Two Planks And A Passion The Dramatic History Of Skiing:

Two Planks and a Passion Roland Huntford, 2008-09-29 Roland Huntford's brilliant history begins 20 000 years ago in the last ice age on the icy tundra of an unformed earth Man is a travelling animal and on these icy slopes skiing began as a means of survival That it has developed into the leisure and sporting pursuit of choice by so much of the globe bears testament to its elemental appeal In polar exploration it has changed the course of history Elsewhere in war and peace it has done so too The origins of skiing are bound up in with the emergence of modern man and the world we live in today

Skiing Heritage Journal ,2009-09 Skiing Heritage is a quarterly Journal of original entertaining and informative feature articles on skiing history Published by the International Skiing History Association its contents support ISHA's mission to preserve skiing history and to increase awareness of the sport's heritage *Two Planks and a Passion* Roland

Huntford, 2013-01-31 Predating the wheel the ski has played an important role in our history This is brilliantly brought to life in this engaging book Roland Huntford's history begins 20 000 years ago in the last ice age on the icy tundra of an unformed earth Man is a travelling animal and on these icy slopes skiing began as a means of survival That it has developed into the leisure and sporting pursuit of choice by so much of the globe bears testament to its elemental appeal In polar exploration it has changed the course of history Elsewhere in war and peace it has done so too The origins of skiing are bound up in with the emergence of modern man and the world we live in today **Historical Dictionary of Skiing** E. John B. Allen, 2012

Skiing is one of the oldest modes of transportation known predating the wheel with dated artifacts to prove its pedigree Skiing for sport however did not become common until about 150 years ago The first Winter Olympic Games held in Chamonix France in 1924 were the first to introduce skiing as a competition Events were held in both ski jumping and cross country skiing With advances in technology and increased leisure time the popularity of skiing as a sport has risen exponentially since it was first introduced The Historical Dictionary of Skiing relates the history of the sport through a comprehensive alphabetical dictionary with detailed cross referenced entries on key figures places competitions and governing bodies within the sport Author E John B Allen introduces the reader to the history of skiing through a detailed chronology an introductory essay appendixes and an extensive bibliography This book is an excellent access point for researchers students and anyone interested in the history of skiing **Aiming High** Mark Frary, 2012-10-25

Erna Low born in Vienna in 1909 was instrumental in starting what has become a multimillion pound industry the ski holiday business In 1932 she placed an advert in the Morning Post saying Austria fortnight 15 only including rail and hotel arranged by young Viennese Gradurette for young people leaving Christmas For her it was a way to get back home to see her family over Christmas but the popularity of the trip soon saw it develop into a lucrative business Erna an Austrian javelin champion and handball player soon branched out into parties for the young elite at country houses around Britain becoming something of a matchmaker for the 20 and 30 somethings who flocked to her events year after year When war came to Europe she joined the

BBC listening in on German broadcasts to help the Allied effort After normality had been restored she grasped the opportunity offered by rising standards of living and grew her eponymous company into a leading travel company in the market by the 1960s introducing many holiday destinations and concepts to the British market A consummate networker Erna Low introduced herself to the great and the good and became their friend and confidante She taught royalty actors and politicians to ski This illustrated hardback biography examines Erna s life including interviews with her friends and colleagues and shows how her strength of character and business nous enabled her to succeed in a male dominated world It will appeal to anyone interested in the history of skiing and travel in Britain the hundreds of thousands of past and present customers of Erna Low as well as anyone interested in how an independent young Austrian woman from a challenging background became a household name and business success in Britain A foreword has been written by Roger Lloyd Pack 2012 is the 80th anniversary of the first Erna Low organised ski trip The current chief executive of her company has an amazing archive of material collected by Erna during her life and it was going through this that inspired me to write it says author Mark about Aiming High *Everyone to Skis!* William D. Frank,2013-10-31 Nowhere in the world was the sport of biathlon a combination of cross country skiing and rifle marksmanship taken more seriously than in the Soviet Union and no other nation garnered greater success at international venues From the introduction of modern biathlon in 1958 to the USSR s demise in 1991 athletes representing the Soviet Union won almost half of all possible medals awarded in world championship and Olympic competition Yet more than sheer technical skill created Soviet superiority in biathlon The sport embodied the Soviet Union s culture educational system and historical experience and provided the perfect ideological platform to promote the state s socialist viewpoint and military might imbuing the sport with a Cold War sensibility that transcended the government s primary quest for post war success at the Olympics William D Frank s book is the first comprehensive analysis of how the Soviet government interpreted the sport of skiing as a cultural ideological political and social tool throughout the course of seven decades In the beginning the Soviet Union owned biathlon and so the stories of both the state and the event are inseparable Through the author s unique perspective on biathlon as a former nationally ranked competitor and current professor of Soviet history *Everyone to Skis* will appeal to students and scholars of Russian and Soviet history as well as to general readers with an interest in skiing and the development of twentieth century sport

Skiing Into Modernity Andrew Denning,2014-11-26 Examines the relationship between skiers and the Alpine environment since the late nineteenth century It argues that skiing and winter tourism modernized the Alps in both material and perceptual terms while the Alpine landscape itself challenged skiers to alter their practices and philosophies of sport leisure and nature harmonizing Alpine skiing with modern cultural values and social practices in the twentieth century Provided by publisher [Ski Jumping in the Northeast: Small Towns and Big Dreams](#) Ariel Picton Kobayashi,2021 Dozens of towering ski jumps once dotted the landscape across the northeastern United States Introduced by Norwegian immigrants in

the late 1800s ski jumping became popular in Maine New Hampshire Vermont Massachusetts New York and Connecticut From Lake Placid to Salisbury crowds thronged to the jumps to watch Youngsters like the Tokle brothers and Roy Sherwood rose to stardom All of that changed in the 1980s though with the end of college jumping Today only a handful of jumping clubs remain But in a rare few communities a strong sense of tradition keeps the spirit alive Join author and coach Ariel Picton Kobayashi as she examines ski jumping s fascinating identity as both a small town tradition and thrilling sport
