Contexts of Justice Burke A. Hendrix, 2025-11-20 Non Indigenous citizens of the United States and Canada often argue that it is unfair for Indigenous peoples to have distinctive political and property rights within countries purportedly dedicated to equal treatment Yet Indigenous nations in the United States and Canada have long made claims for a more contextually rich sense of fairness and their legal and political successes in these efforts difficult uneven and partial as they have been have allowed them to continue to exist into the present Their fairness arguments have thus found traction even in the face of longstanding political animosity Situated within debates on ideal and non ideal theory this book begins from arguments of this kind and seeks to show why they are defensible within a contextually rich theory of political fairness for Indigenous peoples in the United States and Canada Structured to be accessible to political theorists and their students with little background in Indigenous politics the book argues that this broader conception of fairness applies in relation to political sovereignty ownership rights cultural choices and uncomfortably racially inflected standards of tribal membership Seeking to outline parameters for potential future political orders it argues that such a contextually rich standard of fairness is likely to be required long into the future as well given the unavoidably variegated texture of human social order

Presidential Rhetoric and Indian Policy Anne F. Boxberger Flaherty, 2022-12-30 Presidential Rhetoric and Indian Policy explores and analyses the dynamics of presidential rhetoric on Native peoples and issues from Nixon to the present Covering Presidents Washington through Johnson in an overview before turning to focus on the modern era of self determination Anne Flaherty offers a systematic analysis of 700 presidential statements that mention Native issues from 1969 through 2020 to evaluate whether presidents in the modern era have used their rhetorical platforms to bring attention to Native issues and to support this coherent strategy of self determination Flaherty provides evidence that rhetorical themes vary by administration and seem to either rely on more symbolic historical language or to connect more clearly to the dominant platforms and messages of the president in question The book then moves to incorporate an analysis of key outcomes compared across the administrations The data and analysis show that federal spending legislative outcomes and Supreme Court decisions have not consistently supported self determination policy over the past 50 years This book is a must read for scholars and students interested in indigenous politics Native American Indian Politics US presidency and rhetoric

Poverty in the United States John R. Burch Jr., 2018-04-02 This collection of documents contextualizes the ways in which Americans have addressed the evolving challenges of poverty throughout U S history Each document is accompanied by an analysis that both summarizes its content and considers its impact Poverty has always been a part of the fabric of American life and this installment in the Documentary and Reference Guides series fills the gaps left by most educational treatments of

the subject beginning with an examination of poverty at the state and local levels as it was during the early 19th century A federal plan for addressing poverty was not devised until Franklin Delano Roosevelt launched the New Deal in the 1930s As these 70 chronologically arranged documents illustrate the unfinished business of the New Deal interrupted by World War II culminated in new legislation during John F Kennedy s New Frontier and Lyndon B Johnson s War on Poverty progress however fell victim to the Vietnam War ushering in decades of rollbacks under presidents of both parties Noted scholar and librarian John R Burch Jr provides thorough coverage of these and contemporary events throughout which poverty has endured including the Great Recession of 2008 2009 the minimum wage debate and the Affordable Care Act and attempts to repeal it Encyclopedia of Politics of the American West Steven L.
