Turning Retirement Funds Into Start-Up Dreams Financing and Retirement Funding Options for Your Start-Up Business

Adam Bergman, 2015-11-25 The entrepreneurial spirit is the backbone of our nation's success. It's in our DNA to dream of becoming a business owner. The hard part is finding the finances. Turning Retirement Funds Into Start-Up Dreams is the next best thing to a private consultation with author Adam Bergman Esq, a leading expert on IRAs and 401 k plans. And what you'll discover is that investing in yourself with your own retirement funds could be a viable option for you under the right circumstances. This book provides a detailed analysis of various ways you can finance a business venture including using personal savings, acquiring a traditional loan or SBA loan, using a credit card, approaching family or friends, and crowdfunding. It then discusses in detail the amazing benefits and limitations of the self-directed IRA 401 k plan loan option and the Rollover Business Start-Up (ROBS) as business funding solutions. Illustrating these approaches through a fictional conversation between Ken, who would like to quit his job and start a water business, and a helpful tax attorney named John, this book clearly explains how each funding structure works so you can apply the information to your entrepreneurial dreams. **Finance**
