**The Society of the Spectacle** Guy Debord, 2014 Literary Nonfiction Politics Critical Theory Art Translated from the French and annotated by Ken Knabb Guy Debord 1931 1994 was the founder and most influential member of the Situationist International the notorious avant garde group that helped trigger the May 1968 revolt in France THE SOCIETY OF THE SPECTACLE originally published in Paris in 1967 has been translated into more than twenty other languages and is arguably the most important radical book of the twentieth century This is the first edition in any language to include extensive annotations clarifying the historical allusions and revealing the sources of Debord's detournements *Situationist International Anthology*, 2024-10-08 The Situationist International Anthology is the most comprehensive and accurately translated collection of situationist writings in English In 1957 a few European avant garde groups came together to form the Situationist International Picking up where the dadaists and surrealists had left off the situationists challenged people's passive conditioning with carefully calculated scandals and the playful tactic of détournement rerouting hijacking Seeking a more extreme social revolution than was dreamed of by most leftists they developed an incisive critique of the global spectacle commodity system and of its Communist pseudo opposition and their new methods of agitation helped trigger the May 1968 revolt in France Since then situationist theories and tactics have continued to inspire radical currents all over the world This volume presents a rich variety of articles leaflets graffiti and internal documents ranging from experiments in psychogeography to lucid analyses of the Watts riot the Vietnam War the Prague Spring the Chinese Cultural Revolution and other crises and upheavals of the sixties For this new edition all the translations have been fine tuned and the bibliography has been updated to include comments on dozens of newer books by and about the situationists **Surrealism, Bugs Bunny, and the Blues** Franklin Rosemont, 2025-02-11 Rediscover the most insightful and incendiary cultural commentaries from a leading figure in the revival of Surrealism Surrealism Bugs Bunny and the Blues is a collection of Franklin Rosemont's writings on popular culture over a period of more than forty years Rosemont a self taught scholar poet and artist playfully uncovers the sometimes hidden in plain sight writers and artists who managed to be both popular vernacular and in their own ways profoundly revolutionary Rosemont skillfully weaves together what most people regard as unlikely threads The labor culture of the nineteenth century anarchist movement gains new meaning when connected to the famed Chicago musicians of blues and jazz Rosemont's interests from childhood extended from his favorite animators and comic art Mel Blanc and Tex Avery Scrooge McDuck Mighty Mouse Krazy Kat Smokey Stover and Power House Pepper to nineteenth century drug taker Benjamin Paul Blood or the barely remembered best selling utopian writer Edward Bellamy Palindromes and other wordplay counted along with radical environmentalism modern dance alongside the mad self taught Henry Darger Find all these and much more exploring the inventory of Franklin Rosemont's discoveries and his luminous unpredictable exploration of himself An introductory essay by Abigail Susik and an afterword by Paul Buhle frame his work and life The

Bloomsbury Handbook of Popular Music Video Analysis Lori A. Burns, Stan Hawkins, 2019-10-17 Music videos promote popular artists in cultural forms that circulate widely across social media networks With the advent of YouTube in 2005 and the proliferation of handheld technologies and social networking sites the music video has become available to millions worldwide and continues to serve as a fertile platform for the debate of issues and themes in popular culture This volume of essays serves as a foundational handbook for the study and interpretation of the popular music video with the specific aim of examining the industry contexts cultural concepts and aesthetic materials that videos rely upon in order to be both intelligible and meaningful Easily accessible to viewers in everyday life music videos offer profound cultural interventions and negotiations while traversing a range of media forms From a variety of unique perspectives the contributors to this volume undertake discussions that open up new avenues for exploring the creative changes and developments in music video production With chapters that address music video authorship distribution cultural representations mediations aesthetics and discourses this study signals a major initiative to provide a deeper understanding of the intersecting and interdisciplinary approaches that are invoked in the analysis of this popular and influential musical form

Günther Anders' Philosophy of Technology Babette Babich, 2021-10-21 Gunther Anders Philosophy of Technology is the first comprehensive exploration of the ground breaking work of German thinker Gunther Anders Anders philosophy has become increasingly prescient in our digitised technological age as his work predicts the prevalence of social media ubiquitous surveillance and the turn to big data Anders oeuvre also explored the technologies of nuclear power and the biotech concerns for the human and transhuman condition which have become so central to current theory Babette Babich argues that Anders offers important resources on streaming digital media through his writings on radio television and film and is unusually both a comprehensive and profound thinker Anders relationship with key philosophers like Hannah Arendt and Walter Benjamin and his thinking on Goethe Nietzsche and Rilke is also explored with a focus on the deep impact he made on his peers It reflects specifically on the intersection of Anders thought Heidegger and the Frankfurt school and how influential a figure he was on the landscape of 20th century philosophy A compelling rehabilitation of a thinker with profound contemporary relevance

Flash Art , 1991     **In Girum Imus Nocte Et Consumimur Igni** Centraal Museum (Utrecht, Netherlands), 2006 A  
precursor to Arte Povera Fluxus and Punk the Situationist International has bequeathed a uniquely complex and conflicted  
legacy to contemporary art making Led by Guy Debord and Raoul Vaneigem it initially favored the production of art objects  
by 1962 collective debate on the role of art had caused the expulsion of its fine artist members including Asger Jorn other  
members of Cobra and the entire Munich based Gruppe SPUR The revolution envisaged by the Situationist International  
demanded creativity in everyday life the constructing of situations or the fashioning of a temporary micro environment and  
series of events for a single moment in the life of several individuals The Situationist International 1957 1972 the catalogue  
for the eponymous exhibition at Centraal Museum Utrecht and Museum Tinguely Basel is the first publication to evaluate the  
creative contributions of the SI It addresses three areas of Situationist practice firstly anonymous and communal artistic  
production e g Cobra Asger Jorn s folk art research and the Bauhaus Imaginiste secondly d tournament variously translated  
as diversion or subversion a key SI strategy in which extant works such as advertisements comics paintings or films are  
politically reconstituted by collage or other means and thirdly the practice of d rive drift or purposeless wandering in an  
urban milieu which generated the now widely known phenomenon of psychogeography and led to radical reassessments of

architectural practice The Situationist International includes new unpublished SI documents and essays by Giorgio Agamben
