Gane, Leo R. Van Dolson, 1993 [What Every Seventh-Day Adventist Should Know About the Shepherd's Rod](#) Garrick D. Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism **Exposing Seventh-Day Adventism** Russell Earl Kelly Ph. D., 2005-07-22 Seventh day Adventism entices members into it using trickery and half truths They tell the unenlightened public one thing and insiders yet another Dr Kelly explains how he was tricked into joining He then refutes the theological fiasco called the Investigative Judgment which created the sect Much of the book looks at the Sabbath with fresh insight The final part reveals the mysterious realms of Sheol and Hades in order to expose SDA error about the soul Russell Kelly is also the author of Should the Church Teach Tithing A Theologian s Conclusions about a Taboo Doctrine a best seller on Amazon com under Tithing since 2001 [Seventh-Day Adventists, Ellen G. White, and Salvation](#) R. Van Orden, 2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh Day Adventist Church Why is it that so many Seventh Day Adventists do not have the assurance of salvation What criteria in the Bible and what specifically in Ellen G White s writings might lead someone to believe they were not fit for heaven that they did not qualify to be there that God would not forgive them and there was more required than just relying

on Jesus's sacrifice to cover their sins. If they did not meet a strict set of rules, would God cast them aside in the end? In this book, you will find out just who are the saved, who are the lost, and what happens to them in the end, and what end times will look like according to Ellen G. White and the SDA Church. The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven-year period in the preparation of this book. It is the author's hope and prayer that this book will make the reader question not their belief in the saving grace of God and the loving sacrifice of Jesus, but rather question anything that might have come between them and that grace. *Seventh-day Adventists Believe*, 1988 Fundamental Doctrines of the Seventh-day Adventists

The Truth about Seventh-Day Adventism Walter Martin, 1960 The historical background of Seventh-day Adventism Psychological factors The heart of Adventist theology Ellen G. White and the spirit of prophecy The sleep of the soul and the destruction of the wicked The Sabbath the Lord's Day and the mark of the beast The sanctuary the investigative judgment and the scapegoat Law, grace and salvation The remnant church The problem of fellowship a great controversy **Answers to Objections** Francis D.

Nichol, 2004 After careful study of the supposed reasons offered for not accepting the teachings of Seventh-day Adventists, the author answers in this volume those which are most commonly encountered. It was on this basis that the author compiled the list of objections considered in this book. The objections answered in this unique and most helpful encyclopedic volume are not straw men but real problems faced by every minister, evangelist, literature evangelist, layman, and youth soul winner who seeks to promote Seventh-day Adventist teachings. The Teachings of Seventh-Day Adventism John Henry

Gerstner, 1960 A comparison of the tenets of Seventh-Day Adventism with traditional Christian doctrines *Studies on Adventism's Evangelical Gospel* Nyron Medina, 2019-01-16 What makes a Seventh-day Adventist a real Seventh-day Adventist? An Adventist is made what he is by the faith of Adventism; he is a Seventh-day Adventist by the pillars of the Faith and by the prophecies given to him by the Holy Spirit's revelation. It is not the denomination of the SDA Church that designates a person as a true Seventh-day Adventist; it is the denominated faith of Seventh-day Adventism that makes him a Seventh-day Adventist. Affiliation with the body is good, but is not the element in true brotherly fellowship; the real element is in fellowshiping with those who have the real faith and morals. We are Thusia Seventh-day Adventists. The name Thusia does not stand for a new religion; it is an adjectival noun that describes what kind of Adventists we are. The word Thusia is the Greek word for sacrifice in the LXX and the Greek of the New Testament or Second Witness. It means that we are sacrificial Seventh-day Adventists, those who have sacrificed or denied self for the sake of love to God and love to their fellowmen because of the moral influence of the sacrifice Thusia Jesus made for us. This is true Seventh-Day Adventism as is revealed in Romans 12:1 and Psalm 50:5. As the material of this book testifies, we have thoroughly examined the false SDA teachings, presented the teachings of true historic Adventism, and compared them with the false ones for all to see what has happened in the church. We have done all this in principled love so that when the inquiry is made as to what is the difference between Thusia SDA

and the traditional SDA denomination people can have an appropriate answer so as to not be deceived to accept the SDA church in its lukewarm state as a church approved of God **The a to Z of the Seventh-Day Adventists** Gary

