Woody Allen On Woody Allen:

Woody Allen on Woody Allen Woody Allen, Stig Björkman, 2005 In a series of interviews Woody Allen shares the anxieties frustrations and inspirations in his life Woody Allen Woody Allen, 2006 Interviews with the well known director of Manhattan Hannah and Her Sisters Crimes and Misdemeanors Bullets Over Broadway and the Oscar winning Annie Hall

The Unruly Life of Woody Allen Marion Meade, 2014-04-01 A psychologically nuanced tough minded portrait of the New York filmmaker and his relationships with Mia Farrow and Soon Yi Previn Publishers Weekly Writer director actor humorist Woody Allen stands as one of our era s most celebrated artists Starting in the 1950s Allen began crafting a larger than life neurotic persona that has since entertained and enlightened millions In his films widely thought to be autobiographical explorations of his own comic fears and fixations Allen carefully controlled the public s view of him as a lovable scamp But that all came crashing down the day Mia Farrow found a Polaroid on her mantle What followed was a flurry of sensational headlines and legal battles His relationship with Soon Yi Previn thirty four years his junior and the step daughter of his longtime girlfriend caused shockwaves in the public s perception of the director yet few biographers and journalists have explored what happened and why In this the first deep investigation of Allen s life and the events surrounding his split with Farrow biographer Marion Meade tracks down dozens of friends actors neighbors and film historians They open up with insights and details rare in the world of wealth and celebrity What results is a fascinating portrait of a flawed genius as adept at constructing his own image as he is at crafting films Rereleased and updated this is an unauthorized biography that neither Woody Allen s fans nor his detractors will be able to put down The revised and updated edition was reviewed in the Wall Street Journal in 2013 by Carl Rollyson in a roundup of the five best Hollywood biographies Woody Allen on Woody Allen Woody Allen, 1998-10-01 Woody Allen on Woody Allen is a unique self portrait of this uncompromising filmmaker that offers a revealing account of his life and work In a series of rare in depth interviews Allen brings us onto the sets and behind the scenes of all his films Woody Allen on Woody Allen is punctuated with his memories and opinions afternoon movie watching while growing up in Brooklyn anecdotes about the film industry discussions of favorite films most inspirational actresses most revered cinematographers his love of jazz his fascination with the city of New York From his youthful interest in the nonsensical surrealism of Charlie Chaplin and the Marx Brothers to the poetic lyricism of Ingmar Bergman the conversations in Woody Allen on Woody Allen reveal the broad influences of Woody Allen s eclectic vision and bring him closer in all his vulnerable complexity than ever before *Woody Allen's Angst* Sander H. Lee, 2015-05-07 While Woody Allen is generally considered to be a master of the comic genre he created his serious films are very important in understanding his role as one of this generation s more influential filmmakers In this work such Allen films as Annie Hall 1977 Broadway Danny Rose 1984 Crimes and Misdemeanors 1989 and Mighty Aphrodite 1995 are analyzed for the common philosophical themes they share Gender issues Allen s love hate relationship with God narcissism and moral relativism and

the use of the so called existential dilemma are among the topics discussed The extensive research is augmented with a rare interview with Allen Woody Allen Eric Lax,1991 Few celebrities are as instantly recognizable as Woody Allen Few are as notoriously shy And perhaps none are as elusive Is Woody Allen a comedian who wants to be taken seriously Or is he a serious artist whose films happen to be funny The very fact that Eric Lax was granted access to Woody for four years in order to research this biography must be counted as a triumph And what Lax has produced is a marvel of intimacy and insight a book that traces Allen s career from his precocious start as a gag writer to his apotheosis as a genuine auteur a book that takes readers behind the scenes of films such as Annie Hall Hannah and Her Sisters and Crimes and Misdemeanors a book that overflows with Woody s candid opinions of his work his personal relationships and his life From the Trade Paperback edition *Conversations with Woody Allen* Eric Lax,2009-08-18 In discussions that begin in 1971 and end in 2009 Allen talks about every facet of moviemaking through the prism of his own work as well as the larger world of film and in so doing reveals an artist s development over the course of his career He speaks about his influences and about the genesis of his ideas about writing casting acting shooting directing editing and scoring and throughout shows himself to be thoughtful honest self deprecating always witty and often hilarious From the Trade Paperback edition **The Films of Woody Allen** Sam B. Girgus,2002-11-18 Publisher Description Woody Allen on Woody Allen Woody Allen,1994 **Three Films of Woody Allen** Woody Allen,1987 Three more marvelously readable screenplays of movies by the incomparable Woody Allen Stills throughout
