The Rebirth of Private Policing Les Johnston,2005-06-22 these are just two of the issues addressed by Les Johnston who argues that policing far from being the exclusive preserve of public personnel is an activity undertaken by a mixture of public private and quasi public agents His book reviews the history of private policing examines developments of current concern and finally considers the implications of these developments both for the sociology of policing and for a more general understanding of public private relations in the late 20th century

Change and Reform in Law Enforcement Scott W. Phillips,Dilip K. Das,2016-10-26 This book provides broad exposure to a variety of policing reforms that have not received adequate attention It includes information and examples from different countries regarding efforts to change aspects of policing that are problematic or involve changes in the way crimes are committed Some of the efforts to improve the police are relatively recent i e using social media and some areas of policing that seem to require frequent attention i e working with the public

Policing Citizens P.A.J. Waddington,2002-11-01 This analysis of policing throughout the modern world demonstrates how many of the contentious issues surrounding the police in recent years from paramilitarism to community policing have their origins in the fundamentals of the police role The author argues that this results from a fundamental tension within this role In liberal democratic societies police are custodians of the state s monopoly of legitimate force yet they also wield authority over citizens who have their own set of rights

Encyclopedia of Law Enforcement Larry E Sullivan,Marie Simonetti Rosen,Dorothy M Schulz,M. R. Haberfeld,2004-12-15 Click Additional Materials for downloadable samples Although there is a plethora of studies on crime and punishment law enforcement is a relatively new field of serious research When courts sentencing prisons jails and other areas of the criminal justice system are studied often the first point of entry into the system is through police and law enforcement agencies Unfortunately understanding of the important issues in law enforcement has little general literature to draw on Currently available reference works on policing are narrowly focused and sorely out of date To this end a distinguished roster of authors representing many years of knowledge and practice in the field draw on the latest research and methods to delineate describe and analyze all areas of law enforcement This three volume Encyclopedia of Law Enforcement provides a comprehensive critical and descriptive examination of all facets of law enforcement on the state and local federal and national and international stages This work is a unique reference source that provides readers with informed discussions on the practice and theory of policing in an historical and

contemporary framework The volumes treat subjects that are particular to the area of state and local federal and national and international policing Many of the themes and issues of policing cut across disciplinary borders however and several entries provide comparative information that places the subject in context Key Features Three volumes cover state and local federal and international law enforcement More than 250 contributors composed over 400 essays on all facets of law enforcement An editorial board made up of the leading scholars researchers and practitioners in the field of law enforcement Descriptions of United States Federal Agency law enforcement components Comprehensive and inclusive coverage exploring concepts and social and legal patterns within the larger topical concern Global multidisciplinary analysis Key Themes Agencies Associations and Organizations Civilian Private Involvement Communications Crime Statistics Culture Media Drug Enforcement Federal Agencies Organizations International Investigation Techniques Types of Investigation Investigative Commissions Law and Justice Legislation Legal Issues Military Minority Issues Personnel Issues Police Conduct Police Procedure Policing Strategies Safety and Security Specialized Law Enforcement Agencies Tactics Terrorism Victims Witnesses Editors Marie Simonetti Rosen Dorothy Moses Schulz M R Haberfeld John Jay College of Criminal Justice Editorial Board Geoffrey Alpert University of South Carolina Thomas Feltes University of Applied Police Sciences Spaichingen Germany Lorie A Fridell Police Executive Research Forum Washington DC James J Fyfe John Jay College of Criminal Justice David T Johnson University of Hawaii at Manoa Peter K Manning Northeastern University Stephen D Mastrofski George Mason University Rob Mawby University of Plymouth U K Mark Moore Harvard University Maurice Punch London School of Economics U K Wesley G Skogan Northwestern University