Land,2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination **Reasons for Our Faith** Francis David Nichol,1947 *Jesus Has Already Returned and You Missed It* John C. Rigdon,2015-11-02 This book began as an academic study of the various predictions in history of Christ s return I may yet publish that work but due to the current interest and misunderstanding of the Seventh Day Adventists this volume specifically addresses their beliefs and how they differ from Christian doctrine This book is not presented as a judge of Ben Carson s faith in Christ but as a look at how his beliefs align with what we know of Adventism in lieu of his presenting as a presidential candidate I m proud of the fact that I believe what God has said and I ve said many times that I ll defend it before anyone Dr Carson told the Adventist Report in 2013 I want them to understand that we re very reasonable people and kind people but we do have values and principles that we live by and those are the things God has set forth in his word So what are these values and principles By which he and other Seventh Day Adventists live This book focuses on a baker s dozen of their beliefs Only those who worship on Saturday can be saved All churches other than Seventh Day Adventist SDA church are teaching lies from the Devil Only SDA members are true and obedient believers Jesus is Michael the Archangel and this is the name used for him Jesus in the Old Testament Christ s death did not fully atone for our sins Jesus is now cleaning the sanctuary i e making atonement in the heavens before he can return to the earth You will have to stand before God for judgment without a mediator A person can become sinless while they are still living on this earth in their physical body sinless perfection Jesus Has Already Come in 1844 The souls of believers in Christ are not in heaven but are sleeping in the graves soul sleep The wicked will be finally and totally annihilated They will simply cease to exist after the final judgment They do not believe in the eternal punishment of Satan and his fallen angels They believe in and demand vegetarianism They believe you should revere their founding prophetess Ellen G White and that her writings are on par with the Bible

Seventh Day Adventism & the False Prophecies of Ellen G. White Billy Crone,2020-09-22 The Seventh Day Adventist cult was actually established by accident or you might say a bad judgment made by a man named William Miller He made the mistake of proclaiming that Jesus would return on a certain date that didn t happen He tried to fix it by setting another date which also didn t happen He eventually decided that what he was doing was wrong and repented and said he would never do it again Unfortunately it didn t stop there and the organization continued on After splitting several times a lady named Ellen G White came on to the scene While a child she was hit in the head with a rock causing her to be unconscious for a period of time Because of what could be called brain damage she started seeing visions that she said were from God The Seventh Day Adventists now had a prophet giving the people new revelations that they had to follow in order to get to Heaven But even

now when they follow all the rules that she put forth they never know if they have actually accomplished everything to get to Heaven As you read Seventh Day Adventism the False Prophecies of Ellen G White you will understand how these people are being led away from Heaven Some of the topics are Why is it wrong to set dates for the return of Jesus Why do they have to pass Investigative Judgement in order to get to Heaven Where did the Clear Word Bible come from What is Soul sleeping How does Kellogg cereal fit in Seventh Day Adventism Do Seventh Day Adventist believe in a Heaven and a Hell Who are the Seventh Day Adventist celebrities You will find that after studying Seventh Day Adventist the False Prophecies of Ellen G White these people are in great need of hearing the Gospel of Jesus Christ and to be told that they need to run not walk and get out of this cult as fast as they can This study will give you the necessary tools needed to witness to a member of Seventh Day Adventism and open their eyes to the false teachings that they have been under This is definitely a book you need to complete your library *Theology of Seventh-Day Adventism* Herbert S. Bird,1961 **Growing in Christ** Kwabena Donkor,2012 *Adventism Made Easy* Elce-Junior Lauriston,2024-05-13 Adventism Made Easy Beliefs and Teachings of Seventh day Adventists is a condensation or abridge version of some materials in my three major volumes Hiding In Plain Sight The False Doctrines of Seventh day Adventism and also of my chapter in Dr Eric Mason s Urban Apologetics Cults and Cultural Ideologies In the book I steelman and give concise breakdowns of pivotal SDA doctrines and teachings such as the prophetic ministry and authority of Ellen G White the Investigative Judgement Sinless Perfectionism the Scapegoat the Great Controversy and the Ten Commandment Law the Sabbath the Mark of the Beast the Health Message Jewelry and Cosmetics the Remnant Church how they view Roman Catholicism and Protestant Churches and the Nature of Humans After these breakdowns I provide concise Christian responses to them In this book I also reveal some racist teachings of Ellen G White some of her failed prophecies contradictions of Scripture and herself as well as her absurd beliefs ridiculous teachings and stifling legalisms
