Rubble Nation Chris Herlinger, Paul Jeffrey (Missionary), 2011 Chris s text tells the story of post quake Haiti through interviews with Haitian citizens and aid managers Each interview adds a layer to our understanding of the suffering of the people and of the heroic efforts to ameliorate that suffering The narrative is set in the context of the country s history and the Haitian government s effort to repair and rebuild their nation Paul s photographs capture images not only of individuals struggling to survive but also of the innate dignity and generosity that arises in the midst of the struggle A study guide to facilitate use by church study groups will be available **She Who Prays** Patricia Harris-Watkins, Jane Richardson Jensen, 2005-01-01 A Prayer book designed to be used by individual women as well as by those who are leading group prayer services For nearly two millennia Christian women have learned to pray in the language of other people s souls From worshipping God as father to envisioning a holy life as a military campaign they ve been taught to approach the Divine with the hearts and minds of men She Who Prays A Woman s Interfaith Prayer Book offers women a new way to pray It draws on feminine images of God as well as the language and experience of women to help women tap into their own rich and unique spirituality With material from new translations of ancient Christian hymns and prayers as well as original prayers in the Christian and other faith traditions She Who Prays will help women speak to God in their own voices Arranged in roughly the same format as the Book of Common Prayer She Who Prays contains a seven day cycle of daily prayer services prayers for

special occasions and a woman oriented liturgical calendar that honors the lives of women of all faiths The book also contains four rituals marking such themes as healing reconciliation and new beginnings and a prayer to be used while walking a labyrinth An appendix provides information on world religions and instructions for group services *Seeking the Risen Christa* Nicola Slee, 2011-03-17 Art and feminist theology often explore the figure of the feminine side of Christ However the risen Christa has had little if any coverage within these fields Now *Seeking the Risen Christa* by Nicola Slee uses a well crafted combination of reflection illustration and poetry to investigate the Risen Christa The discussion revolves around the central narratives of the gospels and the major Christological themes These subjects are re imagined and revisited from the hypothetical perspective of Christa Ultimately Nicola Slee wants *Seeking The Risen Christ* to represent a search for a risen Christa and therefore encourage readers to develop a freer unlimited relationship with Christ
