The Solace Of Open Spaces

Gretel Ehrlich

The Solace Of Open Spaces:

The Solace of Open Spaces Gretel Ehrlich, 2017-02-21 These transcendent lyrical essays on the West announced Gretel Ehrlich as a major American writer Wyoming has found its Whitman Annie Dillard Poet and filmmaker Gretel Ehrlich went to Wyoming in 1975 to make the first in a series of documentaries when her partner died Ehrlich stayed on and found she couldn't leave *The Solace of Open Spaces* is a chronicle of her first years on the planet of Wyoming a personal journey into a place a feeling and a way of life Ehrlich captures both the otherworldly beauty and cruelty of the natural forces the harsh wind bitter cold and swiftly changing seasons in the remote reaches of the American West She brings depth tenderness and humor to her portraits of the peculiar souls who also call it home hermits and ranchers rodeo cowboys and schoolteachers dreamers and realists Together these essays form an evocative and vibrant tribute to the life Ehrlich chose and the geography she loves Originally written as journal entries addressed to a friend *The Solace of Open Spaces* is raw meditative electrifying and uncommonly wise In prose as expansive as a Wyoming vista as charged as a bolt of prairie lightning Ehrlich explores the magical interplay between our interior lives and the world around us Newsday *The Solace of Open Spaces* Gretel Ehrlich, 2019-03 A stunning collection of personal observations that uses images of the American West to probe larger concerns in lyrical evocative prose that is a true celebration of the region **Study Guide for the Solace of Open Spaces**

by Gretel Ehrlich Janet Lee Jacobsen, 1986 **Summary of Gretel Ehrlich's The Solace of Open Spaces** Everest Media, 2022-04-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The state of Wyoming is known for its openness It is a land of wind and rattlesnakes but it also has a lot of nothingness which can be difficult to navigate But it doesn't affect me at all 2 Wyoming is a state full of contrasts It has the look of a harsh and deserted place but its inhabitants are very welcoming and cooperative 3 The western states of Wyoming and Montana are home to a tradition of good naturedness that is concomitant with severity The isolation in which people live makes them quiet and they telegraph thoughts and feelings by the way they tilt their heads and listen 4 The laconic style is a result of shyness There is no vocabulary for the subject of feelings so people hold back their thoughts in what seems to be a dumbfounded silence then erupt with an excoriating perceptive remark **The Norton Book of Nature Writing** Robert Finch, John Elder, 1990 W W Norton is pleased to announce that *The Norton Book of Nature Writing* is now available in a paperback college edition

SOLACE OF OPEN SPACES. GRETEL. EHRLICH, 2019 Narrating the American West, *Islands, the Universe, Home* Gretel Ehrlich, 1992-10-01 Gretel Ehrlich's world is one of isolation and wonder of pain and grace and these elements ignite her vivid imagination She writes of ravens and elk and prairie dogs and eagles falling out of the sky She tells of a voyage of discovery in northern Japan where she finds her bridge to heaven She captures a light moving down a mountain slope One evening there is a contrapuntal dance of death a calf she has tried to save and a friend and mentor both die She remembers what a painter once told her when she was twelve years old as he was painting her portrait You have to

mix death into everything Then you have to mix life into that If they are not there I try to mix them Otherwise the painting won't be human Through these explorations in prose that is supple and muscular and evocative Ehrlich begins to understand her own longings her own nature and the relatedness of her life to the universe A volume of ten deep wandering essays that at times are so point blank vital you nearly need to put down the book to settle yourself Peter Stack San Francisco Chronicle Her essays delicately combining interior and exterior exploration are as spare and beautiful as the landscape from which they've grown Each one is a pilgrimage into the secrets of the heart Andrea Barrett *The Cleveland Plain Dealers* Associations of Place Elizabeth Ann Burke Onufer, Northwestern State University of Louisiana, 2012 *Open Space New Media Documentary* Patricia R. Zimmermann, Helen De Michiel, 2017-11-22 *Open Space New Media Documentary* examines an emerging and significant area of documentary practice in the twenty-first century community-based new media documentary projects that move across platforms and utilize participatory modalities The book offers an innovative theorization of these collaborative and collective new media practices which the authors term open space gesturing towards a more contextual critical nexus of technology form histories community convenings collaborations and mobilities It looks at a variety of low-cost sustainable and scalable documentary projects from across the globe where new technologies meet places and people in Argentina Canada India Indonesia Peru South Africa Ukraine and the USA *Refiguring the Map of Sorrow* Mark Christopher Allister, 2001 This study brings together the genres of autobiography and environmental literature It examines a form of grief narrative in which writers deal with mourning by standing outside the text in writing about the natural world and inside it in making that exposition part of the grieving process *Literature, Nature, and Other* Patrick D. Murphy, 1995-01-01 Postmodern theory at its best a call for an ecofeminist dialogical method of reading literature and nature

