Encountering the Book of Psalms C. Hassell Bullock, 2004-07 A user friendly guide to the study and interpretation of the Psalms David: The Shepherd Years Larry L. Lichtenwalter, 2003 But God saw something special in David when nobody else did and called him to the throne He was a shepherd Military hero Outlaw King Adulterer Murderer Penitent father But most of all the he was a man after God s own heart David had an instinct for the divine He poured out his passion for God in song He danced before God He wept before God As a result Scripture says more about him than about Christ Artists have sculpted him Libraries of books have been written about him All because at the center of David was God This volume the first of three covers the story of David through his friendship with Jonathan Passion is catching Let David s God saturated life fan the flames of faith All of us sometimes just go through the motions As you read may David s passion for God become yours and your heart like His *Is It My Fault?* Lindsey A. Holcomb, Justin S. Holcomb, 2014-05-01 Is it My Fault proclaims the gospel of healing and hope to victims who know too well the depths of destruction and the overwhelming reality of domestic violence At least one in every three women have been beaten coerced into sex or abused in their lifetime The effects of domestic violence are physical social emotional psychological and spiritual and can have long lasting distressing consequences It is common for victims of domestic violence to suffer from ongoing depression and recurring nightmares self harm such as cutting panic attacks substance abuse and more This book exists to address the abysmal issues of domestic violence using the powerful and transforming biblical message of grace and redemption Is It My Fault convincingly shows that the Lord is the only one who can heal the despairing victim It deals with this devastating problem and sin honestly and directly without hiding its prevalence today *Psalms 49 and the Path to Redemption* Janet Smith, 2017-08-04 In Psalm 49 and the Path to Redemption Janet Smith revisits her PhD dissertation Dust or Dew Immortality in the Ancient Near East and in Psalm 49 reconfiguring the book for a general audience and expanding it to focus on a theme of biblical redemption The new work takes the reader through the development of Israel s belief in an afterlife both the positive hope but also the negative fate of those who are spiritually impoverished Beyond that Psalm 49 takes the reader into the mind and heart of the sages and priests who wrote many of the psalms There we find how much we share with them emotionally and spiritually Since Christianity is a movement with roots in the Old Testament the reader is introduced to some important redemption concepts as expressed by Jesus Christ Finally the book

reviews a few modern near death experiences to ask if the Scriptures regarding afterlife have relevance today This book is thought provoking and should cause anyone reading it to think about their own personal path to redemption **Children's**

Perceptions of the Role of Biblical Narratives in Their Spiritual Formation Annie George,2017-02-28 In the Bible storytelling is an important means to pass on the revelation of God God repeatedly commanded the people of Israel to tell his mighty acts to the next generation Invariably churches follow this mandate and use biblical narratives as a means to transmit God s self revelation to enable transformation The author Dr Annie George listens to the voices of children in order to understand their perceptions of how storytelling of biblical narratives help them in their spiritual formation Dr George s research highlights the importance of evaluating the impact of biblical narratives from a child s perspective as well as emphasising the need to give the same priority to the spiritual transformation of children as with other areas of study and ministry **A God Who Comes Near** Rhoda A. Carpenter,2019-08-06 This book is written to reawaken awareness of both

the beauty of the psalms and their ability to speak with relevance to our contemporary culture a generation in danger of losing the psalmist s voice It is written for those who may have felt marginalized by church or society whether from loss tragedy illness or misuse of power May this generation hear the voice of the psalmist pointing them to a God who desires honest expression who comes close to listen to their cries and points them to a deeper understanding of who he is and how he loves May the words of the psalmist lead them out of isolation and into authentic community The author s approach to the psalms begins with recognition of the intertwining of imagery with the literary structure of the poetry found in the psalms The imagery in the psalms comes from an earthy connection of the psalmist with the land of scripture Understanding the imagery allows the reader to see the psalms and receive the message It deepens the relevance of the psalms to speak into the myriad contexts in our present day multi cultural world Recognition of the religious and social dynamics of ancient Israelite life such as kingship Zion as a place of God s presence and the covenant relationship of a people with their God provide further clues to understanding the message of the psalms Along with the rich imagery present in the psalms this book explores the literary structure of the poetry in the psalms Recognition of key characteristics of Hebrew poetry allows the words to sing In every psalm a vivid echo of ancient voices resounds building century upon century of expression reaching into the present If one reads carefully the melodies and message can be heard The music of the psalms breathe with life and relevance Psalms are filled with movement to hope and praise Yet they address the reality that life at times hurts The psalmist gives honest voice to pain and affirms God s presence in the darkest moments of life This book explores the importance of lament both individually and in community as a vehicle to healing and a deeper understanding of God s care The book closes with an examination of five select psalms that are representative of different types of psalms found in the psalter They were chosen because of personal relevance Through imagery structure and voice the psalms convey movement from honest expression to hope Hope leads to thanksgiving Praise resounds because of who God is and how he cares
