Working With Discourse Meaning Beyond The Clause:

Working with Discourse J. R. Martin, David Rose, 2003 This book is for researchers and students interested in exploring how speakers and writers construe meaning through discourse It draws on tools for discourse analysis developed in systemic functional linguistics and register and genre theory but requires no prior knowledge of functional linguistics avoiding academic complexity wherever possible Rather it builds a highly accessible set of analytic tools that can be used with ease by workers from a range of disciplines including educational research critical discourse analysis cultural studies text linguistics and language and literacy teaching *Working with Discourse* J. R. Martin, David Rose, 2003 *Working with Discourse* J. R. Martin, 2007 *Re/reading the Past* J. R. Martin, Ruth Wodak, 2003-01-01 Re reading the Past is concerned with the discourses of history from the complementary perspectives of Critical Discourse Analysis CDA and Systemic Functional Linguistics SFL The papers in the book stress the discursive construction of the past focussing on the different social narratives which compete for official acknowledgement Issues of collective and cultural memory are addressed reflecting the linguistic turn in the Social Sciences The book covers a range of discourses interpreting texts from popular culture to academic discourse including the construction and evaluation of past events in a variety of places around the world It is especially timely in its focus on the construction of time and value in a post colonial world where history discourses are central to on going processes of reconciliation debates on war crimes and the issues of amnesty and restitution As such the book fills a significant gap in interdisciplinary debates as well as in register and genre analysis and will be of general interest to historians political scientists and discourse analysts as well as students and teachers of ESP English for Specific Purposes and EAP English for Academic Purposes **Written and Spoken Language Development across the Lifespan** Joan Perera, Melina Aparici, Elisa Rosado, Naymé Salas, 2015-11-23 This multidisciplinary volume offers insights on oral and written language development and how it takes place in literate societies The volume covers topics from early to late language development its interaction with literacy practices including several languages monolingual and multilingual contexts different scripts as well as typical and atypical development Inspired by the work of Liliana Tolchinsky a leading expert in language and literacy development a group of internationally renowned scholars offers a state of the art overview of current thinking in language development in literate societies in its broadest sense Contributors offer a personal tribute to Liliana Tolchinsky in the opening section **The Discursive Construction of Legal Reasoning** Nan Lu, 2025-12-01 This book presents a fine grained and dynamic description of the discursive construction of legal reasoning in judicial opinions drawing upon the Systemic Functional linguistic perspective of language and genre It aims to explore the discursive resources in constructing legal reasoning across metafunctions at different levels and of various sizes This book contributes to the linguistic understanding of legal reasoning in judicial opinions and extends genre studies to large texts with complex and hierarchical structures It presents an applicable model for a deep analysis of relations between legal reasoning and language
