of Productions Performers and Personnel provides a chronological calendar of London shows from January 1940 through December 1949. The volume chronicles more than 2,400 productions at 53 major central London theatres during this period. For each production the following information is provided: Title, Author, Theatre, Performers, Personnel, Opening and Closing Dates, Number of Performances. Other details include genre of the production, number of acts, and a list of reviews. A comment section includes other interesting information such as plot description, first night reception by the audience, noteworthy performances, staging elements, and details of performances in New York either prior to or after the London production. Among the plays staged in London during this decade were *The Light of Heart*, *Mr Bolfray*, *Perchance to Dream*, *Pacific 1860*, *Bless the Bride*, *The Lady's Not for Burning*, *The Late Edwina Black*, *Outrageous Fortune*, *Seagulls over Sorrento*, and *Buoyant Billions*, as well as numerous musical comedies, British and American foreign works, operas, ballets, and revivals of English classics. A definitive resource, this edition revises, corrects, and expands the original calendar. In addition, approximately 20 percent of the material in particular information of adaptations and translations, plot sources, and comment information is new. Arranged chronologically, the shows are fully indexed by title, genre, and theatre. A general index includes numerous subject entries on such topics as acting, audiences, censorship, costumes, managers, performers, prompters, staging, and ticket prices. *The London Stage 1940-1949* will be of value to scholars, theatrical personnel, librarians, writers, journalists, and historians.