The ISLE Reader Michael P. Branch, Scott Slovic, 2003 This volume gathers nineteen of the most representative and defining essays from the journal ISLE Interdisciplinary Studies in Literature and Environment over the course of its first ten years Following an introduction that traces the stages of ecocriticism's development The ISLE Reader is organized into three sections each of which reflects one of the general goals the journal has sought to accomplish The section titled Re-evaluations provides new readings of familiar environmental writers and new environmental perspectives on authors or literary traditions not usually considered from a green perspective The writings in *Reaching Out to Other Disciplines* promote cross-pollination among various disciplines and methodologies in the environmental arts and humanities The writings in the final section *New Theoretical and Practical Paradigms* are especially significant for the conceptual and methodological terrain they map The ISLE Reader documents the state of research in ecocriticism and related interdisciplinary fields provides a survey of the field and points to new methodologies and possibilities for the future The Place Within Jodi Daynard, 1997 Here you'll find the American spirit in Phillip Lopate's gridlocked Manhattan in Richard Rodriguez's gay San Francisco and in Gerald Early's uneasily integrated St Louis In her moving essay on South Dakota Kathleen Norris reflects on

the way objects change our experience of space Gretel Ehrlich's essay on Wyoming is also about a cure for human grief

Of Women and the Essay Elizabeth Bowen, Frances Brooke, Margaret Cavendish, Lydia Maria Child, Frances Power Cobbe, Judith Ortiz Cofer, Elizabeth David, Joan Didion, Annie Dillard, Jenny Diski, Gretel Ehrlich, Anne Fadiman, Fanny Fern, M. F. K. Fisher, Margaret Fuller, Katharine Fullerton Gerould, Grace Greenwood, Louise Imogen Guiney, Gail Hamilton, Elizabeth Hardwick, Eliza Haywood, Linda Hogan, Zora Neale Hurston, Jamaica Kincaid, Vernon Lee, Charlotte Lennox, Eliza Lynn Linton, Harriet Martineau, Alice Meynell, Mary Russell Mitford, Lady Mary Wortley Montagu, Kyoko Mori, Elisabeth Woodbridge Morris, Gertrude Bustill Mossell, Judith Sargent Murray, Joyce Carol Oates, Cynthia Ozick, Hester Lynch Thrale Piozzi, Ann Plato, Agnes Repplier, Susan Sontag, Sara Suleri, Alice Walker, Rebecca West, Virginia Woolf, Zitkala-Sa, 2018-11-15 *Of Women and the Essay* brings together forty six American and British women essayists whose work spans nearly four centuries The contributions of these essayists prove that women have been significant participants in the essay tradition since the genre's modern beginnings in the sixteenth century Many of these essayists such as Eliza Haywood Fanny Fern Gertrude Bustill Mossell Agnes Repplier and Alice Meynell achieved significant success as writers within whatever essay form ruled the day others bent the rules though often imperceptibly to make room for themselves Collectively they represent a missing piece in the larger history of the essay In *Of Women and the Essay* Jenny Spinner contextualizes the broad range of literary essays included within the chronological development of the genre She makes a compelling argument that women have constructed their own tradition in the essay genre often utilizing periodic traits of the essay to their own advantage At the same time she suggests that the personal essay's demands on the essayist required both a public and personal authorization that proved challenging for women essayists in general and for women of color in particular The appendix catalogs the works of nearly 200 female essayists and should inspire further reading As a whole the volume lifts women writers from the cutting room floor of essay scholarship and returns them to their rightful place in the essay canon [Knitting Heaven and Earth](#) Susan Gordon Lydon, 2008-11-19 From the author of the modern classic *The Knitting Sutra* comes an inspiring and colorful narrative on knitting through one's darkest hours Susan Gordon Lydon's groundbreaking book *The Knitting Sutra* offered a new way for knitters to look at their craft as a healing and meditative endeavor instead of a granny hobby or an indulgent pastime The first book without knitting patterns to capture the knitting audience it has been widely imitated but no other book has endured so well With *Knitting Heaven and Earth* Lydon again breaks new ground this time following the emotional ties that become bound up in her handicrafts when a series of wrenching events a heartbreaking romance the death of her father a devastating diagnosis of breast cancer leave her reeling Through it all Lydon finds new reserves of strength in knitting in the skeins of sumptuous yarn and colorful thread that help her make sense of the trials of the heart [Getting Back Into Place](#) Edward S. Casey, 1993 Offers a philosophical exploration of the pervasiveness of place Presenting an account of the role of place in human experience this book points to place's indispensability in navigation and orientation The role of

the lived body in matters of place is considered and the characteristics of built places are explored Hunger for the Wild
Michael L. Johnson, 2007 Americans have had an enduring yet ambivalent obsession with the West as both a place and a state
of mind Michael L Johnson considers how that obsession originated how it has determined attitudes toward and activities in
the West and how it has changed over the centuries The Way to the West Elliott West, 1995-10 Elegantly assembles the
environmental social cultural political and economic history of the Great Plains in the 19th century **Chaucerian Spaces**
William F. Woods, 2008-06-30 Chaucerian Spaces explores the affect and the significance of space and place in the first six
tales in Chaucer's Canterbury Tales Relatively little has been written about space in the Canterbury Tales yet the rewards for
attending to this aspect of Chaucer's aesthetic are considerable Space indicates the potential for characteristic action
development and a more profound expression of being In these tales characters inhabit a landscape and places within it that
express their inner life Emelye in her garden Palamon and Arcite in the grove all occupy spaces or places that manifest social
destiny and individual intention Space and subjectivity change as territories give way to households and the horizons of
consciousness shrink to the core of human intent Most striking is the transformation of women in place Emelye Alysoun even
Custance and the Wife of Bath dwell in places that express their social and economic potential They are in place but place is
also in them they merge in metaphor with the places that express them bringing the reader closer to the sensible reflective
experience of the medieval subject
