Köstenberger, Margaret Elizabeth Köstenberger, 2014-08-31 Equipping a New Generation to Live Out God's Design This thorough study of the Bible's teaching on men and women aims to help a new generation of Christians live for Christ in today's world Moving beyond other treatments that primarily focus on select passages this winsome volume traces Scripture's overarching pattern related to male female relationships in both the Old and New Testaments Those interested in careful discussion rather than caustic debate will discover that God's design is not confining or discriminatory but beautiful wise liberating and good Native Americans and the Christian Right Andrea Smith, 2008-04-01 Argues that previous accounts of religious and political activism in the Native American community fail to account for the variety of positions held by this community *Protestantism in America* Randall Balmer, 2005-11-18 As America has become more pluralistic Protestantism with its long roots in American history and culture has hardly remained static This finely crafted portrait of a remarkably complex group of Christian denominations describes Protestantism's history constituent subgroups and their activities and the way in which its dialectic with American culture has shaped such facets of the wider society as healthcare welfare labor relations gender roles and political discourse Part I provides an introduction to the religion's essential beliefs a brief history and a taxonomy of its primary American varieties Part II shows the diversity of the tradition with vivid accounts of life and worship in a variety of mainline and evangelical churches Part III explores the vexed relationship Protestantism maintains with critical social issues including homosexuality feminism and social justice The appendices include biographical sketches of notable Protestant leaders a chronology a glossary and an annotated list of resources for further study **Distorting Scripture?** Mark L. Strauss, 2010-02-01 Recent controversies have rocked evangelicalism on the question Is gender inclusive language for human beings faithful and helpful in Bible translation or does it distort and obscure God's Word Distorting Scripture moves beyond sensationalism to the meaty core of an ongoing debate Culture Wars Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised

American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

Who Shall Lead Them? Larry A. Witham, 2005-07-01 The clergy today faces mounting challenges in an increasingly secular world where declining prestige makes it more difficult to attract the best and the brightest young Americans to the ministry As Christian churches dramatically adapt to modern changes some are asking whether there is a clergy crisis as well Whatever the future of the clergy the fate of millions of churchgoers also will be at stake In *Who Shall Lead Them* prizewinning journalist Larry Witham takes the pulse of both the Protestant and Catholic ministry in America and provides a mixed diagnosis of the calling's health Drawing on dozens of interviews with clergy seminarians and laity and using newly available survey data including the 2000 Census Witham reveals the trends in a variety of traditions While evangelicals are finding innovative paths to ministry the Catholic priesthood faces a severe shortage In mainline Protestantism ministry as a second career has become a prominent feature Ordination ages in the Episcopal and United Methodist churches average in the 40s today The quest by female clergy to lead from the pulpit meanwhile has hit a stained glass ceiling as churches still prefer a man as the principal minister While deeply motivated by the mystery of their call to ministry America's priests pastors and ministers are reassessing their roles in a world of new debates on leadership morality and the powers of the mass media *Who Shall Lead Them* offers a valuable snapshot of this contemporary clergy drama It will be required reading for everyone concerned about the rapidly shifting ground of our churches and the health of religion in America

Whitaker's Books in Print, 1998
