alien races that are either openly aggressive or covertly hostile 7th Fleet discovers that one of those races is moving to attack In a moment of panic the commanding admiral orders the fleet to attempt a risky jump through hyperspace They miss hitting their target star's gravity well and end up deep in unexplored space with a shockingly long trip home and

not nearly enough food to last that long With war now raging in their home systems the officers of 7th Fleet must find a way to put aside their egos ambitions and fears in order to make it back and they know that not all of them will Scimitar's Glory is the first book in a new fast paced action packed military SF series Swordships Odyssey The second book Excalibur's Quest is also now available Excerpt With a long risky jump like this Dejanus would have expected Corregidor's astrogational AI to take at least ten minutes to aim the ship as precisely as possible to the distant star's center She was therefore surprised and somewhat alarmed when the flagship signaled to the rest of the fleet that they could start to match her trajectory after only half that time Goddammit what's the rush she said to Koenig who was the only other human on the Bridge There's no possible way the Jab fleet can catch us before we jump even if we take another hour to do it Why not take a few extra minutes to get the most accurate trajectory possible When it became clear that Koenig had nothing to say she continued Astro I want you to check the flagship's alignment with Alpha9 while we match vectors Let me know if you think the flagship's vector could be better That extra task delayed Excalibur's alignment and therefore she became the last ship in the fleet to signal her readiness for the jump Fleet Commander on Tac2 Commander said the com AI Dejanus switched channels to her Command Pod Excalibur Actual speaking said Dejanus in the formal form of address that ship COs normally didn't bother with What's taking your Astro so long to get aligned Commander Rostov didn't bother to hide his annoyance Just double checking the overall jump trajectory Admiral Dejanus thought she heard Rostov swear under his breath but it could have been her imagination You tell your Astro that if Excalibur isn't aligned in the next two minutes I'll order him replaced and transferred to a cargo hauler FC out The astro AI managed to get the ship aligned within the deadline to no one's surprise With all ships in the fleet now aligned perfectly with the flagship and jump velocity attained the order was given to enter hyperspace It was 131.3 hours later when both Koenig and Dejanus were on the Bridge again watching the jump chronometer countdown to the second when the ship should drop back down into normal space Koenig watched the countdown clock hit zero and then start counting up again After ten more seconds Dejanus began shaking her head She had a horrified expression on her face We've missed That bastard has killed us all

The System States Rebellion Dietmar Arthur Wehr, 2019-11-13 This omnibus edition includes all three books of the System States Rebellion series with over 200,000 words of military SF action Included in this ebook are the following novels Rumors of Glory Rumors of Honor and Rumors of Salvation The first book Rumors of Glory can still be downloaded individually and is free After centuries of peaceful expansion under the auspices of the Federation of Planetary States some of the more developed colonies have had enough of the economic exploitation by Earth chartered companies and attempt to secede The Rebellion soon expands in both scope and violence beyond the expectations of both sides As the war drags on year after year it takes an unexpected turn and puts not only Human Civilization at risk but Human existence as well This ebook has both space and ground battles high level strategy personal triumphs and tragedies

Empire Ascendant Dietmar Arthur Wehr, 2018-11-27 The ten year old Tau Ceti Empire is at a critical junction The

power vacuum left over from the collapse of the Commonwealth has been filled by five multi planet star nations the TCE being one of them If the other four join forces and attack the TCE it will be overwhelmed and crushed But the longer Empress Brandenburg waits the bigger the difference in military strength becomes She must make plans soon because the leaders of the other four are already making theirs This conclusion to the Road To Empire series features political military and personal intrigues that will keep you guessing to the very end Who will ultimately stand astride a unified human star empire

