Channeling Jon Klimo, 1998-04-17 In this study of channeling earlier called spirit communication or mediumship Klimo who teaches at Rosebridge Graduate School in the San Francisco Bay Area writes with clarity about the communication of information to or through a physically embodied human being from a source on some other level or dimension of reality other than the physical as we know it He profiles recent channels and their sources goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses Solomon Muhammad Merlin Nostradamus Swedenborg and Edgar Cayce He discusses the sorts of people who are channels kinds of information channeled sources of information channeled and varieties of channeling like clairvoyance and automatic writing According to Klimo few people tap into their abilities to perform channeling and for those who think they can he serves as guide

Outbreak! Hilary Evans, Robert E. Bartholomew, 2009 From fads crazes and manias to collective delusions scares panics and mass hysterias history is replete with examples of remarkable social behavior Many are fueled by fear and uncertainty others are driven by hope and expectation For others still the causes are more obscure This massive collection of extraordinary social behaviors spans more than two millennia and attempts to place many of the episodes within their greater historical and cultural context Perhaps the most well known example of unusual collective behavior occurred in 1938 when a million or more Americans were frightened or panicked after listening to a realistic radio drama about a Martian invasion of New Jersey based on an adaptation of the H G Wells novel *War of the Worlds* Less known but equally remarkable scares based on Wells book occurred in Chile in 1944 when Army units were mobilized in Ecuador in 1949 when riots broke out leaving more than a dozen dead as well as in Buffalo in 1968 Rhode Island in 1974 and Europe in 1988 and 1998 The modern civilized world is by no means immune to such peculiar episodes In the late 20th century scores of people in the U S and Europe were wrongly incarcerated following claims of Satanic ritual abuse by authorities untutored in False Memory Syndrome This episode recalls the European witch terror of the late Middle Ages when innocent people were tortured and

executed for consorting with the Devil based on the flimsiest of evidence OUTBREAK THE ENCYCLOPEDIA OF EXTRAORDINARY SOCIAL BEHAVIOR is an authoritative reference on a broad range of topics collective behavior deviance social and perceptual psychology sociology history folklore religious studies political science social anthropology gender studies critical thinking and mental health Never before have so many sources been brought together on the mesmerizing topic of collective behavior **UFOs and the Extraterrestrial Contact Movement: The extraterrestrial contact movement** George M. Eberhart, 1986
