Building Occupational Citizenship

Guy Standing

Work After Globalization Building Occupational Citizenship

Marina Gržinić, Jovita Pristovšek

Work After Globalization Building Occupational Citizenship:

Work After Globalization Guy Standing, 2010-01-01 This is a scholarly and erudite work There is a wealth of detail all illustrated with plenty of fascinating examples It is impossible to give the full flavour of this thoughtful and stimulating book in even a long review but it deserves to be widely accessible and read Citizen s Income this is the greatest book ever about work in all its forms Work after Globalization offers us the kind of foundation we need to launch a new social democratic program do yourself a favour don t take my word for it You need to read this book for yourself If you re ever going to read a book about work make it this one Peter Hall Jones New Unionism Network This is an important book It shifts emphasis from the role of capital to the creativity of labour in the creation of value in the real economy A central role is accorded to each and all of the skills and occupations which contribute to the construction of an economy and a civic culture governed by the public interest Guy Standing has made an original contribution to the validation of human creativity in the economic process The work owes an acknowledged debt to the vision of Karl Polanyi Kari Polanyi Levitt McGill University Canada Standing has written a comprehensive account of what the forces and developments that govern the contemporary world such as states employers trade unions the globalization of labor markets financial market crises etc do to workers and the conditions under which they work and live It is rare for a social science work that is full of empirical information to be as accessibly written as this one It is even rarer to find all three of the things that good social science can deliver fine grained description original explanation sophisticated normative reflection in the pages of a single volume One of the richest accounts of the fates of labor since Polanyi 1944 Claus Offe Hertie School of Governance Germany In Work after Globalization Guy Standing one of the most knowledgeable and theoretically sophisticated scholars in the area of labor relations today paints a rich panorama of contemporary labor practices around the world to demonstrate that we are in the midst of a societal shift of historical dimensions Standing s concept of occupational citizenship provides a way to re capture both human agency and community thereby reconciling the individual with society and flexibility with new forms of social security This book is a tour de force for its sweeping scope incisive analysis and predictive power Katherine Stone University of California Los Angeles US In this ground breaking book Guy Standing offers a new perspective on work and citizenship rejecting the labourist orientation of the 20th century Karl Polanyi s The Great Transformation marked the rise of industrial citizenship which hinged on fictitious labour de commodification Since the 1970s this has collapsed and a Global Transformation is under way in which inequalities and insecurities are becoming unsustainable Guy Standing explains that while a struggle against paternalism is essential the desirable egalitarian response to the problems caused by globalization is a strategy to build occupational citizenship This is based on a right to universal economic security and institutions to enable everybody to develop their capabilities and work whilst respecting the ecological imperatives of the 21st century The book also explores a phasing out of labour law and a re orientation of collective bargaining towards collaborative bargaining highlighting the increased importance of the

relationship between groups of workers and citizens as well as between workers and capital Work after Globalization offers a new perspective on work rejecting the labourist orientation of the 20th century Social scientists interested in globalization and labour market issues will warmly welcome this book It will also strongly appeal to students

Social Advantage and Disadvantage Hartley Dean, Lucinda Platt, 2016-01-21 Social advantage and disadvantage are potent catch all terms They have no established definition but considered in relation to one another they can embrace a wide variety of more specific concepts that address the ways in which human society causes exacerbates or fails to prevent social divisions or injustices This book captures the sense in which any conceptualisation of disadvantage is concerned with the consequences of processes by which relative advantage has been selectively conferred or attained It considers how inequalities and social divisions are created as much by the concentration of advantage among the best off as by the systematic disadvantage of the worst off The book critically discusses from a global and a UK perspective a spectrum of conceptual frameworks and ideas relating to poverty social exclusion capability deprivation rights violations social immobility and human or social capital deficiency It addresses advantage and disadvantage from a life course perspective through discussions of family and childhood education work old age and the dynamics of income and wealth It considers cross cutting divides that are implicated in the social construction and maintenance of advantage and disadvantage including divisions premised on gender race ethnicity migration and religion neighbourhood and the experience of crime

Basic Income Guy Standing, 2017-01-01 Shouldn't everyone receive a stake in society's wealth Could we create a fairer world by guaranteeing income to all What would this mean for our health wealth and happiness Basic income is a revolutionary idea that guarantees regular unconditional cash transfers from the government to all citizens It is an acknowledgement that everyone plays a part in generating the wealth currently enjoyed by only a few and would rectify the recent breakdown in income distribution Political parties across the world are now adopting this innovative policy and the idea generates headlines every day Guy Standing has been at the forefront of thought surrounding basic income for the past thirty years and in this book he covers in authoritative detail its effects on the economy poverty work and labour dissects and disproves the standard arguments against basic income explains what we can learn from pilots across the world and illustrates exactly why basic income has now become such an urgent necessity

