By Myself E.N. Joy, 2012-04-24 The singles ministry at New Day Temple of Faith is beginning to unravel and the pastor is considering dissolving the ministry Some members believe the only way to hold it together is by getting their pastor to join And why shouldn't their leader show support by joining considering the pastor's own single status Some church members support the idea while others frown upon the fact that they are being led by a shepherd who is single in the first place It becomes an all out war with one side wanting the pastor to embrace singlehood while others secretly play matchmaker Marriage has been the furthest thing from the pastor's mind not because there hasn't been an opportunity but because there really hasn't been time With a needy congregation facing trials and tribulations Pastor has no time to play the dating game Being a pastor on call twenty four seven who has time for a serious relationship period other than the one with God
