Moses Fleetwood Walker in 1884 and that for a time integrated teams were not that unusual And then as segregation throughout the country hardened the exclusion of blacks in baseball quietly became the norm and the battle for integration began anew     The Destruction of the Bison Andrew C. Goldman,2010-11-01     Greatness in the Shadows Douglas M. Branson,2016-04-01 Just weeks after Jackie Robinson joined the Brooklyn Dodgers Larry Doby joined Robinson in breaking the color barrier in the major leagues when he became the first black player to integrate the American League signing with the Cleveland Indians in July 1947 Doby went on to be a seven time All Star center fielder who led the Indians to two pennants In many respects Robinson and Doby were equals in their baseball talent and experiences and had remarkably similar playing careers both were well educated well spoken World War II veterans and both had played spectacularly albeit briefly in the Negro Leagues Like Robinson Doby suffered brickbats knock down pitches spit in his face and other forms of abuse and discrimination Doby was also a pioneering manager becoming the second black manager after Frank Robinson Well into the 1950s Doby was the only African American All Star in the American League during a period in which fifteen black players became National League All Stars Why is Doby largely forgotten as a central figure in baseball s integration Why has he not been accorded his rightful place in baseball history