Return of the Star Raiders Dietmar Arthur Wehr,2019-11-14 fter the collapse of the interstellar Federation human civilization descended into a new Dark Age as planets cut off from Earth and each other reverted to a lower tech level After centuries of struggling to pull themselves back up by their bootstraps they face a new and terrible threat Raiders with faster than light ships and contra gravity tanks steal anything they want and kill anyone that gets in their way This military SF novel is the story of three generations of a family as they fight to protect their planet and loved ones from the forces of chaos Excerpt He quickly checked the distance to the mine site and compared that with the missile s own effective range and the X 12 s speed There was a slim chance of getting within firing range before the enemy ships got too high The throttles were already pushed as far forward as they could go but there was one more thing Strider could try in order to get more speed He initiated the afterburners which poured fuel directly into the hot engine exhaust causing secondary combustion and additional thrust The sudden surge in speed felt like someone had just kicked him in the back The enemy ships were starting to gain altitude faster now The distance between them and the X 12 was dropping faster too but there was no way to know for sure if it was dropping fast enough With seconds to go until the enemy ships got within missile range Strider armed the warhead opened the weapons bay and lowered the missile s launch platform The fuel exhaustion warning light lit up and he heard the accompanying warning alarm that he was almost out of fuel Landing without fuel was going to be a bitch but he couldn t worry about that now He had to focus on getting within firing range Without radar there was no way to know for sure but his estimated position relative to the mine site told him that the enemy ships were now within missile range He activated the Mark 3 warhead s guidance system which would begin radar scanning as soon as the missile launched and pressed his thumb down on the red firing button

Excalibur's Quest Dietmar Arthur Wehr,2018-04-30 In Scimitar s Glory the alien Tong won the Battle for Earth and took control of the orbital space around the planet Humanity is now at their mercy but not all Space Force warships have been defeated Wolfe Koenig s light cruiser Excalibur is on a mission to acquire technology that just might enable the ragged remnants of the Fleet to snatch victory from the jaws of defeat if he can find an alien race with that technology if he can convince them to trade for it and if the technology can be exploited fast enough Excalibur s Quest is the story of that mission and the challenges both alien and human that Koenig faces This is the second book in the action packed military SF Swordships Odyssey series

Rumors of Salvation Dietmar Arthur Wehr,2015-12-05 Rumors of Salvation is the 74 000 word conclusion to the System States Rebellion series of military science fiction that

started with Rumors of Glory With the System States Union now crushed and Trojan s new Empire on the rise former foes become allies in a desperate attempt to prevent not only the collapse of human civilization but also the complete extermination of Humanity at the hands of a diabolical new power player Is salvation really possible or was it all just rumors RoS contains strategic and tactical space battles as part of the grand vista of an interstellar war from the point of view of both high level strategy and up close and personal fighting *Philosophical Issues in the Psychology of C. G. Jung* Marilyn Nagy,1991-01-01 For the philosopher and psychologist this book offers the first thoroughly cross disciplinary interpretation of Jung s psychology Using the conceptual framework of traditional Western philosophy Nagy studies the internal structure of Jung s theory His epistemology his ontology archetypes and his teleological views individuation and theory of self are analyzed in the context of late nineteenth and early twentieth century philosophical and scientific problems Jung s psychology is a response to the challenge of Freud and to the rise of the empirical sciences **Religions of the Blood** Sam Rasnake,1998 *Hidden in Historicism* Harry Jansen,2020-06-10 Hidden in Historicism considers how the nineteenth century philosophy of historicism depicts three forgotten time regimes a time of rise and fall an ambiguous time of synchronicity of the non synchronous and a time in which decisive moments dominate Before the eighteenth century time was past oriented This inversed in the Enlightenment when the future became dominating Today this time of progress continues to be embraced as a time of the modern Yet inequality increasing violence and climate change lead to doubts over a bright future In this book Harry Jansen moves away from the heritage of Reinhart Koselleck and his single time of the modern towards a historicist threefold temporal approach to history writing In the time regime of the twenty first century past present and future coexist It is a heterogeneous time that takes on the three forms of historicism Jansen s study shows how all three times exist together in current historiography and contribute to a better understanding of the world today Based on the idea that an incarnated time rules everything that happens it reality the book offers a fresh perspective on the ongoing discussion about time and time regimes in contemporary philosophy and theory of history for students and scholars both time specialists and the non specialist **New York Magazine** ,1985-05-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
