The Story Of Doctor Johnson Being An Introduction To Boswells Life:

The Story of Doctor Johnson S. C. Roberts, 2015-06-15 Excerpt from *The Story of Doctor Johnson Being an Introduction to Boswell's Life* The object of this little book is clearly expressed on the title page and the title page might be left to speak for itself were it not for the inevitable criticism that Boswell needs no introduction The most discreet of cicerones it has been said is an intruder when we open our old favourite and without further magic retire into that delicious nook of eighteenth century society This is from the point of view of the literary man the true lover of Boswell but the *Life* is a long and outwardly formidable work with which many who might have been true lovers have through lack of an introduction hardly attained even to a casual acquaintance The usefulness then of such a book as this can be tested by one question Is a man more or less likely to read Boswell and to read him with enjoyment because as a boy he has been told the story of Dr Johnson in simpler form This simpler form may require a little explanation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
