

The book cover features a dark, moody landscape with a large, dark building on the left and a path leading towards a distant, lighter area on the right. The title 'TWILIGHT' is prominently displayed in the center in a large, white, serif font. The author's name 'William Gay' is at the bottom right, with 'a novel' underneath it. Twilight William Gay

Dr. Robert Jeffress

Twilight William Gay:

Twilight William Gay, 2010-08-13 Suspecting that something is amiss with their father's burial, teenager Kenneth Tyler and his sister Corrie venture to his gravesite and make a horrific discovery: their father, a whiskey bootlegger, was not actually buried in the casket they bought for him. Worse, they learn that the undertaker Fenton Breece has been grotesquely manipulating the dead. Armed with incriminating photographs, Tyler becomes obsessed with bringing the perverse undertaker to justice. But first, he must outrun Granville Sutter, a local strongman and convicted murderer hired by Fenton to destroy the evidence. With his poetic, haunting prose, William Gay rewrites the rules of the gothic fairytale while exploring the classic Southern themes of good and evil.

Twilight William Gay, 2008 From the acclaimed author of *Provinces of Night* comes a Southern gothic novel about an undertaker who won't let the dead rest.

Bowker's Guide to Characters in Fiction 2007, 2008-02

The Lost Country William Gay, 2020-07-14 Ten years after it was first announced, Dzanc is proud to deliver the lost novel from a master of the Southern Gothic: the work William Gay fans have anticipated for a decade. Billy Edgewater is a harbinger of doom. Estranged from his family, discharged from the Navy, and touched by a rising desperation, he sets out hitchhiking home to East Tennessee, where his father is slowly dying. On the road, separately, are Sudy and Bradshaw, brother and sister, and a one-armed con man named Roosterfish. All in one way or another, have their pasts and futures embroiled with D. L. Harkness, a predator in all the ways there are. Hounded at every turn by scams, vigilantes, grievous loss, and unspeakable violence, Edgewater navigates the long road home, searching for a place that may be nothing but memory. Hailed as a seemingly effortless storyteller by the *New York Times Book Review* and a writer of striking talent by the *Chicago Tribune*, William Gay, with this long-awaited novel, secures his place alongside Faulkner, O'Connor, and McCarthy as one of the greatest novelists in the Southern Gothic tradition.

The Long Home William Gay, 2011-11-01 In a literary voice that is both original and powerfully unsettling, William Gay tells the story of Nathan Winer, a young and headstrong Tennessee carpenter who lost his father years ago to a human evil that is greater and closer at hand than any the boy can imagine until he learns of it first hand. Gay's remarkable debut novel *The Long Home* is also the story of Amber Rose, a beautiful young woman forced to live beneath that evil who recognizes even as a child that Nathan is her first and last chance at escape. And it is the story of William Tell Oliver, a solitary old man who watches the growing evil from the dark woods and adds to his own weathered guilt by failing to do anything about it. Set in rural Tennessee in the 1940s, *The Long Home* will bring to mind once again the greatest Southern novelists and will haunt the reader with its sense of solitude, longing, and the deliverance that is always just out of reach.

New Statesman, 1996

I Hate To See That Evening Sun Go Down William Gay, 2002-10-15 William Gay firmly established himself as the big new name to include in the storied annals of Southern Lit. *Esquire* with his debut novel *The Long Home* and his critically acclaimed follow-up *Provinces of Night*. Like Faulkner's *Mississippi* and Cormac McCarthy's *American West*, Gay's Tennessee is redolent of broken, colorful souls hard at work charting the pathos of their

interior lives His debut collection *I Hate to See That Evening Sun Go Down* brings together what Gay's dedicated readers are eager for and what new readers will find the perfect introduction to his world thirteen stories that are mined from this same fertile soil teeming with the grizzled everyday folk that Gay is famous for bringing to life In these pages readers meet old man Meecham who escapes from his new nursing home only to find his son has rented their homestead to white trash Quincy Nell Qualls who not only falls in love with the town lothario but pregnant is faced with an inescapable end when he abandons her Finis and Doneita Beasley whose forty year marriage is broken up by a dead dog Bobby Pettijohn who is awakened in the middle of the night by the noise and lights of a search party looking for clues after a body is discovered in his backwoods William Gay expertly sets these conflicted people who make bad choices in life and love against lush back country scenery and somehow manages to defy moral logic as we grow to love his characters for the weight of their human errors Diverse as these tales are what connects them is the powerful voice of a born storyteller *Twilight's Last Gleaming* Dr. Robert Jeffress, 2012-01-01 Never in recent history have Christians been more discouraged and fearful about our country's future Economic chaos immorality terrorism and global turmoil have convinced many that we are living in the twilight days of America Dr Robert Jeffress agrees But it is not the end of the story he writes in *Twilight's Last Gleaming* Although we cannot prevent America's eventual demise we can delay it and make a difference for eternity at the same time For everyone who wonders what can be done right now within our culture our churches in the voting booth and our neighborhoods Jeffress answers with biblical insight and real world clarity showing Christians how to seize this unprecedented opportunity and point people to our only Hope **Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report *The Poetry Cure* Robert Haven Schauffler, 1925
