Working With Loss Death And Bereavement A Guide For Social Workers:

Working with Loss, Death and Bereavement Jeremy Weinstein, 2007-11-15 This book makes a significant contribution to the literature. The author is to be commended for the huge amount of work he has put into this volume which deserves to be widely used. Professor Bernard Moss, Staffordshire University. All social workers encounter complex and diverse forms of loss throughout their practice. *Working with Loss, Death and Bereavement* helps trainee and practitioners navigate these difficult situations by developing the skills and values necessary for effective and empowering practice. Each chapter is grounded in social work theory and is illustrated by practice scenarios, exercises, suggestions for further study and contemporary cultural examples from novels and films. The book explores definitions and assessment of loss, psychological aspects of loss and grief, skills, methods and theories, working with the individual, families, support groups and communities, avenues of support for social workers, key themes of anti-discriminatory practice, evidence-based practice and ethical awareness. This invaluable skills-based book meets the training requirements for social workers and will be essential reading for students or practitioners wishing to reflect on and develop their own practice in working with loss, death and bereavement. Jeremy Weinstein worked as a social worker prior to teaching at London South Bank University where he is now a Visiting Fellow. Jeremy is an accredited trainer and gestalt psychotherapist with a small private practice offering therapy supervision and consultation.

Contemporary Social Work Practice: a Handbook for Students Barbra Teater, 2014-04-16 This exciting new book provides an overview of fifteen different contemporary social work practice settings spanning across the statutory, voluntary, private and third sectors. It serves as the perfect introduction to the various roles social workers can have and the numerous places they can work, equipping students with the knowledge, skills and values required to work in areas ranging from mental health to fostering and adoption and from alcohol and drug treatment services to youth offending. Each chapter provides an overview of the setting, including the role of the social worker, how service users gain access to the service and key issues, definitions or terms specific to the setting, legislation and policy guidance related to the specific setting, the key theories and methods related to the setting, best practice approaches and the benefits and challenges of working within the setting, case examples illustrating the application of the information to practice. Social work students will find this an invaluable handbook that they will refer to time and again throughout their education and into their assessed and supported year of employment. Contributors: Mark Baldwin, Jo Bell, Jenny Clifford, Jill Chonody, Clare Evans, Benedict Fell, Alinka Gearon, Issy Harvey, Caroline Hickman, Tony Jeffs, Debbie Martin, Malcolm Payne, Justin Rogers, Sue Taplin, Barbra Teater, John Watson, Michele Winter. It is an excellent student introduction to this diverse profession. Full of information that provides a thought-provoking read. Andrew Ellery, Social Care Professional. This book really is an excellent resource for social work students at an introductory level and for preparation for placement levels. It provides a comprehensive overview of a range of service user groups as well as specific issues such as domestic violence, homelessness and substance use. Each section is structured

around the policy and legislative context and includes comment on theory challenges and anti oppressive practice with case examples to aid learning The focus on the settings within which social work is practiced is particularly welcome and provides an essential companion to introductory books which look more at values professional behaviour and skills The range of different settings covered provides excellent preparation for students about to start a placement The sections on rehabilitation of offenders and self harm highlight topics that are often given less attention but may well be encountered by students on placement I will certainly be including this book as essential reading for students on introductory and practice preparation modules Allan Rose Social Work Lecturer Brunel University UK

Handling Death and Bereavement at Work David Charles-Edwards,2005-03-31 This is a uniquely invaluable book which tackles how death and bereavement can affect the workplace It is a sensitive and constructive text for dealing with issues that touch all working lives

Spirituality across Disciplines: Research and Practice: Marian de Souza,Jane Bone,Jacqueline Watson,2016-06-29 This book collects multiple disciplinary voices which explore current research and perspectives to discuss how spirituality is understood interpreted and applied in a range of contexts It addresses spirituality in combination with such topics as Christian mysticism childhood and adolescent education midwifery and sustainability It links spirituality to a variety of disciplines including cognitive neuroscience sociology and psychology Finally it discusses the application of spirituality within the context of social work teaching health care and occupational therapy A final chapter provides an analytical discussion of the different voices that appear in the book and offers a holistic description of spirituality which has the potential to bring some unity to the meaning expression and practice of spirituality across a variety of disciplines as well as across cultural religious and secular worldviews A strength of the book is that each chapter is characterized by a fearless confronting of oppositional perspectives and use of the latest research in addressing them The book takes the difficult topic of spirituality into almost every nook and cranny of personal and professional life There is a persistent grasping of the contentiousness of the topic together with addressing counter positions and utilizing updated research across a range of fields in doing this The opening and closing chapters serve as book ends that keep the whole volume together Terence Lovat The University of Newcastle Australia The interdisciplinary nature of the work is by far the strongest aspect of this volume It has the potential to contribute to a dialogue between different professions and disciplines This prospective publication promises to promote a more holistic approach to the study of spirituality This volume takes into consideration a wide variety of issues The way the editors have structured the sequence of chapters contributes to facilitate any possible dialogue between the different areas Adrian Mario Gelliel University of Malta Malta
