Womens Health Movements A Global Force For Change:

Women's Health Movements Meredith Turshen, 2019-09-05 This book follows the implications of the changing landscape for women's health and health care and their sexual and reproductive rights In the latest national and international health policy developments we are witnessing the effects of a series of concerted conservative attacks on women Facing this onslaught women's health movements are using the new technologies of the Internet and social media and finding other novel ways to advance their rights and protest against attempts to roll back the gains they made in the last four decades Detailed country case studies and discussions of topics ranging from violence against women disability and birth control as well as abundant examples of women's activism from all over the world make this account of women's health movements a lively informative and compelling read

Women's Health Movements M. Turshen, 2007-09-17 This is an introduction to the women's health movements and what is being accomplished by women organizing to achieve better health care around the world

Women's Health Movements M. Turshen, 2007-10-23 This is an introduction to the women's health movements and what is being accomplished by women organizing to achieve better health care around the world

Encyclopedia of Gender and Society Jodi O'Brien, 2008-11-26 2009 RUSA Outstanding Reference CHOICE Outstanding Academic Title for 2009 Given both the interdisciplinarity of the field of gender scholarship and the immense significance of gender to both individuals and societies it is probably impossible to produce such a compendium The editor advisory team and contributors are to be credited for tackling a project of such immense scope O'Brien's commitment to the possibility of a more informed discourse on the highly complex and nuanced topic of gender and society promises to benefit a broad readership Highly recommended for academic libraries of all sizes and for large public libraries Booklist STARRED Review All topics in this wide ranging resource are addressed in an unbiased and unprejudiced manner and facts are stated clearly and coherently The coverage of changing topics is kept current A valuable addition to any library Library Journal For decades scholars of gender have been documenting and analyzing the various ways in which gender shapes individual lives cultural beliefs and practices and social and economic organization Including contributions by experts in the field the Encyclopedia of Gender and Society covers the major theories research people and issues in contemporary gender studies This comprehensive two volume encyclopedia is distinguished by a cross national cross cultural perspective that provides comparative analyses of the life experiences of men and women around the world Key Features Provides users with a gender lens on society by focusing on significant gender scholarship within commonly recognized areas of social research Offers framing essays that summarize commonly used concepts and directions of research and provide an overview of each area e.g Media and Gender Socialization Religion Gender Roles in Sexuality and Reproduction Women's Social Movements History of Examines basic aspects of social life from the most individual self and identity to the most global transnational economics and politics Contains new information on well known subjects including surprising facts that may counter common assumptions

and research in areas of study where the impact of gender has been traditionally overlooked Reflects cutting edge discussion and scholarship on current issues and debates regarding gender and society *Our Bodies, Ourselves* Boston Women's Health Book Collective, Judy Norsigian, 2011-10-04 THE BESTSELLING WOMEN'S HEALTH CLASSIC INFORMING AND INSPIRING WOMEN ACROSS GENERATIONS Hailed by The New York Times as a feminist classic this comprehensive guide to all aspects of women's sexuality and reproductive health including menopause birth control childbirth sexual health sexual orientation gender identity mental health and overall wellbeing changed the women's health movement around the world and remains as important and relevant as ever Providing detailed and empowering information on women's reproductive health and sexuality this latest edition of *Our Bodies Ourselves* shows how to find and access health information and offers additional resources and stories to educate women about health care injustices and inspires them to work collectively to address them Including the latest vital information on Changes in the health care system especially how health care reform affects women and how to get the care you need Safer sex how to engage in pleasurable satisfying sexual experiences while protecting your health and the health of your partner Environmental health risks including minimizing exposure to everyday pollutants that endanger reproductive health Body image resisting negative media stereotypes and embracing healthier approaches to looking and feeling good Local and global activism using social media and organizing tactics to build community and advocate for policies that improve women's lives As well as crucial information about gender identity sexual orientation birth control abortion pregnancy and birth perimenopause and sexuality and sexual health as we age Together with its companion website OurBodiesOurselves.org *Our Bodies Ourselves* is a one stop resource that belongs on the bookshelves of women of all ages **Companion to Feminist Studies** Nancy A. Naples, 2020-11-24 A comprehensive overview of feminist scholarship edited by an internationally recognized and leading figure in the field *Companion to Feminist Studies* provides a broad overview of the rich history and the multitude of approaches theories concepts and debates central to this dynamic interdisciplinary field Comprehensive yet accessible this edited volume offers expert insights from contributors of diverse academic national and activist backgrounds discussing contemporary research and themes while offering international postcolonial and intersectional perspectives on social political cultural and economic institutions social media social justice movements everyday discourse and more Organized around three different dimensions of Feminist Studies the *Companion* begins by exploring ten theoretical frameworks including feminist epistemologies examining Marxist and Socialist Feminism the activism of radical feminists the contributions of Black feminist thought and interrelated approaches to the fluidity of gender and sexuality The second section focuses on methodologies and analytical frameworks developed by feminist scholars including empiricists economists ethnographers cultural analysts and historiographers The volume concludes with detailed discussion of the many ways in which pedagogy political ecology social justice globalization and other areas within Feminist Studies are shaped by feminism in practice A major contribution to scholarship on both the

theoretical foundations and contemporary debates in the field this volume Provides an international and interdisciplinary range of the essays of high relevance to scholars students and practitioners alike Examines various historical and modern approaches to the analysis of gender and sexual differences Addresses timely issues such as the difference between radical and cultural feminism the lack of women working as scientists in academia and other research positions and how activism continues to reformulate feminist approaches Draws insight from the positionality of postcolonial comparative and transnational feminists Explores how gender class and race intersect to shape women s experiences and inform their perspectives Companion to Feminist Studies is an essential resource for students and faculty in Women s Gender and Sexuality Studies Feminist Studies programs and related disciplines including anthropology psychology history political science and sociology and for researchers scholars practitioners policymakers activists and advocates working on issues related to gender sexuality and social justice