Vampire Capitalism Paul Kennedy, 2016-12-25 This book argues that in recent decades an unrestrained vampire capitalism has emerged disengaged from the needs of citizens and workers leading to a deepening of social class generational gender educational and ethnic divisions The author explores how our cultural obsession with self realization undermines our capacity for collective action and ability to confront threats such as climate change and the impact of the rapid advance of technology on labour Drawing on sociology and political economy as well as worldwide case studies the chapters interrogate how we arrived at these dilemmas and how we might escape them through establishing alternative social economies Vampire Capitalism will be of interest to students and scholars across a range of

disciplines including sociology social theory globalisation studies development studies political economy geography politics and social policy **Thinking Beyond Neoliberalism** Neal Harris, Onur Acaroğlu, 2021-12-11 This book brings together leading academics and activists to address the possibilities for qualitative social change beyond neoliberalism providing introductory essays on alternative societies transition and resistance Bringing together discussions on universal basic income actually existing communism parecon circular economies workers co operatives fully automated luxury communism trade unionism and party politics the volume provides one of the first scholarly interventions to systematically evaluate possibilities for transition and resistance across theoretical political and disciplinary traditions *Re-Activating Critical Thinking in the Midst of Necropolitical Realities* Marina Gržinić, Jovita Pristovšek, 2022-03-09 This volume takes as its starting point the question of whether there is a pluriversal generation a younger group of scholars who do not necessarily collaborate or know each other but who are currently forming a radical structure that is viral in thought production and reflective on the current global recalibration of social relations brought about by the necropolitical and necrocapitalist governmentality emerging worldwide The 23 articles assembled in this volume transcend geographical boundaries conceive of the world as a single entity and develop strategies for radical change They are presented in five subchapters with two lines of demarcation one for entry invention and potentiality and the other for a grim threshold The Elgar Companion to Social Economics, Second Edition John B. Davis, Wilfred Dolfsma, 2015-05-29 Social economics is a dynamic and growing field that emphasizes the key roles social values play in the economy and economic life This second edition of the Elgar Companion to Social Economics revises all chapters from the first edition and adds impo *Fast Policy* Jamie Peck, Nik Theodore, 2015-04-15 We inhabit a perpetually accelerating and increasingly interconnected world with new ideas fads and fashions moving at social media speed New policy ideas especially ideas that work are now able to find not only a worldwide audience but also transnational salience in remarkably short order Fast Policy is the first systematic treatment of this phenomenon one that compares processes of policy development across two rapidly moving fields that emerged in the Global South and have quickly been adopted worldwide conditional cash transfers a social policy program that conditions payments on behavioral compliance and participatory budgeting a form of citizen centric urban governance Jamie Peck and Nik Theodore critically analyze the growing transnational connectivity between policymaking arenas and modes of policy development assessing the implications of these developments for contemporary policymaking Emphasizing that policy models do not simply travel intact from sites of invention to sites of emulation they problematize fast policy as a phenomenon that is real and consequential yet prone to misrepresentation Based on fieldwork conducted across six continents and in fifteen countries Fast Policy is an essential resource in providing an extended theoretical discussion of policy mobility and in presenting a methodology for ethnographic research on global social policy *The Politics of Ecosocialism* Kajsa Borgnäs, Teppo Eskelinen, Johanna Perkiö, Rikard Warlenius, 2015-07-24 As the global economy seeks to recover from the financial crisis and warnings about the consequences

of climate change abound it is clear that we need a fundamentally new approach to tackle these issues This innovative book offers a unique perspective stressing the necessity of both ecological and social change as it discusses how to create a red green or eco socialist society Examining the current crises of welfare capitalism as well as the challenges and conflicts of an eco socialist society the book proposes a new social order that would combine the ideals of egalitarianism and of environmental sustainability It analyses the key social and ecological issues related to the welfare state including green Keynesianism ecological Marxism the limits of growth and no growth capitalist barriers to a renewable energy transition proposals for a universal basic income and the role of technology Finally the book outlines possible paths of transformation towards creating an eco socialist society drawing out lessons that can be applied internationally This book will be of great interest to students and researchers in economics environmental studies and political science

Job Quality in an Era of Flexibility Tommy Isidorsson, Julia Kubisa, 2018-09-27 This is the era of flexibility Under constant pressure to be adaptable organizations increasingly adopt employment practices such as zero hours contracts the casualization of the workforce and the use of temporary and agency labour These flexible practices are central to debates about the changing nature of job quality and its causes trends and consequences Arguing that job quality is central to understanding contemporary work this book explores the internal and external pressures for flexibility in workplaces professions and sectors and how this pressure shapes workers experiences of job quality By studying job quality dynamics via case studies from organizations and occupations in the UK Poland Belgium and Sweden the volumes illustrates the diversity of practices and experiences as well as market pressures and institutional arrangements which effect working lives Finally the editors propose a policy debate on the new concept flexiquality a combination of flexibility and job quality that can be beneficial for both management and workers

While this might not be the Work After Globalization Building Occupational Citizenship full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Work After

Globalization Building Occupational Citizenship eBooks, including some popular titles.

FAQs About Work After Globalization Building Occupational Citizenship Books

What is a Work After Globalization Building Occupational Citizenship PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Work After Globalization Building Occupational Citizenship PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Work After Globalization Building Occupational Citizenship PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Work After Globalization Building Occupational Citizenship PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Work After Globalization Building Occupational Citizenship PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
